## **Pulpit Giants What Made Them Great:**

Pulpit Giants Donald E. Demaray, 1973      **Designing the Sermon** James Earl Massey, 2010-10-01 Providing fundamental homiletical principles this classic book gives readers all the tools they need to prepare a meaningful sermon Sermon design James Massey's contemporary creative approach to shaping specific classifications of sermons focuses on order What is the preacher's goal and on movement What structure is he or she using to get there The discussion of his approach begins with an appraisal of the sermon in context in relation to goals design basic forms contemporary concerns and the why of it all Dr Massey's specific forms for designing sermons include the narrative story sermon a subject which is receiving renewed interest today the textual expository sermon the doctrinal topical sermon and the special occasion sermon for which he has chosen the topic of the funeral Suggestions are included for studying the methods of master preachers as a resource for more effective preaching And three of the author's own tested sermons are used as illustrations of sermon design possibilities      **The Golden Age of Preaching** Robert T. Henry, Dr. Robert T. Henry, 2005-08 To measure the impact of a minister's preaching one must first examine the societal context in which the ministry took place For example what would lead a minister of the Gospel to roar from the pulpit as did Joseph Parker of City Temple London God damn the Sultan The first section of *The Golden Age of Preaching* is given to the study of the times in which nine prominent British preachers ministered Understanding the times helps one to comprehend why crowds flocked to hear these men preach and why their sermons were printed in newspapers on Monday Furthermore to assess the preaching of a man one needs to take into account the life and manner of the man himself *The Men Who Moved the Masses* includes biographical sketches of nine selected preachers Alexander McLaren Robert William Dale Henry Parry Liddon at St Paul's London Joseph Parker Charles Haddon Spurgeon Alexander Whyte Frederick Brotherton Meyer John Henry Jowett and George Campbell Morgan These were men though hampered by various medical problems and personality shortcomings who led thousands to faith in their day The final section attempts to answer the question Why by identifying those homiletical characteristics of their preaching which they had in common resulting in such uncommon impact upon the masses Those qualities are not confined to their era alone They are perpetual applicable to any age to any culture Preachers and seminarians who dare to sit at the feet and learn from these preaching giants of the past will find their own preaching power lifted onto a new plain to the benefit of all who hear them      *Examining Billy Graham's Theology of Evangelism* Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Graham pre 1949 The Early Graham 1949-1955 The Middle Graham 1955-1965 The Later Graham 1965-present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice
