Punishing Criminals Concerning A Very Old And Painful Question:

Punishing Criminals Ernest Van den Haag, 1991 In this reasoned book the author himself both a psychoanalyst and social critic grapples with some difficult questions about crime and punishment and proffers some provocative answers that should be of interest in a time of escalating violence and soaring crime rates Some of the issues examined are deterrence retribution justice the causes of crime punishment and the pros and cons of the death penalty Ultimately the author concludes that punishment is necessary not as an act of revenge for the crime but as an act of support and confirmation to the lawabiding members of society Originally published in 1975 this edition is updated with a new postscript by the author

Criminal Justice Ronald Pennock, John W. Chapman, 1985-03 This the twenty seventh volume in the annual series of publications by the American Society for Political and Legal Philosophy features a number of distinguished contributors addressing the topic of criminal justice Part I considers The Moral and Metaphysical Sources of the Criminal Law with contributions by Michael S Moore Lawrence Rosen and Martin Shapiro The four chapters in Part II all relate more or less directly to the issue of retribution with papers by Hugo Adam Bedau Michael Davis Jeffrie G Murphy and R B Brandt In the following part Dennis F Thompson Christopher D Stone and Susan Wolf deal with the special problem of criminal responsibility in government one of great importance in modern society The fourth and final part echoing the topic of NOMOS XXIV Ethics Economics and the Law addresses the economic theory of crime The section includes contributions by Alvin K Klevorick Richard A Posner Jules L Coleman and Stephen J Schulhofer A valuable bibliography on criminal justice by Andrew C Blamar concludes this volume of NOMOS

Mercy on Trial Austin Sarat, 2009-02-09 On January 11 2003 Illinois Governor George Ryan a Republican on record as saying that some crimes are so horrendous that society has a right to demand the ultimate penalty commuted the capital sentences of all 167 prisoners on his state's death row Critics demonized Ryan For opponents of capital punishment however Ryan became an instant hero whose decision was seen as a signal moment in the new abolitionist politics to end killing by the state In this compelling and timely work Austin Sarat provides the first book length work on executive clemency He turns our focus from questions of guilt and innocence to the very meaning of mercy Starting from Ryan's controversial decision *Mercy on Trial* uses the lens of executive clemency in capital cases to discuss the fraught condition of mercy in American political life Most pointedly Sarat argues that mercy itself is on trial Although it has always had a problematic position as a form of lawful lawlessness it has come under much more intense popular pressure and criticism in recent decades This has yielded a radical decline in the use of the power of chief executives to stop executions From the history of capital clemency in the twentieth century to surrounding legal controversies and philosophical debates about when if ever mercy should be extended Sarat examines the issue comprehensively In the end he acknowledges the risks associated with mercy but he argues those risks are worth taking

The Cultural Prison John M. Sloop, 2006-01-08 The Cultural Prison brings a new dimension to the study of prisoners and punishment by focusing on how

the punishment of American offenders is represented and shaped in the mass media through public arguments **The International Library of Essays on Capital Punishment, Volume 3** Peter Hodgkinson, 2016-12-05 This volume provides analyses of a range of subjects and issues in the death penalty debate from medicine to the media The essays address in particular the personal complexities of those involved a fundamental part of the subject usually overridden by the theoretical and legal aspects of the debate The unique personal vantage offered by this volume makes it essential reading for anyone interested in going beyond the removed theoretical understanding of the death penalty to better comprehending its fundamental humanity Additionally the international range of the analysis enabling disaggregation of country specific motivations ensures the complexities of the death penalty are also considered from a global perspective Criminal Justice 2000: Policies, processes, and decisions of the criminal justice system ,2000 **Selective Incapacitation and Public Policy** Kathleen Auerhahn, 2012-02-01 From the 1970s to the new millennium the prison population in the United States has quadrupled while an unprecedented amount of sentencing reform has taken place largely intended to protect the public from dangerous criminals This book details the California experience including the history and politics of criminal sentencing policy reform as well as the consequences of this activity to the criminal justice system Using cutting edge computer simulation modeling Kathleen Auerhahn explores the impact that sentencing reforms dating back to the 1970s have had on the composition and structure of the criminal justice system with specific focus on prison populations She illustrates how dynamic systems simulation modeling is used to both examine possible futures under a variety of sentencing structures and sentencing policy alternatives including narrowing strike zones and the early release of elderly offenders in order to more effectively target the dangerous criminals these policies promise to remove from society via incarceration **Research Handbook on the Sociology of Organizations** Godwyn, Mary, 2022-06-10 With original contributions from leading experts in the field this cutting edge Research Handbook combines theoretical advancement with the newest empirical research to explore the sociology of organizations While including the traditional study of formal corporate business organizations the Handbook also explores more transitory informal grassroots organizations such as NGOs and artist communities

Preventing and Reducing Juvenile Delinquency James C. Howell, 2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part
