Routledge International Handbook of Outdoor Studies Barbara Humberstone, Heather Prince, Karla A. Henderson, 2015-11-19 The outdoors is a physical and ideological space in which people engage with their environment but it is also an important vehicle for learning and for leisure The *Routledge Handbook of Outdoor Studies* is the first book to attempt to define and survey the multi disciplinary set of approaches that constitute the broad field of outdoor studies including outdoor recreation outdoor education adventure education environmental studies physical culture studies and leisure studies It reflects upon the often haphazard development of outdoor studies as a discipline critically assesses current knowledge in outdoor studies and identifies further opportunities for future research in this area With a broader sweep than any other book yet published on the topic this handbook traces the philosophical and conceptual contours of the discipline as well as exploring key contemporary topics and debates and identifying important issues in education and professional practice It examines the cultural social and political contexts in which people experience the outdoors including perspectives on outdoor studies from a wide range of countries providing the perfect foundation for any student researcher educator or outdoors practitioner looking to deepen their professional knowledge of the outdoors and our engagement with the world around us

Country Home, 1999 *Routledge Handbook of Mobile Technology, Social Media and the Outdoors* Simon Kennedy Beames, Patrick T. Maher, 2024-08-29 This is the first book to explore the numerous ways in which mobile technologies and social media are influencing our outdoor experiences Across the fields of outdoor education outdoor recreation and leisure and nature based tourism the book considers how practices within each of those domains are being influenced by dramatically shifting interactions between technology humans the natural world and wider society Drawing on cutting edge research by leading scholars from around the world and exploring key concepts and theory as well as developments in professional practice the book explains how digital technology and media are no longer separate from typical human and social activity Instead the broader field of outdoor studies can be viewed as a world of intertwined socio technical assemblages that need to be understood in more diverse ways The book offers a full spectrum view of this

profound shift in our engagement with the world around us by presenting new work on subjects including networked spaces in residential outdoor education digital competencies for outdoor educators the use of social media in climbing communities and the impact of digital technologies on experiences of adventure tourism This is essential reading for anybody with an interest in outdoor studies outdoor education adventure education leisure studies tourism environmental studies environmental education or science technology and society studies Bookseller ,1998 **Habitat** Lauren Liess,2015-10-13 Stunningly simple this field guide is a survival book for any budding decorator by famed DC based interior designer and blogger of Pure Style Home USA Today Lauren Liess an interior designer and founder of the popular blog Pure Style Home fuses her love of design and the great outdoors into all her work In Habitat The Field Guide to Decorating Lauren invites readers to bring nature inside by mixing the textures of natural elements such as wood and stone with eclectic groupings of modern and quirky vintage pieces Readers will be inspired by the unique style of these rooms which include lovely framed botanical prints and Liess s own textile patterns inspired by wildflowers and weeds Divided into three sections Habitat shows readers the fundamental elements of design such as color lighting and furniture addresses the intangibles of designing a space such as aesthetics and creating a mood and tackles unique room specific challenges in every part of the house Designer Lauren Liess shares her favorite not always conventional ideas for livening up any space with art Country Living Habitat looks at incorporating natural textures such as wood into your decorating scheme along with florals nature inspired textiles and vintage d cor Real Style Network Rich with thoughtful advice on how to create livable comfortable rooms that bring the beauty of the outdoors inside Garden Gun *Style by the Aisle* ,2005 Off the rack decorating for affordable chic Cover *Easy Decor* Carrie Holcomb,2005 Turn the pages for inspiration Easy Decor brims with creative ways to give your rooms new attitude From furniture placement to accessories the tools are at your fingertips In this book you ll find ideas for using what you have or what you can make to bring new mood colors and textures into your home *A Home for All Seasons* Kristin Perers,2003 Wire o bound with smart matte laminated covers and plenty of lined pages these journals are ideal for notes recipes or late night thoughts Each journal features an elegant lifestyle image front and back
