The background of the book cover features a series of concentric, overlapping arcs in shades of orange, red, and purple, creating a sense of depth and movement. Overlaid on this design are several mathematical symbols and formulas in a light, golden-yellow color. These include the summation formula $S_n = \frac{a}{1-r}$ for $|r| < 1$ at the top, a large pi symbol π on the right, a theta symbol θ below it, and the equation $x = a^2$ at the bottom. A wavy line is also visible near the bottom right. The title 'Pure Mathematics' is prominently displayed in a white, bold, sans-serif font within a dark rectangular box in the center.
