Mexican-American Folklore John O. West, 1988 Gathers riddles rhymes folk poetry stories ballads superstitions customs games foods and folk arts of the Mexican Americans Speaking Mexicano Jane H. Hill, Kenneth C. Hill, 2022-02-08 The Hills confront far more than what is sayable in terms of Mexicano grammar they deal with what is actually said with the relationship between Spanish and Mexicano as resources in the community's linguistic repertoire One of the major studies of language contact produced within the past forty years Language The genius of this work is the integration of the linguistic analysis with the cultural and political analysis Latin American Anthropology Review *El presidencialismo mexicano* Jorge Carpizo, 2002 A pesar del interés creciente que despierta el tema del poder ejecutivo en México ha sido poco estudiado Este ensayo dibuja un panorama general del presidencialismo mexicano hoy en día su organización las más importantes facultades que el presidente posee derivadas tanto de la constitución de la ley como del sistema político En el libro se plantean por primera vez algunos de los principales problemas que presenta nuestro sistema presidencial y se proponen soluciones Frente a las múltiples funciones que posee el presidente se señalan los límites que tiene y se hacen resaltar los controles que el legislativo debe ejercer con el objeto de lograr el equilibrio de poderes que la constitución estructura Este estudio aunque realizado con la metodología jurídica no descuida los aspectos históricos sociológicos económicos y políticos con el propósito de presentar qué es realmente el régimen presidencial mexicano El autor no pretendió realizar un ensayo jurídico puro al contrario con frecuencia confronta la norma con la realidad Esta es la clase de estudios constitucionales que un país como México necesita American Encounters Jose Limon, 1999-11-10 The idea of crossing the border between the United States and what award winning anthropologist Jos Limón calls Greater Mexico has always conjured images of racial hostility and exclusion Through literature film song and dance American Encounters explores an alternative history of attraction and desire between the U S and Greater Mexico offering a vision of hope for the future **The Mexican Corrido** María Herrera-Sobek, 1990 well written and well documented landmark study Choice This book raises important ideological and esthetic questions about the interpretation of artistic and cultural manifestations in a given society Hispanic American Historical Review The present volume is provocative in direction and a refreshing addition to the extant literature on the Mexican corrido genre American Ethnologist Herrera Sobek's refreshing approach to analyzing masculine attitudes toward the feminine as expressed in the Mexican corrido is not only insightful but courageous Inez Cardozo Freeman Southern Folklore well researched insightful clearly written and well illustrated study of a genre familiar in Hispanic culture Journal of the American Studies Association provides tantalizing insights into the inner workings and meanings of Mexico's favorite folk ballads Journal of Third World Studies Challenging the stereotypical view of the passive Mexican Chicana woman of the archetype the author examines the portrayal of female figures in over three thousand corridos or Mexican ballads and shows that in spite of long dominant patriarchal ideology the corridos reveal the presence of self-confident women throughout

Mexican history Included are a discography a detailed bibliography of corrido collections and several photographs of soldaderas from the internationally famous Augustin Casasola collection

Language, Borders and Identity Dominic Watt, 2014-10-12 Identifying and examining political socio psychological and symbolic borders Language Borders and Identity encompasses a broad geographically diverse spectrum of border contexts taking a multi disciplinary approach by combining sociolinguistics research with human geography anthropology and social psychology

Ask a Mexican Gustavo Arellano, 2008-04-22 Confronts the bogeymen of racism xenophobia and ignorance through answering questions put by readers of the nationally syndicated Ask a Mexican column

El mexicano Raúl Béjar Navarro, 2007 Language Ideologies Bambi B. Schieffelin, Kathryn A. Woolard, Paul V. Kroskrity, 1998-05-28 Language ideologies are cultural representations whether explicit or implicit of the intersection of language and human beings in a social world Mediating between social structures and forms of talk such ideologies are not only about language Rather they link language to identity power aesthetics morality and epistemology Through such linkages language ideologies underpin not only linguistic form and use but also significant social institutions and fundamental notions of person and community The essays in this new volume examine definitions and conceptions of language in a wide range of societies around the world Contributors focus on how such defining activity organizes language use as well as institutions such as religious ritual gender relations the nation state schooling and law Beginning with an introductory survey of language ideology as a field of inquiry the volume is organized in three parts Part I Scope and Force of Dominant Conceptions of Language focuses on the propensity of cultural models of language developed in one social domain to affect linguistic and social behavior across domains Part II Language Ideology in Institutions of Power continues the examination of the force of specific language beliefs but narrows the scope to the central role that language ideologies play in the functioning of particular institutions of power such as schooling the law or mass media Part III Multiplicity and Contention among Ideologies emphasizes the existence of variability contradiction and struggles among ideologies within any given society This will be the first collection of work to appear in this rapidly growing field which bridges linguistic and social theory It will greatly interest linguistic anthropologists social and cultural anthropologists sociolinguists historians cultural studies communications and folklore scholars
