Purple Violet Squish:

Purple Violet Squish David Wilkerson, 1969 **Purple Violet Squish** David R. Wilkerson, 1972 *The Jesus People Movement* Richard A. Bustraan, 2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission *The King of Good Intentions* John Fredrick, 2013-05-07 This is the chronicle of an indie band in Los Angeles in the early 1990s as they meet rehearse make their first recordings and get their first big gig It is also the story of a love affair between John and Jenny the band s charming but troubled guitarists singers Along the way they and their bandmates make all manner of discoveries about themselves and the Hollywood milieu in which they re struggling to succeed a world of narcissistic actors wannabe screenwriters pretentious musicians weirdo fans crazy neighbours and an emu called Heidi *Unclaimed Baggage* Jen Doll, 2025-06-25 A New York Times Staff Pick An NPR Best Book of 2018 A BuzzFeed Best YA Book of 2018 In Jen Doll s young adult debut novel *Unclaimed Baggage* Doris a lone liberal in a conservative small town has mostly kept to herself since the terrible waterslide incident a few years ago Nell had to leave behind her best friends perfect life and too good to be true boyfriend in Chicago to move to Alabama Grant was the star quarterback and epitome of Mr Popular whose drinking problem has all but destroyed his life What do these three have in common A summer job working in a store called *Unclaimed Baggage* cataloging and selling other people s lost luggage Together they find that through friendship they can unpack some of their own emotional baggage and move on into the future **God's Forever Family** Larry Eskridge, 2013-05-31 The Jesus People were an unlikely combination of evangelical Christianity and the hippie counterculture God s Forever Family is the first major examination of this phenomenon in over thirty years It shows that the Jesus People not only helped create a new engaged evangelical relationship to youth and popular culture but proved to be a major force in re shaping a resurgent evangelical movement *Summer of Love* Christoph Grunenberg, Jonathan Harris, Jonathan P. Harris, 2005-01-01 Though more than a generation has passed since the revolutionary fervor of the Summer of Love of 1967 the 1960s in many ways seem with us still From recurring debates over

the war in Vietnam to the perpetually appealing music of the Beatles and the Rolling Stone to the concern about youth drug use the legacy of the 1960s is ubiquitous in contemporary life The Summer of Love brings together an impressive group of historians artists and cultural critics to present a rich and varied interpretation of this seminal decade and its continuing influence on politics society and culture The Summer of Love which accompanies an exhibition at Tate Liverpool pays particular attention to the wildly creative psychedelic art of the era Perceptive essays on psychedelic comics graphic design and typography light shows and film successfully rescue psychedelic art from the fog of nostalgia and unjust critical neglect Distinguished contributors also explore the role of 1960s fashion and architecture and they consider anew the central influence of hallucinogenic drugs on the art of the era Running throughout the essays are the elements of epochal change from sexual liberation to student revolutions that still form the backdrop of our collective consciousness of the 1960s An incisive collection of writings on all aspects of 1960s art and culture tempered by time and critical distance The Summer of Love will be indispensable for those who wish they had been there or for those who were but can't remember it The House of Zondervan Jim Ruark, 2011-10-11 The year was 1931 and in a farmhouse in Grandville Michigan brothers Pat and Bernie Zondervan were quietly making publishing history They started by purchasing and reselling some remaindered book from Harper record and music publishing bestselling Bibles and Bible translations such as the New International Version rich and diverse partnerships constantly shifting relationships in the publishing and bookselling industry and innovations in marketing research product development and author care that have earned us our place at the vanguard of Christian communications Above all the history of Zondervan is the story of lives reached and transformed by the grace and power of God And it is a testimony to Jesus Christ the Lord we love and serve who has been faithful to us as we have strived to be faithful to him Welcome to The House of Zondervan We hope you enjoy your stay *Jesus Sound Explosion* Mark Curtis Anderson, 2007-09-01 Mention the record album Jesus Sound Explosion to a typical child of the 1970s and that person is likely to picture one of those collections that used to be shown on TV Call now Not available in stores When Mark Curtis Anderson spied a copy in a junk store a few years ago he knew just what he'd found and the memories of growing up in a Baptist minister's family came flooding forth The title of Anderson's memoir is a nod to the live concert album from Explo 72 a kind of evangelical Woodstock emceed by Billy Graham Explo's crowds of 100 000 plus signaled that enterprising evangelicals were discovering how to use rock and roll in the marketplace of conversion Anderson was eleven that year too young to be at Explo but old enough to wish he was Other preachers kids may have gazed out at the wider world and craved its movies clothes or toys but he wanted its music And not just the Jesus rocker fare of Explo's Armageddon Experience or Children of Truth but the real stuff too Jesus Sound Explosion recalls Anderson's quest for worldliness through rock as he came of age under the gaze he often sensed of his father's entire congregation All of the backsliding and revival idealism and disillusionment one would expect is here told with delightfully understated humor and set against the sounds of The Guess

Who Yes Lynyrd Skynyrd and Bruce Springsteen Here is a knowing look back on a time when Jesus Christ Superstar climbed the pop charts The Cross and the Switchblade hit the big screen and anxious parents played their kids records backwards in search of hidden messages from Satan David Wilkerson Gary Wilkerson,R. S. B. Sawyer,2014-09-02 How did one man s unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you ll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the dream God gave him and marched forward without ever looking back As you come to know David s story you ll learn to see the world the way he did through the lens of eternity
