Purposes Of Luke Acts:

The Purpose of Luke-Acts Robert Maddox,1982 A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expository resource will equip readers to study and teach each book in the New Testament with clarity and insight *Purpose of Luke-Acts* Robert Maddox,1995 **A Theology of the New Testament** George Eldon Ladd,1993-09-02 Ladd s magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd s survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index *A Theology of Luke and Acts* Darrell L. Bock,2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke s gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God s people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock s excellent exploration of Luke s theological approach and themes meets an important need in Lukan theology The Character and Purpose of Luke's Christology Douglas Buckwalter,1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him **Luke** Robert A. Stein,1993-01-15 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Biblical Missions** Thomas Nelson,2025-02-25 Biblical Missions Principles Priorities and Practices brings together experienced and biblically focused missions voices to equip evangelical students worldwide for a faithful gospel witness today This

comprehensive textbook produced by The Master's Academy International TMAI a non profit organization and part of the John MacArthur family of ministries is designed to equip pastors and church leaders around the world in biblical missiology and practice The book combines 100 voices from 60 nations of origin or service to not only address the principles of biblical missions theory but also offer recommendations for faithful field applications both within historically missions sending countries as well as in Majority World countries that are reaching their surrounding regions with the gospel Local churches around the world as well as like minded Christian colleges seminaries and missions organizations are invited to follow these proven pathways to fulfill the Great Commission faithfully

The Prophethood of All Believers Roger Stronstad, 1999-01-01

For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke's theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today's world
