The Truth about Homosexuality John Francis Harvey, 1996-08-21 This book addresses the complex moral and pastoral questions involved in both homosexual orientation and activity including an analysis of lifestyles in accord with the Christian Gospel and those running counter to Christian moral teaching

Sexual Misconduct in Counseling and Ministry Peter T. Mosgofian, George W. Ohlschlager, 2009-05-01 Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions One major church insurer has handled over 1 200 cases in the past eight years many involving child sexual abuse often with multiple victims How should the church respond when Christian counselors cross sexual boundaries What should be done when the healer wounds What is the church's responsibility both to misbehaving professionals and to their victims Combining their extensive counseling experience and legal expertise the authors of this volume offer a well written practical book loaded with the thorny issues of sexual exploitation by religious professionals Here is tested wisdom that can help o A recovery strategy for victims o Proactive ways to safeguard against improper sexual behavior o Screening and early intervention strategies o Restoring fallen ministers and church leaders o Dealing with homosexual misbehavior seductive clients recovered memories and false allegations o Assessing legal consequences of your policies The wise counsel in this timely book can help us find remedies for

a growing problem that threatens the Christian church **Homosexuality and Following Jesus** Paul Flaman, 2014-05-14

JESUS PRAYER WAS THAT ALL MAY BE ONE In this clear concise and compelling book Paul Flaman addresses ways in which we can contribute to fulfilling this foundational prayer of the Christian life when it comes to the issue of homosexuality an issue that has caused much division in countries churches and families around the world Flaman argues that Jesus example and teaching help us to focus on what is most important including his call for us to treat others the way we would like to be treated respond to the real needs of others in loving others as he loves us live according to the truth take up our cross to find fullness of life avoid sexual immorality and forgive and be reconciled and healed As someone who has lived with same sex attraction I found Homosexuality and Following Jesus to be a very encouraging and thought provoking work

ANONYMOUS highly recommended for Christians and non Christians alike EUGENE RATSOY Professor Emeritus of Education University of Alberta helps us move beyond an often sterile debate full of well worn arguments REV SEAN LARKIN Anglican Bishop uniquely explores how our approach to individuals with same sex attraction must reflect the teachings and the love of Christ REV PAUL CHECK Executive Director Courage International The Soul of Ministry Ray S. Anderson, 1997-10-01 Ray Anderson offers an inspiring call for Christian leaders to view Jesus as a model for their own ministry today The Soul of Ministry explores the idea of ministry across denominations and discovers its soul in God s love for the world Designed for pastors of all denominations this book combines social biblical theology with numerous real life anecdotes from Anderson s teaching and ministry *Still Time to Care* Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism s leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research *Still Time to Care* provides Guidance for

the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion The Journey Out Ken Williams,2021-03-16 I didn t think there was a way out Many churches and individuals now affirm the gay Christian life and cheer on LGBTQ Pride But what if the LGBTQ life isn t the party for our neighbors loved ones or ourselves that the world says it is What if these valuable people are in pain Pain that sex and Gay Pride The Manual Dawn Sutton,2008 The Manual has the answers you have been seeking whether you are a new Christian just beginning your journey of faith or whether you are a mature Christian struggling with a particular issue Dawn Sutton shares her counseling expertise on a myriad of topics including anxiety depression grief forgiveness dating sexuality relationships how to know God s will accepting God s love effects of abuse joy robbers how to renew your mind and much more Don t let your questions go unanswered when they are available to you today in The Manual Reparative Therapy of Male Homosexuality Joseph Nicolosi,1997 1 non gay homosexuals who are they 2 the politics of diagnosis 3 the failure of the mental health profession 4 The importance of the father son relationship 5 formation of the father son bond 6 failure of the father son relationship 7 problems emerging in childhood 8 other factors mother and family relations 9 physiogenetic factors 10 associate features of the homosexual personality 11 homosexual love relationships 12 gay sexuality 13 the refusal to acknowledge pathological elements 14 the treatment 15 the therapeutic relationship 16 therapeutic issues 17 group psychotherapy 18 the initial interview 19 the issues of individual psychotherapy 20 the process of group therapy
