Secrets of the Haggadah ,1989 The Secrets of the Haggadah Matityahu Glazerson, 1996-04 Rabbi Matityahu Glazerson has used his unique approach to uncover the exalted ideas that the words and letters of the holy language Hebrew convey This approach is especially suited to the study of Haggadah for the holiday of Passover does not only symbolize our redemption but is also symbolic of the holy language Pharaoh's underlying motive was to break down the barriers that separated the Jew from the Egyptian thus effecting our spiritual downfall through assimilation The sages teach that one of the reasons why the Jews in Egypt deserved to be redeemed was that they continued to speak Hebrew In this way they guaranteed their distinctiveness and their sanctity Haggadah Matityahu Glazerson, 1989 The Secret of Redemption Jeffrey Gale, 2023-09-22 It is November 2013 nearly thirty years after Rabbi Levin taught and comforted refusenik families in the former Soviet Union and presided over the twinning of his bat mitzvah student Simone Da Costa with Sanna Tsivkin of Leningrad Rabbi Levin is currently serving a synagogue in northern Manhattan which consists of a substantial number of Holocaust survivors As his congregation observes the seventy fifth anniversary of Kristallnacht he is acutely aware of hatred of the other in America Inequality discrimination segregation violence against racial minorities anti Semitic incidents and anti immigrant bias were in full force ICE was bearing down hard upon illegal immigrants Many have taken refuge in religious institutions to avoid deportation and family separation The ghosts of 1938 have reappeared on the synagogue s doorstep Both Kristallnacht and its aftermath and the plight of Soviet Jewry seem as if they had only happened yesterday Thousands of miles away Rabbi Levin's daughter Bracha engages in graduate work at Hebrew University in Jerusalem and works for a human rights organization She is on the front lines of the ongoing Israel Palestinian conflict As a lover of Zion who is saddened by acts of terrorism perpetrated against her own people she witnesses prejudice and violations of human rights and becomes disillusioned A famous saying attributed to the Baal Shem Toy states that forgetfulness leads to exile but remembrance is the secret of redemption The upcoming observance of Kristallnacht sets off a chain of events which would lead to communal challenges and would move Rabbi Levin s community work in an unpredictable direction Bracha s experiences would lead to serious questioning that would shape her career path As both father and daughter embark upon a journey of remembrance face the challenges of the present and envision a brighter future for humanity they discover the real secret of redemption Secret Places Tobias Schneebaum, 2000 In the swamps of Asmat in West New Guinea Tobias Schneebaum traveler writer painter explorer finds the way of life that suits him best Secret Places reels readers into a world of storytellers and sorcerers cannibals and carvers a place where Schneebaum discovers his soulmates and his own soul Looking back at a life of wild adventure Schneebaum seeks in Secret Places to intertwine the varied strands of his experience pondering the parallel universes of his experience as a gay Jewish New Yorker and his years among the Asmat The result illuminates both worlds as when he juxtaposes the Asmat celebration of the spirits of the dead with a New York City plagued

Dark Images, Secret Hints Bram Mertens, 2007 This book examines the influence of the Prophecy Flash! ,1998 Jewish tradition on the work of the German Jewish philosopher Walter Benjamin It was hitherto always assumed that Benjamin's knowledge of Judaism was very limited and that he was interested only in the mystical tradition of the Kabbalah the study of which was pioneered by his friend Gershom Scholem However on the latter's recommendation Benjamin also read Franz Joseph Molitor's Philosophie der Geschichte oder ber die Tradition 1827 1857 a massive four volume work which presents a comprehensive overview of both mainstream and mystical aspects of the Jewish tradition Having unearthed the most likely written source of Benjamin's knowledge of Judaism this study sets out to show that Benjamin's thought was influenced considerably by Jewish concepts of language experience and history and that this influence is persistent enough to lend a unity to Benjamin's work that transcends its division into an early metaphysical and a late materialist or Marxist stage Within this context the book also provides a reassessment of some of Benjamin's key texts from the early programmatic writings on language philosophy and literature to the little known Protokolle zu Drogenversuchen and the unfinished Passagen Werk The Secret Faith of Maestre Honoratus Maud Kozodoy, 2015-09-23 The Secret Faith of Maestre Honoratus explores late medieval Iberian Jewish culture through the figure of Profayt Duran a rationalist Jewish scholar who was compelled during the riots of 1391 to become a Christian in name and whose broad ranging philosophical and scientific education was mustered in defense of his religious convictions
