Secrets Of The Mind:

The Secrets of Mind Power: The Secret of Success and Other Essential Works William Walker Atkinson, 2021-03-09 A collection of William Walker Atkinson's classic works on the power of the mind. The Secrets of Mind Power Ten Essential Works is the definitive collection of William Walker Atkinson's published works. Born in 1862, Atkinson became a pioneer of the New Thought movement and wrote prolifically throughout his lifetime, leaving a vast body of published material. After his death in 1932, The Secrets of Mind Power is a treasury of ten of his most powerful and innovative teachings combined in a single volume. The books are included in their entirety and are faithfully reproduced as they were originally published to preserve the impact of Atkinson's work. The Secrets of Mind Power is part of The Library of Spiritual Wisdom, a beautifully designed series of curated classics written by some of the greatest spiritual teachers of all time. With books covering topics ranging from prosperity and motivation to the occult and metaphysical thought, The Library of Spiritual Wisdom is the definitive collection of texts from some of the most revolutionary thought leaders of the last three centuries and belongs on the shelves of home libraries everywhere. *The Secret of Healing and Other Miracles of the Mind* Julia Seton, 2024-01-20

Dr. Julia Seton, M.D., explores the secrets of healing through the power of the human mind. Included are such topics as The Secret of Healing, Transcendentalism, The Outside and the Inside of Life, Cosmic Therapeutics, and Absent Treatments. Dr. Seton writes: "If we want to heal ourselves, we stand with our whole life open to the positive creative Cosmic currents and let them beat through us and around us; we will then and there pass our whole being into union with every creative universal force and to feel the power of its energy sweeping through us; we hold our life to this higher understanding until the great flood tide of the universe comes sweeping along our veins and through our being, washing away in its resistless force all the lesser moorings which hold us to the thoughts of disease or decay; we have then the life more abundantly than is promised and we feel that we have entered into that place that is prepared for the people of God; we are healed to stay healed for the very life blood of the universe is in our veins." The Book of Life Secrets for Today's World Rai Flowers, Rasheed Flowers, 2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point, and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words. The format of this manuscript is engaging. The daily entries give the reader a new thought to ponder each day. The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think

deeply about that prompt as well as feel comfort knowing that God's words support this thought
