Secrets of the Dead Secrets of the Dead, 2021-12-31 Ambrose Lincoln is one of the government's prized operatives a trained assassin a man whose past is continually erased by mind control tactic and shock treatments His days have no meaning He no longer fears death As far as he is concerned a man without a memory is a man who's already dead From Germany come rumors of a mad man threatening to rule Europe and maybe the world On the Night of Broken Glass his brown shirts and storm troopers move into Baden Baden and begin their methodical termination of the Jews In America so far away the violence is nothing more than a protest over a Jewish boy who murdered a German diplomat because the Third Reich had removed and maybe killed his family It was simply a case of vandalism that got out of hand No one is concerned and the American government wants to keep it that way No one in Washington wants to go to war with Hitler and President Roosevelt continues to preach neutrality But word is leaked that one Jewish photographer took pictures of the rampage of brutality and murder that night He was killed but his daughter is in hiding with the film Ambrose Lincoln is dispatched to Baden Baden with one charge Find the film and bring it back It will tell the truth It will uncover the lies The photographs will reveal to the world the sadistic threat that exists for everyone if Hitler's mad march isn't stopped His mission is to uncover the deadly secrets that his own government doesn't want him to find secrets that can change history

Union College and the Dead Sea Scrolls Jason Kalman, 2012-11-01 The bare outline of the story of the discovery of the Dead Sea Scrolls is well known both to scholars and in the popular imagination The precise details the sequence and causal interplay of events even some of the key players behind the scenes are less well known and sometimes completely forgotten or misconstrued The recovery of this history in all its complexity is vital for understanding how and why scholarly work on the Scrolls developed as it did over the six decades during which the texts were slowly published Jason Kalman recovers the fascinating story of Hebrew Union College Jewish Institute of Religion s involvement with the Dead Sea Scrolls from their discovery in 1948 until the early 1990s when they were first made accessible to all scholars and to the public Scholars at HUC JIR actively participated in efforts to acquire and preserve the manuscripts and played a significant part in breaking the monopoly of scholars initially assigned to publish them Despite these activities a number of HUC JIR s influential teachers took a negative view of the scrolls As a consequence rabbinical students either did not encounter the material or left the institution with a view of it that was far from the mainstream This book traces the activities of HUC JIR s administration and faculty over five decades the contribution they made to the new academic field and their influence on how knowledge of the Dead Sea Scrolls was shared with the community at large Many details about security negatives stored at HUC and about the bootleg reconstruction are revealed for the first time **The War Scroll, Violence, War and Peace in the Dead Sea**
