## Secrets Of The Fascist Era:

*Secrets of the Fascist Era* Howard McGaw Smyth, 1975 This account of the capture and validation of Italian Fascist state papers during World War II some of which only recently have been declassified is the stuff of high level intelligence and counter espionage In an account that reads like a detective story Howard Smyth reveals fully for the first time how the United States obtained the Fascist documents As an OSS and State Department officer during the war Smyth was intimately involved in the validation of the papers and as a professional historian was uniquely qualified to evaluate their importance Among the documents Smyth describes are the Lisbon Papers documents which emanated from the office of Count Ciano as Italian Foreign Minister and which the Italian Government attempted to hide from the Allies the Ciano Papers Rose Garden the German translations of Italian State Papers which Ciano himself set aside to accompany his diary and for which Edda his wife and Mussolini's daughter tried to barter her husband's life and Mussolini's Private Papers said once to have comprised over 100 000 files some of which were found in his villa others on his person during his final flight to avoid capture Though Dr Smyth focuses on the problems of the authenticity of the collections his account of their acquisition weaves an exciting story of high adventure and human drama Obviously of utmost importance to scholars the work will be of special interest also to general readers and World War II history buffs

**Secrets of the Fascist Era: how Uncle Sam Obtained Some of the Top- Level Documents of Mussolini's Period**, 1975 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976

**Cloak & Gown** Robin W. Winks, 1996-01-01 The CIA and its World War II predecessor the Office of Strategic Services OSS were for many years largely populated by members of Ivy League colleges particularly Yale In this highly acclaimed book Robin Winks explores the underlying bonds between the university and the intelligence communities introducing a fascinating cast of characters that include safe crackers and experts in Azerbaijani as well as such social luminaries as Paul Mellon David Bruce John P Marquand Jr and William Vanderbilt This edition of the book includes a new preface by Winks Reviews of the first edition One of the best studies of intelligence in recent years Edward Jay Epstein Los Angeles Times Book Review The most original book yet written on the interpenetration of counter intelligence and campus Andrew Sinclair Sunday Times London Winks writes a lively compound of analysis and anecdote to illuminate the bonds between academe and the intelligence community His book is a towering achievement Robert W Smith Chicago Sun Times Among the more important contributions to the history of Anglo American espionage to appear this or any other year Moves with an unfolding pace that any thriller writer might envy Tom Dowling San Francisco Examiner A brilliant book Sallie Pisani Journal of American History *The Intelligence Revolution* Steven E. Maffeo, 1988 [The intelligence revolution a historical perspective.](#) , [The Allies Strike Back, 1941-1943](#) James Holland, 2020-02-26 Volume two in this expert anecdote filled thoroughly entertaining history of WWII follows The Rise of Germany as the Allied forces turn the tides Kirkus James Holland's The Rise of Germany the first volume in his War in the West trilogy was widely praised for his impeccable research

and lively narrative Covering the dawn of World War II it ended at a point when the Nazi war machine appeared to be unstoppable Germany had taken Poland and France with shocking speed London was bombed and U boats harried shipping on the Atlantic But Germany hadn't actually won the Battle of Britain or the Battle of the Atlantic It was not producing airplanes or submarines fast enough And what looked like victory in Greece and Crete had expended crucial resources in short supply The Allies Strike Back continues the narrative as Germany's invasion of Russia unfolds in the east while in the west the Americans formally enter the war In North Africa following major setbacks at the hands of Rommel the Allies storm to victory Meanwhile the bombing of Germany escalates aiming to not only destroy the its military industrial and economic system but also relentlessly crush civilian morale Comprehensive and impeccably researched Holland brings a fresh eye to the ebb and flow of the conflict in this majestic saga of 20th century history Literary Review UK     **Agent 110** Scott Miller,2017-03-07 Presents an account of how OSS spymaster Allen Dulles led a network of disenchanted Germans in a plot to assassinate Hitler and end World War II before the invasion of opportunistic Russian forces NoveList     *From Hitler's Doorstep* Neal H. Petersen,2010-11-01 For three years during World War II future Director of Central Intelligence Allen Dulles commanded the OSS mission in Bern Switzerland From Hitler's Doorstep provides an annotated selection of his reports to Washington from 1942 to 1945 Dulles was a leading source of Allied intelligence on Nazi Germany and the occupied nations The messages presented in this volume were based on information received through agents and networks operating in France Italy Austria Eastern Europe and Germany itself They deal with subjects ranging from enemy troop strength and military plans to political developments support of resistance movements secret weapons psychological warfare and peace feelers The Dulles reports reveal his own vision of grand strategy and presage the postwar turmoil in Europe One of the largest collections of OSS records ever published these telegrams and radiotelephone transmissions from the National Archives provide an exciting account of the course of the European war offer insight on the development of American intelligence and illuminate the origins of the Cold War They will interest diplomatic and military historians as well as specialists on modern Europe This volume is almost unique as document based intelligence history and serves as a badly needed bridge between diplomatic history and intelligence studies     **Book of Secrets** Thomas Eaton,2008-10-21 Did you know there's a secret daily flight from the United States to Cuba Or that in 1966 the U S government smashed a bacteria laden light bulb inside the New York subway system Thomas Eaton's Book of Secrets reveals hundreds of clandestine covert surreptitious furtive hush hush and taboo pop cultural and historical curiosities from government cover ups to marketing tricks to Colonel Sander's secret recipe Practical secrets are also revealed such as how to obtain a flight upgrade speak in public or win friends and influence people Production features include a Kivar cover with rounded corners and foil stamping

Special Bibliography Series United States Air Force Academy. Library,1988     **J. L. Austin** M. W. Rowe,2023 J L Austin was one of the most influential philosophers of the twentieth century but also an intelligence officer in the Second World War

This revelatory biography explores Austin's complex character, his remarkable achievements in war and peace, and the surprisingly dramatic events in his personal life. **Vatican Secret Diplomacy** Charles R. Gallagher, 2008-06-10 In the corridors of the Vatican on the eve of World War II, American Catholic priest Joseph Patrick Hurley found himself in the midst of secret diplomatic dealings and intense debate. Hurley's deeply felt American patriotism and fixed ideas about confronting Nazism directly led to a mighty clash with Pope Pius XII. It was 1939, the earliest days of Pius's papacy, and controversy within the Vatican over policy toward Nazi Germany was already heated. This groundbreaking book is both a biography of Joseph Hurley, the first American to achieve the rank of nuncio or Vatican ambassador, and an insider's view of the alleged silence of the pope on the Holocaust and Nazism. Drawing on Hurley's unpublished archives, the book documents critical debates in Pope Pius's Vatican secret U.S. Vatican dealings, the influence of Detroit's flamboyant anti-Semitic priest Charles E. Coughlin, and the controversial case of Croatia's Cardinal Stepinac. The book also sheds light on the powerful connections between religion and politics in the twentieth century. Special Bibliography Series, 1957

**Mussolini** Richard J. B. Bosworth, 2014-03-04 In 1945, disguised in German greatcoat and helmet, Mussolini attempted to escape from the advancing Allied armies. Unfortunately for him, the convoy of which he was part was stopped by partisans, and his features, made so familiar by Fascist propaganda, gave him away. Within 24 hours he was executed by his captors, joining those he sent early to their graves as an outcome of his tyranny: at least one million people. He was one of the tyrant-killers who so scarred interwar Europe, but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin. Like them, his life began modestly in the provinces; unlike them, he maintained a traditional male family life, including both wife and mistresses, and sought in his way to be an intellectual. He was cruel, though not the cruellest; his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS. He sought an empire, but in the most part, his was of the old-fashioned, costly nineteenth-century variety, not a racial or ideological imperium. And self-evidently, Italian society was not German or Russian; the particular patterns of that society shaped his dictatorship. Bosworth's *Mussolini* allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated. With extraordinary skill and vividness, drawing on a huge range of sources, this biography paints a picture of brutality and failure, yet one tempered with an understanding of Mussolini as a human being, not so different from many of his contemporaries. The definitive study of the Italian dictator. *Library Journal*

**On the Fiery March** G. Bruce Strang, 2003-07-30 By the 1930s, fascist dictator Benito Mussolini reached the conclusion that Italy faced a clear choice: expand its power at the expense of the British and French Empires, or face stagnation and decline. He believed that the regimes in the democratic West would not be able to contain their inherent hostility toward fascist dynamism, while their demographic and political weaknesses provided the opportunity for the younger, demographically virile fascist Italy to carve a new empire in the Mediterranean status quo. Through his intervention in the Spanish Civil War and his attempts to challenge

French Power in Europe and British imperial domination of the Middle East and East Africa Mussolini sought to decisively change Italy's long standing position as the least of the Great Powers Although the Pact of Steel did not always function smoothly Mussolini remained loyal to its principles eventually throwing Italy into the Second World War where he would belatedly discover that his regime had signally failed to prepare his legions for fighting in a modern war     **A Guide to the Study and Use of Military History** John E. Jessup, Robert W. Coakley, 1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past

**Mussolini's Propaganda Abroad** Manuela Williams, 2006-11-22 This is the first major study in English of Fascist Italy's overseas propaganda Using rare Italian and French captured documents this is also the first investigation into the relationship between Mussolini's regime and Arab nationalist movements This new account covers propaganda and subversive activities engineered by the Italian government in the Mediterranean and the Middle East from 1935 until 1940 when Italy entered the war It assesses the nature of the challenge brought by the Fascist regime to British security and colonial interests in the region Fascist propaganda in particular in the Arab Middle East must be regarded as an expression of Mussolini's foreign policy and his attempts to build an Italian empire that would stretch beyond the Mediterranean gaining control over the exits Gibraltar and Suez which were in the hands of the British and the French The activities of individual agents and organizations are carefully reconstructed and analyzed to highlight the seemingly contradictory objectives of the Italian government on the one hand Rome was courting the Arab nationalist movements in Egypt and Palestine which were seeking the support of external forces capable of providing political financial and military backing needed to overthrow foreign rulers on the other the regime was promoting further territorial expansion in Africa These aspects build into an excellent picture of this fascinating period of modern history This book will be of great interest to all students and scholars of politics media Italian history and propaganda     *Secrecy and Publicity in Votes and Debates* Jon Elster, 2015-06-26 In the spirit of Jeremy Bentham's Political Tactics this volume offers the first comprehensive discussion of the effects of secrecy and publicity on debates and votes in committees and assemblies The contributors sociologists political scientists historians and legal scholars consider the micro technology of voting the devil is in the detail the historical relations between the secret ballot and universal suffrage the use and abolition of secret voting in parliamentary decisions and the sometimes perverse effects of the drive for greater openness and transparency in public affairs The authors also discuss the normative questions of secret versus public voting in national elections and of optimal mixes of secrecy and publicity as well as the opportunities for strategic behavior created by different voting systems Together with two previous volumes on Collective Wisdom Cambridge 2012 and Majority Decisions Cambridge 2014 the book sets a new standard for interdisciplinary work on collective

decision making      **Thailand's Secret War** E. Bruce Reynolds, 2005-01-06 This book is an absorbing account of secret operations and political intrigue in wartime Thailand During World War II Free Thai organisations co operated with Allied intelligence agencies in an effort to rescue their nation from the consequences of its 1941 alliance with Japan They largely succeeded despite internal differences and the conflicting interests and policies of their would be allies China Great Britain and the United States London's determination to punish Thailand placed the British Special Operations Executive SOE at a serious disadvantage in its rivalry with the American Office of Strategic Services OSS The US State Department in contrast strongly supported OSS operations in Thailand viewing them as a vehicle for promoting American political and economic influence in mainland Southeast Asia Declassification of the records of the OSS and the SOE permits full revelation of this complex story of heroic action and political intrigue

## **Secrets Of The Fascist Era Introduction**

In today's digital age, the availability of Secrets Of The Fascist Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secrets Of The Fascist Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secrets Of The Fascist Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secrets Of The Fascist Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secrets Of The Fascist Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secrets Of The Fascist Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secrets Of The Fascist Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secrets Of The Fascist Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Secrets Of The Fascist Era books and manuals for download and embark on your journey of knowledge?

## **FAQs About Secrets Of The Fascist Era Books**

1. Where can I buy Secrets Of The Fascist Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
