

## A BLUEPRINT FOR CPTED

What do Crime Prevention Through Environmental Design (CPTED) principles look like in practice? Small design changes like landscaping or maintenance can have major payoffs when it comes to protecting a facility.

### NATURAL SURVEILLANCE

Establish clear sightlines from building windows and employee areas across the property.

### DIRECTIONS

Clearly defining the rules and expected conduct within a facility helps drive positive behavior and lets staff quickly identify people who refuse to comply.

### PHYSICAL ACCESS CONTROL

Use landscaping, sidewalks, crosswalks, and other physical guidance to drive visitors and the intended entrance.

### TERRITORIAL REINFORCEMENT

Use fences, hedges, and signage to reinforce the message that the company's property is private.

### SOCIAL MANAGEMENT

Adding community-building areas such as picnic tables or green space where employees can relax and socialize helps to encourage a sense of ownership of the workplace.

### MAINTENANCE

Keep shrubs trimmed to below 2 feet, tree trunks clear up to 5 feet, and signage changed out to build a sense that the facility is cared for.
