**Women & Literature**, 1975 Annual bibliography by *The Fallen Angel* Sally Mitchell, 1981 Discusses the figure of the unchaste woman in a wide range of fiction written between 1835 and 1880 including serious novels by Dickens Mrs Gaskell and George Eliot popular novels that provided light reading for middle class women sensational fiction propaganda for social reform and stories in cheap periodicals which reached a different and far wider audience than either serious or popular novels During these years some women were struggling to become women instead of the angels of purity that sentimental morality had made of them The sexual woman the whore the mistress the runaway wife the seduced or fallen innocent all attracted a cluster of ideas about the differences between women and men about the power structure in sexual relationships and about women's place in the social and moral world In considering these topics this book traces women and illuminates differences in the fiction writer for different social classes Publisher description **Kate Chase and William Sprague** Peg A. remains an important starting point Whereas new historicism is interested in history as represented and recorded in written documents and tends toward a parallel study of literature and non literary texts archival criticism tends toward recognised oftentimes canonical or critically lauded writers presented in Part 1 Sidestepping the vicissitudes of canon formation manuscript scholars tend to gravitate toward leading modernist authors James Joyce Ezra Pound Virginia Woolf Gertrude Stein T S Eliot and Samuel Beckett Part of the reason is obvious known authors frequently leave behind sizeable literary estates which are then acquired by research centres A second section then applies the same empirical methodology to key or emergent themes in the study of modernism including queer modernism spatial modernism little magazines and online finding aids structuring them and the role of faith and or emotions in the construction of modernism as we know it

**Dorothy Wordsworth and Hartley Coleridge** N. Healey, 2012-04-05 This book provides a reassessment of the writings of Hartley Coleridge and Dorothy Wordsworth and presents them in a new poetics of relationship re evaluating their relationships with William Wordsworth and Samuel Taylor Coleridge to restore a more accurate understanding of Hartley and Dorothy as independent and original writers Heroines, new edition Kate Zambreno, 2024-03-05 A manifesto reclaiming the wives and mistresses of literary modernism that inspired a generation of writers and scholars reissued after more than a decade I am beginning to realize that taking the self out of our essays is a form of repression Taking the self out feels like obeying a gag order pretending an objectivity where there is nothing objective about the experience of confronting and engaging with and swooning over literature On the last day of December 2009 Kate Zambreno then an unpublished writer began a blog called Frances Farmer Is My Sister arising from her obsession with literary modernism and her recent transplantation to Akron Ohio where her partner held a university job Widely reposted Zambreno s blog became an outlet for her highly informed and passionate rants and melancholy portraits of the fates of the modernist wives and mistresses reclaiming the traditionally pathologized biographies of Vivienne Eliot Jane Bowles Jean Rhys and Zelda Fitzgerald writers and artists themselves who served as male writers muses only to end their lives silenced erased and institutionalized Over the course of two years Frances Farmer Is My Sister helped create a community of writers and devised a new feminist discourse of writing in the margins and developing an alternative canon In Heroines Zambreno extends the polemic begun on her blog into a dazzling original work of literary scholarship Combing theories that have dictated what literature should be and who is allowed to write it she traces the genesis of a cultural template that consistently exiles feminine experience to the realm of the minor and diagnoses women for transgressing social bounds ANXIETY When she experiences it it s pathological writes Zambreno When he does it s existential With Heroines Zambreno provided a model for a newly subjectivized criticism prefiguring many group biographies and forms of autotheory and hybrid memoirs that were to come in the years to follow A book that has become its own canon Heroines was named one of the 50 Books that define the past 5 Years in Literature by Flavorwire an Essential Feminist Manifesto by Dazed and one of the 50 Greatest Books by Women in Buzzfeed **Art in**

**Contemporary Anglo-American Fiction** Sofie Behluli, 2025-05-30 This book addresses the recent surge of Anglo American novels about visual art since the 2010s and interprets it as a coming of age of an old literary sub genre which is here termed as the ekphrastic novel These novels are distinguished by their systematic use of ekphrasis which creatively and critically negotiates the intertwined aesthetics of literature and visual art By addressing the challenge of representing visual images such as photographs paintings and art installations with words these novels reveal a greater interest in exploring how and why we engage with art rather than merely depicting the art itself In this way ekphrastic novels present themselves as powerful practitioners and critics of contemporary image making The book focuses on four aspects emerging from ekphrastic passages value form affect and scale to explore critical questions posed by contemporary ekphrastic novels Who has the power to assign value today and at what cost Which social political historical cultural and ethical dimensions are obscured by certain forms and how can ekphrasis re introduce these aspects into public discourse What affects do images and artworks elicit and how do they reinforce or challenge existing value systems How can narrative scale uncover potential injustices in the interplay between life and art Moreover what insights do ekphrastic novels offer into contemporary reading habits and strategies By tracing a literary tradition from nineteenth century to contemporary fiction and offering detailed close readings of several critically acclaimed and widely read contemporary novels this book delves into the theoretical and practical intersections of ekphrasis and the novel

Shaw's Ibsen Joan Templeton, 2018-02-16 This book argues that Shaw was a masterful reader of

Ibsen's plays both as texts and as the cornerstone of the modern theatre Dismantling the notion that Shaw distorted Ibsen to promote his own view of the world and establishing Shaw's initial interest in Ibsen as the poet of Peer Gynt it chronicles Shaw's important role in the London Ibsen campaign and exposes the falsity of the tradition that Shaw branded Ibsen as a socialist Further this study shows that Shaw's famous but maligned *The Quintessence of Ibsenism* reflects Ibsen's own anti-idealist notion of his work and argues that Shaw's readings of Ibsen's plays are pioneering analyses that anticipate later criticism It offers new readings of Shaw's Ibsenist plays as well as a comprehensive account of Ibsen's importance for Shaw's dramatic criticism from his early journalism to *Our Theatres of the Nineties* both as a weapon against the inanities of the Victorian stage and as the standard bearer for modernism

### **Madness and Sexual Politics in the Feminist Novel**

Barbara Hill Rigney, 1978 A greater part of the feminist movement has considered traditional psychology to be both a product and a defense of the status quo a patriarchal society Here Barbara Hill Rigney explores emerging feminist psychology by applying it to literary works by women who have depicted the relationship between madness and the female condition The result is a fascinating and illuminating exposition certain to be welcomed by students and scholars in literature and women's studies as well as those in sociology and psychology whose interests include feminism and problems of women and society Among the works Rigney considers are Charlotte Brontë's *Jane Eyre* Virginia Woolf's *Mrs Dalloway* Doris Lessing's *The Four Gated City* and Margaret Atwood's *Surfacing* all of which depict insanity in relation to sexual politics These authors portray a patriarchal social system which in itself manifests symptoms of collusive madness in the form of war or sexual oppression and is thereby seen as threatening to female psychological survival Each of Rigney's author subjects sees her protagonist as tragically divided between male society's prescribed roles for women and a sense of an authentic self Thus emerges a pattern common to all works in which the divided self is reflected by the inevitable juxtaposition of the protagonist to a doppelgänger an insane self an extension of the protagonist who herself can be regarded as sane only by degree A return to true sanity is traced through the patterns found in the selected works Rigney explores the literary metaphor of the return of Demeter or the Amazon mother to restore the alienated female protagonists In order to begin the return from psychosis Rigney concludes they must find the mother within themselves in the form of a feminist consciousness of self worth
