Seduction Of Hillary Rodham:

The Seduction of Hillary Rodham David Brock,1998-02-02 Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband s government career in Arkansas her involvement in his presidency her family life and other related topics **The Seduction of Hillary Rodham** Cathryn Ladame,David Brock,1996-10 A detailed portrait of one strong willed woman s struggle to maintain her personal and political integrity in the face of powerfully seductive forces concluding that the First Lady is neither the untarnished icon nor the scheming Lady Macbeth but a public figure who is yet to be understood *Hillary's Choice* Gail Sheehy,2000-02-28 Why does she stay with him Where does she go from here The author who revealed a generation s Passages now answers all the questions about the most talked about First Lady in American history In *Hillary s Choice* Hillary Clinton is rendered fully human for the first time Here is the life of a woman that is also the story of a marriage and the drama of a presidency From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president from the sexual betrayals that nearly broke her to the national scandal that remade her this is the epic journey of a modern American woman a saga that begins in passivity moves through self punishment and ends in power Who was the one other woman who posed a serious threat to their marriage What was the real reason for the health care failure How did Hillary escape the snare of Kenneth Starr How has she managed through it all to be a good mother No matter what her future the mysteries about Hillary Clinton s past have been fully resolved by *Hillary s Choice* a stunning achievement from a master chronicler of our times **Hillary's America** Dinesh D'Souza,2016-07-18 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **A Woman in Charge** Carl Bernstein,2007-06-05 The nuanced definitive biography of one of the most controversial and widely misunderstood figures of our time the woman running a historic campaign as the 2016 Democratic presidential nominee Hillary Rodham Clinton Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records Pulitzer Prize winning journalist and bestselling author Carl Bernstein has given us a book that enables us at last to address the questions Americans are insistently even obsessively asking Who is she What is her character What is her political philosophy And what can we expect from Hillary if we elect her President of the United States *Hillary Rising* James D. Boys,2016-01-26 On 12 April 2015 Hillary Clinton formally announced her intention to run for President in 2016 casting herself as the champion of everyday Americans With near universal name recognition and the promise to make history as the first female occupant of the Oval Office all seems set for Hillary to secure the one role that has eluded her to date but what drives this most intriguing and polarising of political figures Will she be able to shake off her past mistakes and finally secure the Democratic Party s nomination What are her chances of winning the White House And perhaps more importantly what kind of President would she make Drawing on original interviews with close associates of both Bill and Hillary as well as a wealth of recently declassified materials from the

Clinton archive James D Boys offers a clear sighted non partisan analysis of Hillary s rise to the pinnacle of American power revealing the political ideology and core principles that have remained a constant throughout **Ready for Hillary?** Robin Renwick,2014-11-11 Hillary Rodham Clinton was the first First Lady to have her own office in the West Wing of the White House and the only First Lady ever to be subpoenaed to testify before a grand jury Upon leaving the White House she was elected as the first female Senator for New York then served as one of America s most popular Secretaries of State Will she now become the first female President of the United States Hillary is poised to decide whether she will launch a fresh attempt to take the highest office in the world and make history in doing so But what is Hillary really like Will she run Can she win What can the world expect from Hillary if she does get back to the White House What sort of President would she be Robin Renwick who was the British ambassador in Washington when the Clintons arrived in the White House seeks to answer these questions and more in this vivid portrait of one of the most polarising and central figures in recent US political history

The Clintons' War on Women Roger Stone,Robert Morrow,2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he s learned since the hardcover s release [The Myth of Russian Collusion](#) Roger Stone,2019-02-19 For the first time in paperback New York Times best selling author Roger Stone s insider tell all about the presidential campaign that shocked the world This consummate political strategist continues to be front page news and has updated the book to respond to Robert Mueller s charges Two years ago Roger Stone a New York Times bestselling author longtime political adviser and friend to Donald Trump and consummate Republican strategist gave us *Making of the President 2016* the first in depth examination of how Trump s campaign delivered the biggest presidential

election upset in history But since then the Deep State political establishment has worked tirelessly to undo those results The Myth of Russian Collusion adds to and updates Stone s initial work to set the record straight Trump s election win was a resounding repudiation of the failed leadership of both parties The American people wanted something new and President Trump has delivered his tax cuts and regulatory rollbacks have given us the strongest economy in American history he is relentless in his efforts to protect American citizens and he refuses to do business as usual But America s ruling elite and liberal media feeling threatened have conspired to create the biggest witch hunt in our country s history The phony narrative that Trump was in cahoots with Vladimir Putin Mueller s charges that Roger Stone knew about the Wikileaks emails before release all is debunked here With a new introduction that responds to the Mueller investigation The Myth of Russian Collusion is the true story of the Trump campaign that the establishment doesn t want you to believe **Hidden Power** Kati Marton,2010-09-22 An engrossing look at twelve presidential marriages from Edith and Woodrow Wilson to Laura and George W Bush that have profoundly affected America s history Insightful Colorful A shrewd and illuminating look at the juncture where the personal and the political overlap The Wall Street Journal Marton uncovers the behind the scenes dynamics of the ultimate power couples showing how first ladies have used their privileged access to the president to influence staffing promote causes and engage directly in policy making Edith Wilson secretly ran the country after Woodrow s debilitating stroke Eleanor Roosevelt was FDR s moral compass And Laura Bush initially shy of any public role has proven to be the emotional ballast for her husband Through extensive research and interviews Marton reveals the substantial yet often overlooked legacy of presidential wives providing insight into the evolution of women s roles in the twentieth century and vividly depicting the synergy of these unique political partnerships **American Voices** Bernard K. Duffy,Richard Leeman,2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America s most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes **The Making of the President 2016** Roger Stone,2017-01-31 In

the tradition of Theodore White's landmark books the definitive look at how Donald J Trump shocked the world to become president From Roger Stone a New York Times bestselling author longtime political adviser and friend to Donald Trump and consummate Republican strategist comes the first in depth examination of how Trump's campaign tapped into the national mood to deliver a stunning victory that almost no one saw coming In the early hours of November 9 2016 one of the most contentious polarizing and vicious presidential races came to an abrupt and unexpected end when heavily favored presidential hopeful Hillary Clinton called Donald J Trump to concede shocking a nation that had only hours before given little credence to his chances Donald Trump pulled the greatest upset in American political history despite a torrent of invective and dismissal of the mainstream media Stone a long time Trump retainer and confidant gives us the inside story of how Donald Trump almost single handedly harnessed discontent among Forgotten Americans despite running a guerrilla style grass roots campaign to compete with the smooth running and free spending Clinton political machine From the start Trump's campaign was unlike any seen on the national stage combative maverick and fearless Trump's nomination was the hostile takeover of the Republican party and a resounding repudiation of the failed leadership of both parties whose policies have brought America to the brink of financial collapse as well as endangering our national security Here Stone outlines how Donald Trump skillfully ran as the anti Open Borders candidate as well as a supporter of American sovereignty and how he used the Globalist trade deals like NAFTA to win over three of ten Bernie Sanders supporters The veteran adviser to Nixon Reagan and Trump charts the rise of the alt conservative media and the end of the mainstream media monopoly on voter impacting information dissemination This is an insider's view that includes studying opposition research into Bill Hillary and Chelsea Clinton's crimes and the struggle by the Republican establishment to stop Trump and how they underestimated him Stone chronicles Trump's triumph in three debates where he skillfully lowered expectation levels but skewered Mrs Clinton for the corruption of the Clinton Foundation her mishandling of government email and her incompetence as Secretary of State Stone gives us the inside word on Julian Assange Wikileaks Clinton campaign chief John Podesta Huma Abedin Anthony Weiner Carlos Danger Doug Band Jeffery Epstein and the efforts to hide the former first lady's infirmities and health problems Stone dissects the phony narrative that Trump was in cahoots with Russian strongman Vladimir Putin or that the emails released by Wikileaks came from the Russians The Making of the President 2016 reveals how Trump brilliantly picked at Hillary Clinton's weaknesses particularly her reputation as a crooked insider and ignited the passions of out of work white men and women from the rust belt and beyond at a time when millions of Americans desperately wanted change Stone also reveals how and why the mainstream media got it wrong including how the polls were loaded and completely misunderstood who would vote Stone's analysis is akin to Theodore H White's seminal book The Making of the President 1960 It is both a sweeping analysis of the trends that elected Trump as well as the war stories of a hard bitten political survivor who Donald Trump called one tough cookie

Women and the Criminal Justice System Katherine Stuart van Wormer, Clemens

Bartollas,2021-12-30 This book presents an up to date analysis of women as victims of crime as individuals under justice system supervision and as professionals in the field The text features an empowerment approach that is unified by underlying themes of the intersection of gender race and class and evidence based research Personal narratives supplement research and statistics to help students connect the text material with real life situations This new edition is informed by consideration of major ongoing social movements such as MeToo Black Lives Matter and the fight to reduce mass incarceration The text stresses contemporary topics such as recognition of lesbian bisexual and transgender issues in juvenile and adult facilities the introduction of trauma informed care in detention centers and prisons the criminalization of Black girls and women the effects of an increasingly militarized police culture and the contributions of Ruth Bader Ginsburg and other influential women With its emphasis on critical thinking this text is ideal for undergraduate courses concerning women in the justice system

Partisan Sex Fedwa Malti-Douglas,2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties *Partisan Sex Bodies Politics and the Law in the Clinton Era* explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton s breakfasts and the rise of a society of voyeurs Amazon com

Stench David Brock,2024-09-17 A blistering expos of Clarence Thomas and the conservative regime of corruption that has usurped the Supreme Court by a Democratic activist and former Republican political operative Public confidence in the Supreme Court has plummeted to new lows in the last few years and for good reason In the past three decades six conservative justices have gained a supermajority through questionable means a dubious intervention in a presidential election perjury during Senate testimony and a GOP Senate Leader s unethical blockade of a Supreme Court nomination Behind this strategic dismantling of our Supreme Court is a vast well funded political machine backed by the extreme right wing Federalist Society the notoriously secretive Catholic organization Opus Dei and GOP megadonors operating from behind closed doors Armed with an insider s perspective from his time within the conservative movement David Brock reveals how the efforts to stack the Court in service of extreme right wing interests stem from a decades long strategy to weaponize our judicial system into an extension of the Republican Party itself *Stench* investigates the ethics scandals that surround Clarence Thomas and his wife the right wing activist Ginni Thomas culling new material from Thomas s accusers along with original reporting and Brock s firsthand knowledge of the inner workings of the GOP *Stench* is a staggering expos one that only Brock could write exhaustive in its research and revelatory in its access to the world of what has effectively become the Thomas Court

women of the Wellesley class of 1969 entered the ivory tower they were initiated into a rarefied world Many were daughters of privilege many were going for their MRS But by the time they graduated four years later they faced a world turned upside down by the Pill NOW student protests the counterculture and the Vietnam War In this social history Miriam Horn retraces the lives of women caught on a historic cusp This generation was the first to test drive modern rules that remain complicated and contentious regarding sexuality marriage motherhood paid work spirituality aging and the difficulties of reconciling public and private life The result is a story of uncommon subtleties and vibrancy that reflects this generation s fateful choices

Do All the Good You Can Gary Scott Smith,2023-10-10 Methodism in the public and private lives of the politician After more than forty contentious years in the public eye Hillary Rodham Clinton is one of the best known political figures in the nation Yet the strong religious faith at the heart of her politics and personal life often remains confounding if not mysterious to longtime observers Even many of her admirers would be surprised to hear Clinton state that her Methodist outlook has been a huge part of who I am and how I have seen the world and what I believe in and what I have tried to do in my life Gary Scott Smith s biography of Clinton s journey in faith begins with her Methodist upbringing in Park Ridge Illinois where she faithfully attended worship services Sunday school and youth group meetings Like many mainline Protestants Clinton s spiritual commitment developed gradually throughout childhood while her combination of missionary zeal and impressive personal talents has informed her career from the time of her pro bono work at Yale on behalf of children to the present Her Methodist faith has been very important to many of Clinton s high profile endeavors and in helping her cope with the prominent travails brought on by two presidential campaigns never ending conservative rancor and her husband s infidelity Smith s account examines Clinton s faith in the context of work ranging from her 1990s pursuit of healthcare reform to a Hillary doctrine of foreign policy focused on her longtime goal of providing basic human rights for children and women a project she saw as essential to United States security The result is an enlightening reconsideration of an extraordinary political figure who has defied private doubts and public controversy to live by John Wesley s dictum Do all the good you can by all the means you can in all the ways you can in all the places you can at all the times you can to all the people you can as long as ever you can

The Long March Roger Kimball,2001-06-01 In *The Long March* Roger Kimball the author of *Tenured Radicals* shows how the cultural revolution of the 1960s and 70s took hold in America lodging in our hearts and minds and affecting our innermost assumptions about what counts as the good life Kimball believes that the counterculture transformed high culture as well as our everyday life in terms of attitudes toward self and country sex and drugs and manners and morality Believing that this dramatic change cannot be understood apart from the seductive personalities who articulated its goals he intersperses his argument with incisive portraits of the life and thought of Allen Ginsberg Norman Mailer Timothy Leary Susan Sontag Eldridge Cleaver and other cultural revolutionaries who made their mark For all that has been written about the counterculture until now there has not been a chronicle of how this revolutionary movement

succeeded and how its ideas helped provoke today's culture wars. *The Long March* fills this gap with a compelling and well-informed narrative that is sure to provoke discussion and debate. — *Dead Center* Georgia Jones Sorenson, James Macgregor Burns, 1999-11-26

The urgent question of our time is whether we can make change our friend and not our enemy. To renew America we must be bold, must revitalize our democracy. Together with our friends and allies we will work to shape change lest it engulf us. With those inaugural words William Jefferson Clinton began his first term as President of the United States. Now a Pulitzer Prize-winning historian and a former White House aide provide the first penetrating, thoughtful evaluation of President Clinton's leadership. Before he was voted into office, Bill Clinton told the authors in an interview that he wanted to be a transforming leader, a president who would fashion real and lasting change in people's lives in the tradition of Franklin Delano Roosevelt. But how has this president, who has sought to lead from the center with his vice president Al Gore and the First Lady Hillary Rodham Clinton, measured up against his own stated goals and the aspirations and performances of other presidents since World War II? From the health care debacle and the 1994 midterm elections that swept the Republicans to a majority in both houses of Congress to the effect of scandal and impeachment on his ability to govern, *Dead Center* examines the leadership style of Bill Clinton and offers a forceful challenge to the strategy of centrism. There is no more respected presidential historian than James MacGregor Burns, author of several acclaimed books on leadership and the Pulitzer Prize-winning study of Franklin D. Roosevelt. Georgia J. Sorenson adds her own insights as a political scientist and presidential scholar. Their combined efforts have resulted in an incisive, informative, authoritative work and an absorbing read. — **The Truth About Hillary** Edward Klein, 2005-06-21

Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public, especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography *Living History*. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.
