See No Evil The Existence Of Sin In An Age Of Relativism:

Sin in Origen's Commentary on Romans Stephen Bagby, 2018-04-30 Sin in Origen's Commentary on Romans examines Origen as a critical third century voice seeking to articulate a cogent doctrine of sin and presents his magisterial Commentary on Romans as a unique window to understanding his mature thought on the subject It argues that Origen's teaching on original and volitional sin demonstrates continuity with and divergence from the prevailing theological tradition It offers a substantial revisionist account of the thought of one of the most important thinkers in early Christianity and takes up important anthropological and soteriological questions in Origen as presented in a key but often neglected text in Origen's corpus of biblical commentary

See No Evil Harry Lee Poe, 2004 A ground breaking and articulate look at sin and evil Poe establishes a compelling biblical argument for defining sin in terms of broken relationship rather than violation of absolutes a perspective that readily relates to people of all ages Harry Poe is one of the preeminent worldview thinkers in America today

What God Knows Harry Lee Poe, J. Stanley Mattson, 2005 When Einstein destroyed the old view of the universe he destroyed the old notion of time with it His new theory explained that time is a dimension of the physical cosmos like space and like space it is relative This collection of essays by theologians physicists and philosophers explores the theoretical aspects of the problem of time and its implications for faith and the understanding of God

Christian Apologetics Douglas Groothuis, 2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity

Proclaiming Jesus Thomas H. L. Cornman, 2007-01-01 In the days immediately following 9 11 Joseph Stowell attended a special Chicago Prayer Breakfast He was encouraged to learn there was much interest in God and spirituality among the attendees He was troubled however by the subtle implication common among the speakers that day that Jesus with His exclusive claims was unwelcome That given the broad diversity of religions in America we now need to give up the traditions that divide those of us who believe in God Stowell left the breakfast even more determined to preach the centrality of Christ

in the church Proclaiming Jesus is a collection of essays written by faculty of the Moody Bible Institute in honor of Dr Stowell that take up the message he proclaimed making it clear that every area of church life and ministry is about Jesus

A Redemptive Theology of Art David A. Covington, 2018-05-01 A Redemptive Theology of Art develops a biblical systematic and practical theology of aesthetics It begins with the roots and ontology of aesthetics vs art and the architecture and narrative of affection and passion their woes and their glory Those who would search the Bible find little support for art as commonly conceived in the West The language of aesthetics applied to the maker's intentions the qualities of the work and the responses of the audience better addresses the questions of beauty and better suits the discussion of human actions beliefs and culture than the language of art does The Bible yields more consistent and helpful answers to questions about the broader category of aesthetics than it does to questions about art leading in turn to better questions and a more practical and theological appreciation of human affections beauty and delight and the many paths by which people including Christians pursue them Using the categories and definitions from Scripture Covington gives hope and help not only for those who labor in the arts but for everyone who cares about the passions that motivate us We were made for God's delight and though sin and bondage plague our passions God can shape our feelings desires affections and aversions Feelings are neither objective nor subjective they are redeemable Borrowing key ideas from other Christian writers on the arts or aesthetics Covington explores the connection between orthodox Protestant theology and a responsible respectful treatment of arts artists and all aesthetic fields of human work and speech

C. S. Lewis Remembered Harry Lee Poe, 2009-05-26 What was it like to have C S Lewis as a teacher Most people know C S Lewis through his writings but in his lifetime he was first and foremost a teacher Now those who were influenced by what they learned from his teaching offer a unique view of one of the most influential Christian writers of all time What was it like to study under C S Lewis when he taught at Oxford and Cambridge How did his influence and teaching create a legacy that has influenced educators since C S Lewis Remembered is a collection of interviews and essays that offer personal perspectives on Lewis the teacher and Lewis the man These recollections portray him in all his humanity both the irascibility and the brilliance both the ferocity of his intellectual precision and the eagerness of his curiosity Some of this book's contributors

chose to study with Lewis because of his Christian faith Others admired him as a scholar but never shared Lewis's interest in religion Still others shared his mere Christianity but differed with him over his Protestantism But all of them came into contact with Lewis when they were young adults whether they were students colleagues or those who knew him informally as a teacher Many of them followed in his footsteps and became educators as well Former students such as W Brown Patterson Peter Milward and Peter Bayley talk about what it was like to study under Lewis A recent lecture by Walter Hooper and essays by such noted scholars as Barbara Reynolds offer additional insight on Lewis and his influence Also included are pieces by Lewis's godson Lawrence Harwood a transcript of an interview with Owen Barfield a friend who knew Lewis from the time Lewis returned to Oxford after World War I and who played an important role in Lewis's shift from atheism to belief in God and a hitherto unpublished sketch of Lewis by Mary Shelley Neylan In addition an article that appeared in *SF Horizons* a magazine for science fiction fans offers a transcript of a taped conversation between C S Lewis Kingsley Amis and Brian Aldiss

Calvinism E. Ray Clendenen, Brad J. Waggoner, 2008 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks.org

Christianity, Education and Modern Society William Jeynes, Enedina Martinez, 2007-10-01 The issues that these authors address in this book are some of the most salient in American society It is imperative that Americans today address these issues and establish an appropriate world view There is little question that how people resolve these issues will have a long lasting impact on the future of civilization

Dockery, 2008 When former United States presidents Jimmy Carter and Bill Clinton announced the establishment of a broadly inclusive New Baptist Covenant that will be launched in early 2008 excluded from the proceedings were leaders from the Southern Baptist Convention SBC Recognizing the need for both conviction and cooperation for confessional commitments and biblical unity Union University president David Dockery rallies Southern Baptists anew for such a time as this in Southern Baptist Consensus and Renewal a prophetic clarion call to cooperation unity and renewal throughout the SBC Many issues today
