

A vibrant sunset scene over a calm ocean. The sun is a bright yellow orb on the horizon, casting a long, shimmering reflection down the center of the water. The sky is a mix of orange, yellow, and purple, with scattered dark clouds. In the foreground, a series of concentric, wavy lines in shades of blue and green create a textured, almost hypnotic effect, resembling sand patterns or a close-up of water ripples. The overall mood is peaceful and contemplative.

The Leader's Lobotomy - a Fable Anthony López, 2008-12 This fictional short story is this author's attempt at using a bit of humor to address a subject of profound significance the leader's need to ensure that they practice the most fundamental and important elements of leadership Although fictional many will relate to this story which at times admittedly takes on an autobiographical feel This is the third book in the Legacy Leader series The first The Legacy Leader began with my thesis that of all the traits a leader can and must possess only two are non negotiable Those two non negotiable qualities of a leader are character and integrity It also addressed what can be labeled as the mechanics of leadership The second book in the The Legacy Leader Series is Breakthrough Thinking It addressed what the leader must do to drive teams to accomplish things they would have initially thought impossible In this third volume The Leader's Lobotomy we will prick the memories of leaders who having reached positions of significant responsibility in their organizations suddenly and without warning develop the horrible disease called PIA Promotion Induced Amnesia Fortunately there is an effective antidote to PIA For leaders who are self aware and who possess healthy levels of emotional intelligence PIA is rarely fatal However not all are so lucky and PIA has sadly become the leading cause of premature termination of many leaders In this story Ted Jim's Corporate Guardian Angel CGA tutors Jim a newly promoted executive on important leadership fundamentals to ensure that he does not become infected with PIA and suffer the same ill fate as other less fortunate leaders In his own unique and sometimes humorously sarcastic style Ted helps Jim to practice timeless leadership principles that have been the cornerstone of other successful leaders

What a sad lonely little life I have lived he thought Another New Year s Eve was ticking down and he had been in bed for three hours Just he and the cat There was always a cat God I have become my crazy aunt Peg He didn t know Peg but he had heard the stories Peg had a hundred cats She never met one she didn t take home and keep It wasn t true of course but that didn t stop the relatives from spreading gossip She hardly ever went to family functions She s a loner lives out there with her cats alone in that old home He thought that was probably a plus in the column of pluses and minuses for her He spent way too much time in the company of the people who gossiped He thought he would have liked crazy Aunt Peg He much preferred the company of his cat over them Still he knew something they didn t He had never been alone not since the summer of his eighth year Things changed that summer of 1966 He fell in love She was tiny and blonde with bright warm blue eyes He did not know how he knew this but he did He played alone to any who watched She never left his side in his mind She rambled and talked and he admired that about her It was not that he was shy He was contemplative His mind had this gift of instant analysis He could figure the angles and trajectories the weight and velocities of all that moved He counted the ticks between the seconds and listened to the innocence of her voice She had the cutest lilt as she told a story that excited her He didn t know how he knew this any more than he knew what she looked like But know he did She was kind sweet and gentle She had a smile in her eyes even through the tears She cried a lot he knew but most of it was from joy He admired that about her She was generous with her emotions He could not afford them He hardly ever cried He hardly ever smiled except with her That smile was for her She was the only one who ever saw it It hid in the corners of his mouth He felt it more than he saw it but it was there he knew Pensive That was the word his parents used Pensive little bastard Engaged in involving or reflecting deep or serious thought He had looked it up He looked up the word bastard too Born of parents not married to one another He did not put much thought into that He did not put much thought into them at all He could not see a connection to them at all if he was honest about it Perhaps they had stolen him he sometimes thought For what his parents lacked his grandparents made up for That and the little girl What if I was only meant to write for you That this is what it was always about What if my only purpose was to make you fall in love and find your heart again That the universe wanted the world to know your heart To be honest with you I m good with that I found everything I ever wanted in you *See You at the Finish Line* Donald J.
