Just Right Lee Edwards,2023-10-10 Lee Edwards has always been in the forefront of the struggle to restore America to bring it back to its ancient moorings Lee has fought hard with uncommon intelligence and resourcefulness But he has fought fair and always without rancor Truly a man for all seasons President Ronald ReaganLee Edwards is not just a leading historian of the conservative movement he has been an active player in the movement longer than anyone else As the Daily Caller noted in a recent profile Edwards has lived conservative history like none other And he brings that history to life in *Just Right* This memoir is full of colorful stories from a man who has been present at nearly every major event of the modern conservative movement and has done it all in a remarkable multifaceted career *Just Right* reveals Edwards s insider account of Barry Gold water s pivotal 1964 presidential campaign for which he ran national publicity How he wrote the first political biography of Ronald Reagan and discovered early on that Reagan was a secret intellectual who read Hayek Bastiat and Chambers Excerpts from his fifty year long correspondence with William F Buckley Jr revealing new aspects of WFB Why the New York Times dubbed Edwards The Voice of the Silent

Majority How he organized the largest public demonstration in support of our men in Vietnam How he created the Victims of Communism Memorial in Washington pushing against the federal bureaucracy for two decades to make it happen Lee Edwards's memoir appears at a critical time in the history of American conservatism In an inspiring chapter aimed at the rising generation Dr Edwards shows how conservatives can remain a major political and philosophical force in America [A Literary Cavalcade-VII](#) Robert A. Parker, 2017-04-19 Writer and editor Robert A Parker has followed up his six volume A Literary Cavalcade with a seventh volume This volume of criticism covers mainly the fiction he has read from 2013 to early 2017 His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement the effectiveness of plot character and setting plus their recognition of the moral ethical and spiritual values of mankind Here is a unique critical perspective that measures the meaning of literature against the meaning of life **Flying High** William F. Buckley Jr., 2009-04-08 If any two people can be called indispensable in launching the conservative movement in American politics they are William F Buckley Jr and Barry Goldwater Buckley's National Review was at the center of conservative political analysis from the mid fifties onward But the policy intellectuals knew that to actually change the way the country was run they needed a presidential candidate and the man they turned to was Arizona Senator Barry Goldwater Goldwater was in many ways the perfect choice self reliant unpretentious unshakably honest and dashing handsome with a devoted following that grew throughout the fifties and early sixties He possessed deep integrity and a sense of decency that made him a natural spokesman for conservative ideals But his flaws were a product of his virtues He wouldn't bend his opinions to make himself more popular he insisted on using his own inexperienced advisors to run his presidential campaign and in the end he electrified a large portion of the electorate but lost the great majority Flying High is Buckley's partly fictional tribute to the man who was in many ways his alter ego in the conservative movement It is the story of two men who looked as if they were on the losing side of political events but were kept aloft by the conviction that in fact they were making history [Cancel Your Own Goddam Subscription](#) William F. Buckley Jr., 2009-03-17 National Review has always published letters from readers In 1965 the magazine decided that certain letters merited different treatment and William F Buckley the editor began a column called Notes Asides in which he personally replied to the most notable and outrageous correspondence Culled from four decades of the column Cancel Your Own Goddam Subscription includes exchanges with such well known figures as Ronald Reagan Richard Nixon John Kenneth Galbraith A M Rosenthal Auberon Waugh Arthur Schlesinger Jr and many others There are also hilarious exchanges with ordinary readers as well as letters from Buckley to various organizations and government agencies Combative brilliant and uproariously funny Cancel Your Own Goddam Subscription represents Buckley at his mischievous best *Sequels* Janet G.
