Real Women Run Sandra Faulkner,2018-01-17 Real Women Run is an innovative feminist ethnography that consists of a series of linked essays and presentations about women who run at the intersections of queer feminist and running identities Faulkner uses feminist grounded theory poetic inquiry and qualitative content analysis to examine women s embodied stories of running how they run how running fits into the context of their lives and relationships how they enact or challenge cultural scripts of women s activities and normative running bodies and what running means for their lives and identities During a

two and a half year ethnography with women who run Faulkner engaged in an intersectional qualitative content analysis of websites and blogs targeted to women runners a grounded theory poetic analysis of 41 interviews with women who run and participant observation at road races Real Women Run speaks to the call for a more physical feminism This ethnography sees women s physical and mental strength developed through running as a way to embrace the contradictions between a deconstructed focus on the mind body split and the focus on individuals actual material bodies and their everyday interactions with their bodies and through their bodies with the world around them Run It Out Tom Dougherty,2022-05-03 Run It Out By Tom Dougherty When John receives a diary from his mom he s skeptical of its value at first After all what s a 12 year old boy got to write about anyway But he sticks it out Mom says it will help and things really haven t been the same since her diagnosis Offering a glimpse through the windows of a family battling breast cancer Tom Dougherty s Run It Out beautifully captures the perspective of a mother who understands the uncertainty of her future living with breast cancer and a son who does not see the nature of his mother s fight Among Monsters: A Red Hill Novella Jamie McGuire,2015 Being thirteen has pitfalls of its own but growing up has never been this hard Jenna had promised her mother that if the worst happened during her dad s weekend they would meet at Red Hill Ranch When she finds seven words spray painted on her dad s wall the morning after a deadly outbreak she makes a promise to herself to get to the ranch with her seven year old sister Halle and to get them both there alive Among Monsters is the companion novella to Red Hill both exploring from different perspectives what many broken families experience every other weekend What if your children aren t with you when the world ends What would you do to get to them What would they go through to get to you For Jenna seeing her mother again is worth everything Determined to keep her promise she is faced with experiences and decisions that force her to leave her childhood behind More Than a Doll Jodi Bondi Norgaard,2025-01-21 When Jodi Bondi Norgaard an experienced entrepreneur attempted to shake up the toy industry with a sports doll that appeals to today s more athletic adventurous girls she came to realize the roadblocks to success weren t only reluctant toy buyers but a patriarchal culture that perpetuates gender roles and sexism More Than a Doll is about her mission to break gender stereotypes and challenge the status quo Through illuminating testimonials data research interviews and cultural observations readers will come away with clear examples of the dangers of early gender stereotyping and how we continue to fail to see the harm After all It s just a toy It s just a t shirt It s just a show Bondi Norgaard is sounding the siren that gender inequality doesn t begin in our teens it begins the moment a child can hold a toy or book or watch a screen The programming starts early and the impact is lifelong **Twisted** James E.
