I Am. . . David Mitchell, 2022-06-08 A phrase we often use when describing ourselves is I am For many when we look at ourselves and describe what we see it is not what God intends We see ourselves through the lens of the way life has shaped us rather than the vision God has of us We need the corrective lens of God's word guided by His Holy Spirit to correct our vision You might ask What would be different about the way God sees me than the way I see myself Quite simply God knows all there is to know about you He knows you better than you know yourself When God sees you He sees you through the filter of His plans for you and His plans are significant When you see yourself through the eyes of God He enables you to finish the phrase beginning with I am in a different way This book challenges you to complete the thought using the same language to describe yourself God would use Once you see yourself through the eyes of God this vision will set you up for success giving you an outward focus and purposeful excitement as you wake up every morning

Living Healthy, God's Way Anne Maingi, 2013-03 Rather than instructing readers on how to actually lose or gain weight Living Healthy God's Way is more a book that's more concerned with God's way of acquiring a healthy lifestyle In today's world we tend to worry too much about our health we desire to live healthy to lose weight and some even to gain it We read books on dieting enroll ourselves in fitness classes but nothing ever really seems to work Often we are left feeling miserable uncomfortable in our own skin and seemingly locked in an endless battle with ourselves Many have given up trying and decided to live in their comfortable zones Did God create us to live an unhealthy lifestyle Did He create us and assume we would know how to take care of our bodies If you have tried everything searched for answers everywhere only one choice remains and that is in Living Healthy God's Way Publisher's website <http://sbpra.com/AnneMaingi>
