Seeds For The Future Growing Organic Leaders For Living Churches:

Seeds for the Future Robert D Dale, 2005-06-01 After more than twenty years of leading and lecturing on leadership models based on a CEO approach to leadership Robert Dale has taken a 180 degree turn Rather than the pry and push mechanical models of industry Dale has moved to an organic sow and grow approach The issue says Dale is whether or not congregational leaders really believe the church of Jesus Christ is alive If congregations are living communities they deserve to be lead in ways that plant seeds of faith in good seedbeds and then cultivate the seeds that germinate until harvest This very old biblical and very new postmodern way of conceptualizing leadership begins with growing leaders then moves to community health and growth In *Seeds for the Future* Robert Dale continually challenges church leaders to practice pastoral leadership in a new way He uses examples and coaching conversations to weave three growth processes into a practice model for living churches connecting centering and challenging This new model becomes interlocking ongoing processes for focusing living communities on growth and health A TCP Leadership Series title **Cultivating Perennial Churches**

Robert D. Dale, 2008 *Borderland Churches* Gary V Nelson, 2009-01-01 *Borderland Churches* is a call to embrace the pluralistic post Christian and postmodern culture with a sense of opportunity and hope The author uses the image of the church crossing over into an in between time a place where faith is lived outside the walls of the church engaging the community in incarnational ways To live in that precarious but exhilarating place where faith and other faiths and no faith meet Only individuals and congregations that accept this new reality will be able to carry on Christian ministry in this new cultural situation A TCP Leadership Series title **Evangelism Where You Live** Gene Wilkes, Stephen Pate, 2013-05-09

Coaching for Christian Leaders Chad Hall, Linda Miller, 2007-05-01 Miller and Hall center totally on the nature and ministry of Christian coaching They provide an overview of the growth and development of coaching and its application to Christian ministry They show core coaching skills and essential and supporting coaching skills The core skills of focused listening and asking powerful questions reappear throughout the book as the authors demonstrate in real life situations how to use them A TCP Leadership Series title *The Calling of Congregational Leadership* Larry L. McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L McSwain's forty years of experience can help guide you through these choices Rooted in research *The Calling of Congregational Leadership* teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch *The Calling of Congregational Leadership* is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God

in the world **Recreating the Church** Richard L Hamm,2009-08-01 Mainline denominations in the United States are in crisis These institutions created in and for modernity are now facing a changed postmodern culture Hamm faces the crisis examining its origins and offers sound advice on how to lead to church to make the adaptive changes needed to thrive in postmodern times A TCP Leadership Series title **Political Church** Jonathan Leeman,2016-03-02 What is the nature of the church as an institution What are the limits of the church s political reach Drawing on covenant theology and the new institutionalism in political science Jonathan Leeman critiques political liberalism and explores how the biblical canon informs an account of the local church as an embassy of Christ s kingdom Christ-Centered Coaching Jane Creswell,2006-05-01 Creswell draws from her extensive corporate and ministry coaching experience to provide ministers and other church leaders a clear definition of what coaching is and the seven basic benefits an individual church or group can receive through a qualified coach Solidly based in experience each chapter is built upon an actual scenario growing out of Creswell s own coaching experience Along with the illustration she provides scriptural teaching gives explicit information on the purpose and merits of coaching additional resources and tips for coaching *Enduring Connections* Janice A Haywood,2007-06-01 Enduring Connections gives churches and ministers significant guidelines for establishing a quality childhood ministry with preschoolers and grade schoolers Enduring Connections is especially helpful to ministers and directors of childhood ministry that are called from the laity to staff positions By focusing on building a childhood ministry that intentionally connects children to God and the community of faith through paths that are driven by relationship rather than programs Janice Haywood has produced a resource that will help churches of any size design their own unique ministry for children A TCP Leadership Series title **Operation Inasmuch** David W. Crocker,2009-08-01 Operation Inasmuch is a proven way to mobilize believers in hands on local church missions through one day ministries that have significant impact on both the community and the church It creatively combines how to with stories and testimonies that will inspire and energize local congregations Engaged in local mission projects participants gain spiritual renewal and continued commitment to respond to the needs of others in the community Operation Inasmuch is Christians doing the work of the church instead of church work They go beyond the walls of church buildings to apply God s love to human hurts and hopes wherever they are found A TCP Leadership Series title **Spiritual Leadership in a Secular Age** Edward H Hammett,2013-05-09 **Church Administration Handbook** Bruce P. Powers,2008-01-01 The third edition of the popular Church Administration Handbook pays special attention to modern issues of leadership ministry and missions The Church and the Surprising Offense of God's Love (Foreword by Mark Dever) Jonathan Leeman,2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God s love and God s gospel are different than what the world expects writes Jonathan Leeman They re centered in his character which draws a clear boundary between what is

holy and what is not It s this line that the local church should represent in its member practices because the careful exercise of such authority is God s means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God s Love responds with biblical theological and practical guidance from both corporate and individual perspectives It s a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority

I Am a Follower Leonard Sweet, Leonard I. Sweet, 2012 In this examination of leadership and followership Sweet proposes an intentional shift from leadership cults to followership cultures He critiques the issue of leadership obsession but focuses on reigniting a passion for the follow me theme found throughout the gospels and the entire New Testament

The Three Hardest Words Leonard Sweet, 2010-05-26 Three simple words I love you capture the heart of Jesus life and ministry These three words form the bottom line and top drawer of all his teachings And they remain the three hardest words in the world to get right Two pronouns and a verb have never been so difficult to grasp much less to practice Popular culture has ruined love s reputation by redefining it first as romance and then as lust But it s not just the meaning of the word love that causes so much confusion To fully understand love we also need to find out who we are in God s eyes and whom we are commanded to love Following Jesus can be described as the daily practice of all three words I Love You There is nothing more rewarding and nothing more risky Join Leonard Sweet in this eye opening life altering exploration of three simple one syllable words After all the lifestyle of love is the only life that Jesus calls you to live There is nothing more challenging than adopting the three word lifestyle of Jesus as your own Perhaps you have wondered why love seems to work for everyone else but not for you Or maybe you ve done your best to love those around you but it seems that life has drained your last drop of trust and affection Nothing is better than love when it s right and nothing is more destructive than attempts at love that fail to follow the Jesus prescription for a healthy life Jesus devoted his earthly life to saying these three words I love you and teaching us how to say them As Jesus defined love it takes everything you ve got and then even more which only God can give The lifestyle of love is not something you can master on your own but Jesus is ready to show you how Starting today you can learn to live I love you the three hardest words in the world to get right Leonard Sweet PhD serves as the E Stanley Jones Professor of Evangelism at Drew Theological School in Madison New Jersey He is also a Distinguished Visiting Professor at George Fox University in Newberg Oregon and founder and president of SpiritVenture Ministries He has written many books including Out of the Question Into the Mystery and the trilogy SoulTsunami AquaChurch and SoulSalsa

Me and We Leonard Sweet, 2014-09-16 When Christians answer the clarion call to be missional too often it is primarily to feel good or to grow in their own faith But ultimately we remain unsatisfied because in the end it s still about me my church my faith my salvation Then sometimes inspiration dries up We forget that Jesus is the head of the Church which exists at God s pleasure

and disposal God is birthing a new Social Gospel meant to reclaim mission and justice ministries as prime directives for the Church and not with the naive thinking of the 19th or 20th centuries What are the characteristics of this new Social Gospel There is an expectation that mission is with and not for others There is an acknowledgement that tolerance is not a dirty word and we have to find a peaceable way to live in our intercultural world It carries the Wesleyan impulse to change the world by working to build God s kingdom in this world It offers the grace and salvation of Christ to those in need believing that none are free unless all are free It means that we feed the hungry educate to poor and equip the powerless in tangible ways

Jesus Radical, Righteous, Relevant (eBook) Stephan Joubert,2012-01-18 JESUS RADICAL RIGHTEOUS RELEVANT invites readers to think in a radically different way about Jesus by exploring where exactly He fits into Christianity the church and their lives Author Stephan Joubert unlocks readers minds with a refreshing approach that enables them to determine where they belong in God s kingdom His church and His world JESUS RADICAL RIGHTEOUS RELEVANT guides readers to realize that Christians attach so much value to a church culture and have adapted the gospel to such an extent that Jesus has been pushed to the background JESUS RADICAL RIGHTEOUS RELEVANT is an open invitation to think differently about the Messiah to follow in Jesus footsteps and experience Him as never before *Giving Blood* Leonard Sweet,2014-03-25 A Groundbreaking Resource for Preaching If the church wishes to converse effectively with a culture it must learn the culture s language Today shifts in technology mean that language is increasingly one of symbols and metaphors stories and images not words So what does this mean for the sermon that long standing word based tradition of Christianity In this ground breaking resource bestselling author Leonard Sweet offers an alternative to traditional models of preaching one that is fitting to a new culture and a new mode of thinking The first book of its kind to move preaching beyond its pulpit centric fixation and toward more interactive participatory modes of communication Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post modern media saturated culture **Crossroads** Robert J. A. Doornenbal,2012
