Neil Hollander

Seeds Of Peace A Catalogue Of Quotations:

Seeds of Peace Jeanne Larson, Madge Micheels-Cyrus, 1986 *Reference Quarterly*, 1986 **Called to Live the Gospel** Marilyn Kielbasa, 1996 The older teens in your parish want a youth ministry program that exposes them to relevant real world topics in an active engaging way Horizons is an innovative comprehensive approach to religious education Its foundation is teacher led creative learning strategies that give students ample opportunities for discussion reflection and fun Designed for grades 9 12 Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish Seven core courses set the stage for discussing central and foundational themes Then choose from a wide selection of age appropriate minicourses to round out your curriculum and craft summer courses retreats and youth group activities The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum And on top of all that Horizons includes outstanding training resources You ll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere **Beyond Violence** Gerard Vanderhaar, 2013-09-01 Apocalyptic voices grow louder as we enter the new Millennium promising dire consequences for the fate of humanity our planet and our civilization But theirs are not the only voices around There are voices that are equally strong and full of hope courage and conviction Gerard Vanderhaar s voice is not apocalyptic but prophetic and full of passion He proposes a new direction one that will lead to a more workable world that of the Nonviolent Christ Vanderhaar shows how figures like Mahatma Gandhi Martin Luther King Dorothy Day and others have taken the example of the Nonviolent Christ as their guide for living and working justly and courageously in the world He then offers suggestions for incorporating gestures of peace and words of compassion and justice into our daily dealings at home at work with difficult people and as part of the political process He also shows how our attitudes toward money time and people can deeply influence our effectiveness in working for a better future **Universalising International Law** C.G. Weeramantry, 2004-04-01 Universalising international law is one of the most urgent tasks awaiting those who wish to advance the discipline Though all the world acknowledges its universal nature it has long been confined in a largely monocultural mould Indeed a tendency is sometimes discernible for international law to be compartmentalised and to function within a close cabinet of technical rules little known to those outside the ranks of specialists This volume looks initially at some general aspects of universalisation It thereafter adopts a universalist approach to some of the sources of international law and it deals with peace the bedrock of international law which likewise requires a universalist approach It is hoped that these studies will highlight the imperative need that now exists for extending the conceptual framework of international law thereby buttressing its moral authority and widening its appeal at a time when universal acceptance of international law is one of the most pressing demands of the international system **The Soul of Politics** Jim Wallis, 1995 The Soul of Politics responds to signs of cultural breakdown and political impasse with a resounding call to reintegrate politics and spirituality Wallis draws on his own experience in the

urban ghettos of Washington D C to show why traditional liberal and conservative options that emphasize either social justice or personal values fall short of solutions *Disarming the Church* Eric A. Seibert,2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in **Elusive Dove** Neil Hollander,2014-01-10 Most histories of World War I revolve around gruesome battles ribboned generals and feats of military heroism All too often the acts of those who tried to stop the fighting by word or deed have been drowned out by the roar of cannons Yet even in the heat of battle individuals of courage stepped forward and attempted to bring the better part of humanity out of darkness and to revive the phoenix of peace This book tells in detail the stories of these people and their organizations in Asia North and South America and Europe Henry Ford s peace ship of December 1915 the famous Christmas truce of 1914 secret diplomatic missions by Austro Hungarian Prince Sixtus and myriad other efforts are described showing that the desire for peace was widespread and fervent *Emotional Literacy* Patricia Sherwood,2008 Emotional Literacy The heart of classroom management is a pioneering book for primary school teachers counsellors and therapists who wish to develop emotional literacy skills in classroom situations **Women on War** Daniela Gioseffi,2003 An international anthology of women s writings from antiquity to the present *American Reference Books Annual* Bohdan S. Wynar,1988 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering **Dissident Discipleship** David Augsburger,2006-06-01 We all want to improve our spiritual lives but the task often can seem overwhelming And while there is no shortage of self help gurus hawking their wares not enough Christians are making meaningful progress toward a deeper relationship with God Now best selling author David Augsburger reveals the life giving nature of surrender and service in Dissident Discipleship Moving beyond self centered therapies and Lone Ranger spirituality Augsburger reveals that our spiritual lives will grow when we look outside of ourselves and lay down our lives in service to God and neighbor Anyone interested in the topic of spiritual growth from pastors to counselors will be sure to welcome Augsburger s balanced approach **A Just and Lasting Peace** Roger Craft Peace,1991 *A Brief History of the Future of Education* Ian Jukes,Ryan L. Schaaf,2018-12-28 The Future Tense of Teaching in the Digital Age The digital environment has radically changed how and what students need and want to

learn but have we radically changed how we deliver education Are educators shifting and adapting or stuck in the traditional That s the Way We ve Always Done It world In this book educators will be challenged to take action and adapt to a split screen classroom thinking and acting to accommodate today s learners versus allowing traditional practices by default Written with a touch of humor and a choose your own adventure approach the authors built chapters to be skimmed scoured or searched for interesting relevant or required material Readers will be able to jump in where it serves them best Consider predictions about what learning will look like in the future Understand and learn to leverage nine core learning attributes of digital generations Discover ten critical roles educators can embrace to remain relevant in the digital age Keep things simple concentrate on how learners learn and change your approach from present to future tense Sipapu ,1984

Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers, 1988 Bohdan S. Wynar,1988 Essential for reference work and indispensable for collection development this book allows librarians to locate the best new works in a given field through its convenient subject arrangement to consult other published reviews from the citations provided and to compare price scope and coverage of reference books in a particular subject area **The Workbook** ,1986

Alternative Library Literature ,1986 **Eleanor Roosevelt** ,1994-09-29 This annotated bibliography of the vast collection of works by and about Eleanor Roosevelt America s incomparable First Lady and global human rights leader is the most comprehensive yet made available The first part of the book is arranged chronologically with chapters on different types of her writings guides to archival materials and bibliographies books chapters introductions and forewords in books periodical articles newspaper columns and important articles addresses and remarks and reviews of her writings The second part deals with all types of works about her and is arranged alphabetically by author into topical chapters These chapters feature different periods and aspects of her life biographies her emergence as a public figure her life as First Lady of the United States her role as a human rights leader in the United Nations her work as an international social reformer her last years her death and assessments thereafter The chapters cover books chapters in books dissertations and theses periodical articles writings for young readers fiction songs poetry films recordings and computer software This unique guide to over 3780 sources with author and subject indexes and chronology is designed for collections of all kinds and for use by students researchers and anyone interested in this remarkable First Lady and social reformer at a time when the role is again controversial **Violence and Nonviolence in South Africa** Walter Wink,1987
