Seeing Christ Calvin B. Rock,1994-01 **The A to Z of the Seventh-Day Adventists** Gary Land,2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations The a to Z of the Seventh-Day Adventists Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination **Historical Dictionary of the Seventh-Day Adventists** Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism *A Window into the Spirituality of Paul* Patrick J. Hartin,2015-10-28 Paul s spiritual journey is driven by a transforming encounter with the risen Lord In *A Window into the Spirituality of Paul* Patrick J Hartin

focuses on the spiritual vision that emerges in Paul's own personal response to Christ found within his letters in the New Testament. Not only were early followers shaped by Paul's example but throughout history many saints and sinners have given flesh to this rich spiritual tradition. Their witness is an integral part of how Hartin helps us explore key aspects of Paul's spirituality.

Lady at the Window: The Lost Journal of Julian of Norwich Robert Waldron, 2020-05-05 Lady at the Window chronicles the last Holy Week in Julian of Norwich's life. In her secret journal because women are forbidden to write in English the great English mystic chronicles her inner life including her relationship with the courteous Lord who when she was young was a constant presence in her life but now in her old age feels to be more of a constant absence. Deus Absconditus. There are two windows in Lady Julian's anchorage: one looks upon the interior of St. Julian's Church with its high altar and tabernacle; the other opens onto the city of Norwich with its publicans, sinners, poor people in the marketplace and neighbors. Among these there are those in deep distress who find their way to Lady Julian, now famous for her wisdom and holy counsel. There is the young woman with a child outside of marriage. There is a wounded young soldier, jobless, homeless, and afraid. There is a man who has betrayed his betrothed. And others. No one leaves Julian's window without psychological and spiritual uplifting. But the underlying theme of this novella is Lady Julian's dark night of the soul. As with other mystics who came after her, e.g., St. John of the Cross and St. Teresa of Calcutta, Julian abides in a cloud of unknowing, praying daily that her darkness be dispelled by divine light.

Offerings Byron Paul Brought, 2014-05-21 Does God exist? Is there a purpose to my life? Is goodness a divine reality or simply a relative value that each culture defines for itself? Is there life beyond this earthly existence? Are Homo sapiens more than quarks and atoms, more than material properties? Is love a reality or a feeling? Offerings is a collection of brief but thought-provoking writings that vindicate religious faith. It will be an especially helpful resource for small group discussions and leaders of worship. Adults not satisfied with trite devotional guides but willing to wrestle with a faith that is rational and accepting of scientific discoveries. The growing number of nones in the United States and Europe who, while not believers, are open to be challenged by the possibility that there really is a God. Offerings affirms a God whose glory is revealed in creation, whose mighty acts are made known in sacred scripture, and who demands justice, love, and faithfulness in human life. If someone asks, "Would you like corn flakes or raisin bran?" you can reasonably answer, "I don't."
