Seeing Through Places Mary Gordon, 2002-02-10 Mary Gordon bestselling author of *Spending* and *The Shadow Man* investigates the role that place plays in the formation of identity the connections between how we experience place and how we become ourselves From her grandmother's house which stood at the center of her childhood life to a rented house on Cape Cod where she began to mature as a writer Mary Gordon navigates the reader through these spaces and worlds with subtlety and style Wise humorous and intelligent *Seeing Through Places* illuminates the relationship between the physical emotional and intellectual architectures of our lives showing us the far reaching power that places ultimately have in influencing a life

Common Threads Sally Dwyer-McNulty, 2014-04-15 A well illustrated cultural history of the apparel worn by American Catholics Sally Dwyer McNulty's *Common Threads* reveals the transnational origins and homegrown significance of clothing in developing identity unity and a sense of respectability for a major religious group that had long struggled for its footing in a Protestant dominated society often openly hostile to Catholics Focusing on those who wore the most visually distinct clothes priests women religious and schoolchildren the story begins in the 1830s when most American priests were foreign born and wore a variety of clerical styles Dwyer McNulty tracks and analyzes changes in Catholic clothing all the way through the twentieth century and into the present which finds the new Pope Francis choosing to wear plain black shoes rather than ornate red ones Drawing on insights from the study of material culture and of lived religion Dwyer McNulty demonstrates how the visual lexicon of clothing in Catholicism can indicate gender ideology age and class Indeed clothing itself has become a kind of Catholic language whether expressing shared devotional experiences or entwined with debates about education authority and the place of religion in American society
