**American Book Publishing Record**, 1995 **The Cumulative Book Index**, 1996 A world list of books in the English language **Emotion and Social Structures** Christian von Scheve, 2014-07-16 The past decades have seen significant

advances in the sociological understanding of human emotion Sociology has shown how culture and society shape our emotions and how emotions contribute to micro and macro social processes At the same time the behavioral sciences have made progress in understanding emotion at the level of the individual mind and body Emotion and Social Structures embraces both perspectives to uncover the fundamental role of affect and emotion in the emergence and reproduction of social order How do culture and social structure influence the cognitive and bodily basis of emotion How do large scale

patterns of feeling emerge And how do emotions promote the coordination of social action and interaction Integrating theories and evidence from disciplines such as psychology cognitive science and neuroscience Christian von Scheve argues for a sociological understanding of emotion as a bi directional mediator between social action and social structure This book will be of interest to students and scholars of the sociology of emotion microsociology and cognitive sociology as well as social psychology cognitive science and affective neuroscience *The British National Bibliography* Arthur James Wells,1995

**Sociology of the Next Society** Gerhard Preyer,Reuss-Markus Krausse,2023-08-04 This innovative volume provides insight into the vast changes in societies now and in the near future and highlights the need for a new sociological approach to analyse these changes It particularly reviews and critiques existing theories of globalization and analyses how global changes affect all subsystems of social membership systems the scientific academic legal and political systems The authors propose a new theoretical paradigm in sociology to analyse this next society The book studies emergent communication structures between these systems and looks at the concept of membership as a new research area in the study of the next society In this context it particularly assesses the problems of further modernization of Chinese society and the directions of this modernization This book is of interest to researchers and students of social theory globalization studies theory of evolution and those studying modern Chinese society

**The Sociology of Emotions** Jonathan H. Turner,Jan E. Stets,2005-03-14 All social relations involve emotional responses from the simplest face to face encounter through the mobilization of social movements to the commitments that individuals develop for culture and society The social world is thus dependent upon the arousal of emotions and equally significant conflict and change in societies is ultimately driven by emotional arousal Thus it is important to understand how human emotions influence and are influenced by the social world This understanding takes us into the sociology of emotions that has emerged as a distinct area of inquiry over the last thirty years
