Morgan, 2013-02-27 Luke Acts is an impressive two volume narrative seeking to convince and engage readers regarding the spiritual impact of Jesus of Nazareth on the Jewish people and other nations To this end Luke employs an impressive arsenal of literary and narrative techniques This book focuses on a motif and its performance the thoroughfare motif which includes those figurative and concrete expressions involving ways roads city streets and country paths This study traces this motif s performance within the unfolding plot asking what difference the motif makes progressively and cumulatively to the reader s encounter with the story s emphasis on salvation For example why does Luke take pleasure in describing transformational events on or in relation to thoroughfares What are the connections between expressions like the way of peace the way of salvation and the way of God Lord Why does Luke use such an unusual expression like the Way to describe Jesus followers How do such expressions contribute to the spiritual landscape of Luke Acts the intermingling of concrete and figurative uses of physical imagery Like an instrument in an orchestra the thoroughfare motif works together with other motifs and themes to create a captivating exploration of spiritual transformation received and opposed *Portraits of God* Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of

actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God s very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God s own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth

Christ in Art Edward Eggleston,1875 **Seeing the Big Picture** Alastair T. Ferrie,2012-10 To many Christians the Old Testament is a mysterious document a treasure hidden in the dust of antiquity It is historical it tells the story of ancient Israel but has it anything to do with me Seeing the Big Picture is the story of one man s voyage of discovery The Bible as a whole is the dramatic story of redemption which comes to a climax in the New Testament In every book of the Old Testament the theme of the coming of Christ is there burning brightly like a lamp in the darkness heralding the day when the glory of the Christ would burst majestically forth Suddenly I saw that this was truly one story It was almost as if someone had turned a light on I could see things much more clearly and so many aspects of the New Testament study were brought into such clear focus that I understood as never before

Jenkins, Frank M. Martin, 2004 Feft Behind Daily devotion 398 pages **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1963 **Awakening the Evolutionary Spirit** Margaret Barry, 2007-08-30 My book is about an awakening within where I began a journey in discovering who I am and who God is This story told in poetry and reflections is not for me alone but for all searching souls who wish to know what is at the core or source of their being My desire is to reveal to the people of God the possibilities that lie in store for his beloved creations Love gives birth to new life and to this mystic the new woman It has given me cause to believe that a new world of people will soon emerge with a new consciousness a new spirit of awareness becoming the epitome of our creator s design the Omega person I believe the experiences expressed within these pages are a companion experience to the feminine of God which is the Holy Spirit of God who has been attempting to be in union with and at oneness with human beings She like most women has been overlooked ignored rejected and even denied by blind male dominated hierarchical religions However the evolution of our species which is becoming more and more like its creator is entering a phase of experiencing an awakening or awareness of Being which will unite us not only to God but to one another in order that the Cosmic Christ a new creation will be born **The Other Person in the Picture** Philip Walker Jacobs, 2022-09-14 In this thought provoking and beautifully illustrated volume Jacobs invites us to reconsider the significance of Joseph of Nazareth and the role and influence he had in the life of Jesus Relying on a careful reading of Scripture and recent archaeological studies he challenges the historic and contemporary assumptions of those who have sought through their writing and art to marginalize Joseph and his importance in Christian history and the life of the church Recognizing that Joseph is often minimized or left out of religious and cultural representations of the holy

family in plays and in Christmas cards he reminds us that like Mary Joseph was chosen by God to care teach and shape the one who would bring salvation and hope to the world In the process Jacobs encourages us to see Joseph as Scripture presents him as believer dreamer prayer protector teacher husband and father and as more than just the other person in the picture
