The Great Heart Way: How to Heal Your Life and Find Self-Fulfillment Ilia Shinko Perez, 2007 **Great! You Lost Your Job, Now Find Your Life!** Lloyd Edward Hopkins II, 2013-12-05 If you are not waking up every day in love with your life it is time to make a change If you are not in love with the person you are with if you are not in love with your job if you are not in love with the station you inhabit you must realize that you are staying out of fear A fear of the unknown You probably think these things are your safety net but they are not They are your leash The leash that is holding you back from your happiness and truly experiencing life It would be the words that my younger brother shared with me Great You lost your job now find your life on the day I was terminated from my job that would inspire me to write this book I wanted to keep a journal of my thoughts experiences and ideas every day until I was employed again One day turned into a week a week turned into a month and a month would eventually turn into a year It would be that year that would change my life forever I was forced to face the reality of who I had become I was able to manage to become a somewhat successful person in life without becoming a complete person Without truly knowing myself My hope is that this book lands in your hands when you need it most I think our priorities are all wrong We are chasing wealth and material things thinking those are what will give us a fulfilling existence We are wrong and it is time for each of us to find our life Lloyd Hopkins **Contending with Modernity** Philip Gleason, 1995 A detailed history of Catholic higher education in the USA which emphasizes the intellectual and institutional dimensions of the subject **New-Church Messenger** , 1928 *The Great Work of Your Life* Stephen Cope, 2012 An inspiring meditation on living a purposeful life draws on the wisdom of the Bhagavad Gita to present the spiritually relevant story of a young warrior in crisis and God in disguise **Great Thoughts from Master Minds** , 1908
