Seen God Lately:

Seen God Lately? Richard Adams,1982-01-01 *The Planet of Mortal Worship* Donald I. Templeman,2004-08 A Lost Wife A Found Messiah A World on the Brink of Damnation The Devil s minion has offered Crilen a deal Return to a dead planet s past save it from self destruction and be reunited with the loving wife who died in his arms over a decade ago Not an impossible task for the fiery cosmic warrior who has built his life around rescuing planets from pagan religions false gods and atheist monarchs However upon his arrival in the past Crilen finds an incredibly complex world A world tangled in a web of socio political strife which threatens to sever the souls of its inhabitants from their faith in God and herd them into the burning pit of eternal suffering Crilen s affections also become fixated upon Panla Jen a devoutly religious leader who seeks to reform her planet s faith by destroying the secular institution which has imprisoned the Word of God with ungodly man made laws rituals and ideals An immoral government which enables the vices of the majority an amoral news and entertainment media lusting for optimum profits and a violent underground atheist insurrection conspire to shepherd the masses into a spiritual death spiral fueled by their own lusts for freedom as an end rather than a means What must Crilen sacrifice to rescue this world and elude the Devil s bidding [The Dwelling Place of Elohim](#) , *After God's Heart* Stephen Kaung,2015-12-01 Special Edition for the 2015 2016 Winter Young People s Gathering in Richmond Va wyppg.org *From Parkinson's to a Poet* Melody Eddins,2016-12-19 As I walk this journey I may stumble and fall I may even freeze at times or have no expression at all I continue to shake rattle and roll But there will always be peace way down in my soul Lifes journey is never without obstacles and for one woman diagnosed with Parkinsons disease Gods steadying hand and her faith in his guidance were the encouragement she needed to confront her lifes battles and face the truththat while life can have its share of tears illness and death it can also fill our souls with love laughter faith and family In *From Parkinsons to a Poet* author and poet Melody Eddins shares her observations about life and creation and she especially opens a window into her experiences living with Parkinsons disease With both touching and humorous poetry Melody introduces the characters and events in her life that inspired her to recover and heal with faith and dedication And although there will be tears Melody invites everyone to both laugh and cry along with her through her inspirational faithful journey **Fat Girl, Terrestrial** Kellie Wells,2012-09-04 Not only the story of a colossus of a woman living in Kansas *Fat Girl Terrestrial* is also a meditation on God treachery and blind love In *Kingdom Come* Kansas a town from which children once mysteriously disappeared there lives a giant woman Wallis Armstrong is not a pituitary mutant or a person battling a rare medical condition she s just an improbably large woman ill at ease in a world built for shrimps Paradoxically Wallis builds miniatures of crime scenes and her specialty is staged suicides She constructed her first diorama as a child when a boy in her fourth grade class went suddenly missing Wallis s brother Obie believes the only explanation for his sister s amplitude is that she is the incarnation of God on Earth and he is her one true ardent disciple Until he too disappears Kellie Wells s story of Wallis s odyssey through

this tight fitting world is a churlish meditation on the existence and nature of God as well as an exploration of the treachery of childhood and the destructive nature of the most blindly abiding kind of love that of a love struck brother for a big sister a disciple for an unwilling prophet and a bone weary god for a savage and disappointing flock **Timewarp** Lance Meier,2022-03-07 These kids are now history In 2019 two new stepsiblings history minded Jenny Newton and inventor in the making Brian Hawke move together into their new home which once belonged to Brian s grandfather a man who had loved to study history and make incredible new inventions One day while searching their new home Jenny and Brian stumble upon Brian s grandfather s greatest invention a watch However it is no ordinary watch After Brian puts it on he and Jenny are inadvertently zapped back to the year 1881 in the Wild West town of Sunset Gulch Not long after they arrive the watch their only way home is broken leaving them stranded Fortunately a kindly couple known as the Finers offer to take them in As the two kids attempt to repair the watch they become involved in the town s affairs and witness the rampage of a notorious gang of bandits and a terrifying assassin but above all they find themselves becoming part of a new family It would seem they are destined for a fantastic adventure in history and to grow stronger smarter tougher and closer as they work to find their way home **The Cure for the Chronic Life** Deanna T Favre,Shane Stanford,2012-01-01 A life of unanswered questions broken relationships and poor decisions disrupts a relationship with God and creates crisis Deanna Favre a breast cancer survivor and Shane Stanford an HIV positive minister have both lived such a life Chronic hopelessness was part of their everyday lives as it is for many people But Deanna and Shane discovered the transforming grace and strength of a God who provides answers for questions and possibilities for uncertainties The Cure for the Chronic Life will be a guide for the journey out of hopelessness In its pages discover the power of redeeming love and the hope of living in Christ [Get Their Name](#) Bob Farr,Doug Anderson,Kay Kotan,2013-05-01 Change your church culture Create an outwardly focused environment where hospitality and invitation happen Sunday and every day of the week This book offers five steps to help congregations go public with their faith from service projects to sharing the faith with persons who want to know more about Christ and thw church This book offers tactics to increase individual and church competency with relational evangelism with friends neighbors and even strangers Learn how to start up a conversation follow up with contacts and navigate unfamiliar settings Learn what works and what doesn t We may think that just because we invite someone on our church property they ll come back Often we don t reach out to help people cross the faith line because we re uncomfortable with evangelism or just plain scared Gain the confidence to share the good news boldly After all we know the name of the One who loves us all and who holds all power over heaven and earth **Seven** Jeff V. Cook,2008-10-21 Our world is charged with both the grandeur of God and the void of his absence The seven deadly sins are the force causing that hole They are at work in each of us They decimate our relationships our souls and our world These deadly sins often seem pleasing and good for gaining what we desire but they are thoroughly poisonous Conversely the Beatitudes are Jesus pictures of a restored creation The Beatitudes

introduced what Jesus said to his earliest followers about a life strong and fruitful In fact the Beatitudes give us a glimpse of a world empty of evil and filled to the edges with God's life Looking at the Beatitudes and the seven deadly sins in turn we see two paths two sets of invitations Both call to deep places within us to come and taste Both invite us to take up residence Both present themselves as life as it actually is But only one will draw us further into reality And only one will make us happy Of the many many books about the Gospels or about Jesus or about Christian morality only one in a thousand gives us a real breakthrough a new big picture Most are just nice little candles on the cake Seven is a bonfire It's not just good it's striking It doesn't just say all the things you've heard a thousand times before And yet it's totally in sync with both the saints and the scholars Peter Kreeft professor of philosophy at Boston College and author of over forty five books including Fundamentals of the Faith The Cure for the Chronic Life 22490 Rev. Shane Stanford, Deanna Favre, 2011-09-01 A life of unanswered questions broken relationships and poor decisions disrupts a relationship with God and creates crisis Deanna Favre a breast cancer survivor and wife of NFL legend Brett Favre and Shane Stanford an HIV positive minister have both lived such a life Chronic hopelessness was part of their everyday lives as it is for many people But Deanna and Shane discovered the transforming grace and strength of a God who provides answers for questions and possibilities for uncertainties The Cure for the Chronic Life is a guide for the journey out of hopelessness In its pages discover the power of redeeming love and the hope of living in Christ **Holy Purpose** Carolyn Mowchan, A Lutheran look at God's purposes for our lives **India's Greatest Minds** Mukunda Rao, 2022-04-25 Indian spirituality from solemn sages to irreverent rebels A plethora of religions cultures languages and peoples have over the ages nurtured a plurality of ideas beliefs influences and practices thriving in India In India's Greatest Minds Mukunda Rao takes readers on an exhilarating exhaustive journey through the lives and teachings of India's most illustrious spiritual masters thinker activists and philosophers making their wisdom accessible to all Beginning from 700 BCE to the present day moving across the length and breadth of the subcontinent and covering every significant school of thought Rao provides a comprehensive view of the trajectory of Indian thought as it developed over centuries enriching minds and shaping modern discourse Whether tackling profound questions on the meaning of life or plunging into the restless urgency of social reform this book showcases an intellectual and cultural heritage that is uniquely Indian From Kapila Patanjali Buddha and Mahavira to Andal Kabir Guru Nanak Bulleh Shah and Chaitanya and from Shishunala Sharifa Ramakrishna and Vemana to Birsa Munda Tagore Gandhi and Ambedkar the profiles of luminaries in this invaluable compendium will inspire and elevate its readers Rich in both essence and detail this treasury celebrates the individuals who rebelled against existing conventions and transcended every divide in their quest for enlightenment transforming themselves and the world along the way Where's the Veil? Trish Rankin, 2011-12 In times of loss everyone experiences grief whether from the loss of a marriage the loss of a job or the loss of a life In grief you are not alone we often say to comfort grieving loved ones But tell that to the woman who feels like her world has just been turned inside out During

two inconceivably difficult weeks author Trish Rankin's life radically morphs into something almost unrecognizable Her husband dies of an inoperable brain tumor and simultaneously their son suffers liver failure To move forward together both as partners and parents on their God adventure Trish and Dr David Rankin chose to use the techniques she had taught for years in grief programs In this honest heartbreaking memoir Trish lifts the veil on loss She stares lovingly into the face of what's real the shock the agony the suffering the hope the re emergence and eventually the ability to rediscover joy Once she finds the strength to lift that metaphorical veil she realizes that like the butterfly emerging from its cocoon her loss is the gateway to an awakening and perhaps to creating a full life once again Woven within this inspiring grief journey are techniques to help others on their own path to healing Trish Rankin's story is one of tragedy deep struggle and ultimately hope

A Beautiful Offering Angela Thomas, 2006-05-28 For many years Angela Thomas thought of the Beatitudes as a list of Gotta Be's as in Gotta be meek Gotta be merciful And when she compared her life to the standard they set she always felt that she came up short But through God's great mercy she has come to see this passage instead as a roster of When You Are's When you are meek there is a spiritual inheritance When you are merciful you will be shown mercy This shift in thinking has led Thomas to understand that God does not require perfection but rather our gracious obedience In His eyes our lives complete with mistakes blemishes and imperfections are A Beautiful Offering

Spiritual Disciplines within the Church Donald S. Whitney, 1996-09-10 You're worth it You deserve a break today Do something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In *Spiritual Disciplines Within the Church* seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can't I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn't I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer
