**ABC Music Shows Volume One 1956 to 1959: Featuring Marty Wilde, Billy Fury, Cliff Richard and other artists on Jack Good's Oh Boy!**

Kevin Mulrennan, Following the success of my previous book which dealt with the pop show *Thank Your Lucky Stars* I have now decided to look at the music shows that appeared on A B C Weekend Television A B C Weekend Television catered for viewers in the Midlands and the North for thirteen glorious years from 1956 to 1968 The format will be similar to my previous work I shall take a chronological view with mini biographies where appropriate trivia interesting facts pictures and opinions both my own and from the contemporary public I shall not be looking at the previous company that was called A B C that morphed into A T V Television Nor will I be looking at music shows shown on A B C but not directly produced by them Therefore shows such as *Sunday Night At The London Palladium* and *The Jack Jackson Show* will not be featured as they merit a book in their own right If a weekend is absent from the diary it probably means A B C was concentrating on sports that particular weekend In the 60s sports such as tennis rugby league and motor racing had a high profile Sadly most of the shows mentioned here are not preserved in the archives Television was considered an ephemeral pleasure back then Preserving a show was in many cases impossible or too expensive The powerful music unions discouraged repeat showings and many shows went out live and there was no need to record them Tapes were reused on a regular basis with shows being wiped forever within a few weeks of transmission Mercifully a handful of *Oh Boys* survive along with a snippet of Cliff in the anniversary show *The ABC of ABC* A George Formby section from a 1957 *Top Of The Bill* has popped up on YouTube A Chas McDevitt clip featuring a very young Jean Marsh opening a door may very well come from the same show British Pathe News have lovely features on *Ship Canal Showboat* showing the likes of Thora Hird rehearsing in Manchester in 1956 as well as a feature on *Holiday Town Parade* A few *Sunday Breaks* exist Sadly I could find nothing from programmes such as *Bid For Fame* *Top Numbers* *After Hours* and many more great shows Writing this book really struck me how viewing habits have changed over the decades Television was on just two channels Daytime shows were rare and television ended before midnight Televisions were expensive Shows tended to be on at exactly the same time each week to build up audience figures But some things never change Even back then some people moaned at the quality of the shows and were fed up of seeing the same stars week in week out Hopefully you will gain more pleasure reading the book than those killjoys

*The Gender of Suicide* Katrina Jaworski, 2016-03-09 Drawing on diverse theoretical and textual sources *The Gender of Suicide* presents a critical study of the ways in which contemporary society understands suicide exploring suicide across a range of key expert bodies of knowledge With attention to Durkheim's founding study of suicide as well as discourses within sociology law medicine psychology knowledge and newsprint media this book demonstrates that suicide cannot be understood without

understanding how gender shapes it and without giving explicit attention to the manner in which prevailing claims privilege some interpretations and experiences of suicide above others Revealing the masculine and masculinist terms in which our current knowledge of suicide is constructed The Gender of Suicide explores the relationship between our grasp of suicide and problematic ideas connected to the body agency violence race and sexuality As such it will appeal to sociologists and social theorists as well as scholars of cultural studies philosophy law and psychology **Hong Kong Dark Cinema** Kim-Mui

E. Elaine Chan, 2019-11-27 This book is a scholarly investigation of the historical development and contemporary transformation of film noir in today's Hong Kong Focusing on the evolution of cinematic narratives aesthetics and techniques the author balances a deep reading of the multiple filmic plots with a discussion of the cinematic portrayals of gender romance identities and power relations Nuancing the prototypical cinematic form and tragic sense of classical film noir the recent Hong Kong cinema turns around the classical generic role of film noir at the turn of the century to convey very different messages joy hope or love This book examines how the mainstream cinema or pre and post Hong Kong cinema in particular applies a peculiar strategy that makes room for the audience to enjoy a pleasure giving process of reflexivity and also critique the mainstream ideology With new analytical approaches and angles this book breaks new ground in offering transcultural and cross genre analyses on the cinema and its impact in local and international markets This book is the first major scholarly investigation of the historical development and contemporary transformation of film noir in today's Hong Kong Focusing on the evolution of cinematic narratives aesthetics and techniques the author balances a deep reading of the multiple filmic plots with a refreshing discussion of the cinematic portrayals of gender romance identities and power relations This book also revisits conceptual categories developed by Foucault Lacan Derrida and Butler Ray Milland Gillian Kelly, 2025-09-23 Ray Milland 1907-1986 was the inaugural Welshman to win the Best Actor Academy Award as well as a performer boasting a rich and varied oeuvre from the silent era in 1920s Britain to New Hollywood in the 1980s Despite being one of the most prolific actors in cinema history who left behind a legacy of almost 180 film and television appearances across seven different decades Milland remains a somewhat forgotten figure of cinematic history Ray Milland Identity Stardom and the Long Climb to The Lost Weekend fills this void in scholarship by offering a detailed examination of Milland as one of Hollywood's most durable and fascinating performers of the studio era The volume begins by exploring Milland's unique Welsh identity in Hollywood which was essentially erased by the studios It then turns to his underexplored early career at MGM prior to signing with Paramount Pictures where he remained for over two decades Author Gillian Kelly discusses his early roles as a stereotypical Brit in Hollywood as well as his stardom years at Paramount where he often provided support for the studio's leading ladies including Claudette Colbert Dorothy Lamour and Paulette Goddard A chapter is dedicated to his Oscar winning performance in The Lost Weekend and important later films like Dial M for Murder and Love Story also receive detailed analysis Overall Ray Milland provides a reappraisal of Milland's earlier career and situates

his performances within the broader tradition of star studies      Historical Dictionary of British Theatre Darryll Grantley,2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information      *Against Everything* Mark Greif,2016 These essays address such key topics in the cultural political and intellectual life of our time as the tyranny of exercise the tyranny of nutrition and food snobbery the sexualization of childhood and everything else the philosophical meaning of Radiohead the rise and fall of the hipster the impact of the Occupy Wall Street movement and the crisis of policing Four of the selections address directly and unironically the meaning of life what might be the right philosophical stance to adopt toward one s self and the world Amazon com
