William L. Benoit

Sex And Politicians Affairs Of State:

Sex Scandals in American Politics Alison Dagnes, 2011-09-15 From the misbehavior of President Clinton to Governor Mark Sanford's Argentinean tryst sex scandals have become a prominent feature of American public life This collection of essays explains why politicians elected for their leadership and promises of ethical behavior risk their career and the socio political consequences of their actions

Sex and Politicians Kerry Segrave, 1990

Politics, Transgression, and Representation at the Court of Charles II Julia Marciari Alexander, Catharine MacLeod, 2007 This volume brings together ten distinguished scholars of history literature music theatre and art to explore the political and cultural implications of the court's transgressive new character

Sex Scandals, Gender, and Power in Contemporary American Politics Hinda Mandell, 2017-04-17 Examining how gender impacts political sex scandals in the United States this book explains how political sex scandals contribute to the mistrust of government and identifies why these events have serious consequences for our political system The increasing tabloidization of politics and focus on politicians involved in sex scandals is both problematic and important When a major political sex scandal occurs it occupies as much as 25 percent of all news coverage in the United States Even if people may deny it they enjoy consuming and talking about political sex scandals Written by a former journalist who has frequently explored the intersections of politics sex and gender in the United States **Sex Scandals Gender and Power in Contemporary American Politics** investigates how political sex scandals contribute to the mistrust of government and why these events have great significance in our frenzied media environment The book makes use of comprehensive descriptive data including statistics to explain how political sex scandals are a representation of society's broader gender dynamics conveying subtle messages about power and morality It addresses the roles of men and women in political sex scandals over time the increasing tabloidization of politics and the often overlooked consequences of sex scandals for the political system Author Hinda Mandell also documents how scandals multiple negative effects for the politicians themselves and for society include turning politics into a spectator sport contributing to the mistrust of government the questioning of politicians competence and judgment as a group and politicians diminishing effectiveness in office

The Politics of Rape Jennifer L. Airey, 2012-09-20 **The Politics of Rape Sexual Atrocity Propaganda Wars and the Restoration Stage** is the first full length study to examine representations of sexual violence on the Restoration stage By reading theatrical depictions of sexual violence alongside political tracts propaganda pamphlets and circulating broadsides this study argues that authors used dramatic representations of rape to respond to and engage with late century upheavals in British political culture Beginning with an examination of rape scenes in English Civil War propaganda **The Politics of Rape** argues that Roundhead authors described acts of rape and atrocity to demonize their enemies the Irish the Catholics and the Cavaliers After the Restoration propagandists and playwrights on each side of every political conflict would follow suit altering the rhetoric of sexual violence in response to each new moment of political upheaval **The Restoration of Charles II**

the Second and Third Anglo Dutch Wars the Popish Plot the Exclusion Crisis the Glorious Revolution and the accession of William and Mary The study offers an intensive look at British propaganda culture gathering together a wealth of understudied pamphlet texts and identifying a series of stock figures that recur throughout the century The demonic Irishman sexually violent villain of the 1641 Irish Rebellion tracts the debauched Cavalier the secretly Catholic royalist rapist the poisonous Catholic bride the malignant consort who encourages the rapes of Protestant women the cannibal father the evil patriarch who rapes his daughters in laws before ingesting his own sons as a symbol of monarchical overreach and the ravished monarch the male rape victim whose sexual violation protests his political disenfranchisement The study also traces the appearance of these figures on the British stage examining well known works by Dryden Rochester Behn Lee and Shadwell alongside lesser known plays by Orrery Howard Settle Crowne Ravenscroft Pix Cibber and Brady The Politics of Rape thus offers a new method for understanding of the geo political implications of theatrical sexual violence Published by University of Delaware Press Distributed worldwide by Rutgers University Press **Sex, Politics and Society** ,2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Religion in Politics Michael J. Perry,1997 Most Americans are religious believers Among these there is disagreement about many fundamental religious moral matters Because the United States is both such a religious country and such a religiously pluralistic country the issue of the proper role of religion in politics is extremely important to political debate In Religion in Politics Michael Perry addresses a fundamental question what role may religious arguments play if any either in public debate about what political choices to make or as a basis of political choice He is principally concerned with political choices that ban or otherwise disfavor one or another sort of human conduct based on the view that the conduct is immoral He divides the controversy into two debates the constitutionally proper role of religious arguments in politics and a related but distinct debate about the morally proper role Perry concludes that political choices about the morality of human conduct should not be based on religion The newest work by one of the most important constitutional theorists writing today Religion

in Politics is sure to spark a new debate on the subject When Sex Threatened the State Saheed Aderinto,2014-12-30
 Breaking new ground in the understanding of sexuality's complex relationship to colonialism When Sex Threatened the State illuminates the attempts at regulating prostitution in colonial Nigeria As Saheed Aderinto shows British colonizers saw prostitution as an African form of sexual primitivity and a problem to be solved as part of imperialism's civilizing mission He details the Nigerian response to imported sexuality laws and the contradictory ways both African and British reformers advocated for prohibition or regulation of prostitution Tracing the tensions within diverse groups of colonizers and the colonized he reveals how wrangling over prostitution camouflaged the negotiating of separate issues that threatened the social political and sexual ideologies of Africans and Europeans alike The first book length project on sexuality in early twentieth century Nigeria When Sex Threatened the State combines the study of a colonial demimonde with an urban history of Lagos and a look at government policy to reappraise the history of Nigerian public life Praeger Handbook of Political Campaigning in the United States William L. Benoit,2016-02-22 This work peels back the curtain on how political campaigns influence America covering everything from social media to getting to the Oval Office This comprehensive handbook reveals essentially everything the American public wants to know about political campaigns The two volume set begins with a historical overview then goes on to investigate campaigns from a variety of perspectives that shed light on how they work and why Readers will discover how campaigns are run how they're covered by the media how they influence government and how various interest groups and demographics play a part in the system The contributors who include academics elected officials journalists and campaign professionals offer new data interviews and analysis in a style that will prove fresh accessible and engaging for everyone from college students to political junkies They offer the inside scoop on types of campaign media for example TV spots debates and social media and on message variables such as language humor and evidence Groups of voters like women and youth are examined and the work also discusses theories of campaigning such as agenda setting issue ownership the Elaboration Likelihood Model and the Theory of Reasoned Action Scandal in American political campaigns always a subject of interest is addressed as well **Senate documents** ,1889 *Who's who in State Politics* ,1915 *Fatherhood Politics in the United States* Anna Gavanas,2010-10-01 Are fathers being marginalized in the contemporary family Responding to fears that they are the self proclaimed fatherhood responsibility movement FRM has worked since the mid 1990s to put fatherhood at the center of U S national politics Anna Gavanas's *Fatherhood Politics in the United States* analyzes the processes reveals the internal struggles and traces the myths that drive this powerful movement Unlike previous investigations that rely on literary or other secondary sources *Fatherhood Politics* works from primary ethnographic material to represent a wider range of voices and actors Interacting with and interviewing members of the most powerful and well known national fatherhood organizations Gavanas observed Promise Keeper rallies men's workshops and conferences on masculinity fatherhood and marriage Providing a detailed overview of the different organizations

involved and their various rhetorical strategies Gavanas breaks down the FRM into two major wings The pro marriage wing sees marriage as the key to solving all social problems while the fragile family organizations worry about unemployment racism and discrimination Gavanas uses her extensive anthropological fieldwork as the basis for discussions of gender sexuality and race in her analysis of these competing voices Taking us inside the internal struggles tensions and political machinations of the FRM Gavanas offers a behind the scenes look at a movement having real impact on current social policy

Fatherhood Politics is an essential work for anyone interested in the politics of masculinity parenthood marriage race and sexuality

Sexual Politics Stephen Brooke, 2011-11-24 Sexual Politics explores the complex relationship between sexuality and socialist politics in Britain between the 1880s and the present day Looking at birth control abortion law reform and gay rights this is a timely examination of the relationship between the personal and the political over the last century and a half Stephen Brooke tells the stories of individuals such as Edward Carpenter Dora Russell Sheila Rowbotham Ken Livingstone Peter Tatchell and Tony Blair and organizations like the Workers Birth Control Group the Abortion Law Reform Association the National Abortion Campaign and the Labour Campaign for Lesbian and Gay Rights Sexual radicalism first and second wave feminism and gay liberation all feature in the book's portrait of the progress of sexual politics from the late nineteenth century to the early twenty first century Sexual Politics also offers an analysis of the Labour Party's long and sometimes ambiguous link to issues of sexuality ending with the considerable contribution made to sex reform by the New Labour governments of 1997 to 2010 Sexual issues were always under the surface of Labour politics in the twentieth century emerging forcefully in the 1970s and 1980s in a way that brought both division and unity to the party Brooke stresses the importance of class and gender identity to the fate of sexual issues in British politics the dynamic nature of British socialism and the impact of sexual radicalism feminism and gay liberation upon socialist and working class politics Sexual Politics argues that the shifting relationship between the personal and the political is a central element of twentieth century British history a relationship that helped define the character of political modernity

Home Is Where Your Politics Are Jessica A. Scott, 2024-06-14 Home Is Where Your Politics Are is a transnational consideration of queer and trans activism in the US South and South Africa Through ethnographic exploration of queer and trans activist work in both places Jessica Scott paints a vibrant picture of what life is like in relation to a narrative that says that queer life is harder if not impossible in rural areas and on the African continent The book asks questions like what do activists in these places care about and how do stories about where they live get in the way of the life they envision for the queer and trans people for whom they advocate Answers to these questions provide insight that only these activists have into the complexity of locally based advocacy strategies in a globalized world

National Catholic Welfare Council Bulletin, 1927 **Faith, Politics, and Sexual Diversity in Canada and the United States** David Rayside, Clyde Wilcox, 2011-04-01 For decades agitation by lesbians gays and other sexual minorities for political recognition has provoked a heated response among religious activists many of whom fear that

moral decay is a necessary accompaniment to the public recognition of sexual diversity For their part queer rights groups worry about the policy ramifications of accommodating faith in the public sphere This remarkable comparative study explores the interplay of sexual diversity and religious faith in the United States and Canada and examines how interest group mobilization political party ties to religious constituencies court rulings public policy and debates over sexuality within faith communities have contributed to conflict and bridge building in both countries A timely discussion of faith sexuality and political conflict Faith Politics and Sexual Diversity reveals that despite the presence of tenacious anti gay sentiment religious adherence does not invariably entail opposition to the political recognition of queer rights **Female Soldiers in**

Sierra Leone Megan H. MacKenzie, 2015-11 The eleven year civil war in Sierra Leone from 1991 to 2002 was incomprehensibly brutal it is estimated that half of all female refugees were raped and many thousands were killed While the publicity surrounding sexual violence helped to create a general picture of women and girls as victims of the conflict there has been little effort to understand female soldiers involvement in and experience of the conflict Female Soldiers in Sierra Leone draws on interviews with 75 former female soldiers and over 20 local experts providing a rare perspective on both the civil war and post conflict development efforts in the country Megan MacKenzie argues that post conflict reconstruction is a highly gendered process demonstrating that a clear recognition and understanding of the roles and experiences of female soldiers are central to both understanding the conflict and to crafting effective policy for the future Sex, politics and

empire Richard Phillips, 2018-02-01 Colonial governments institutions and companies recognised that in many ways the effective operation of the Empire depended upon sexual arrangements For example nuclear families serving agricultural colonization and prostitutes working for single men who powered armies and plantations mines and bureaucracies For this reason they devised elaborate systems of sexual governance such as attending to marriage and the family However they also devoted disproportionate energy to marking and policing the sexual margins In Sex Politics and Empire Richard Phillips investigates controversies surrounding prostitution homosexuality and the age of consent in the British Empire and revolutionises our notions about the importance of sex as a nexus of imperial power relations **Sex, Politics and Society**

Jeffrey Weeks, 2017-07-31 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of British social political and cultural life from industrialization urbanisation and the impact of Empire and colonisation through the experience of economic disruption World Wars the establishment of the welfare state changing patterns of gender and the emergence of new sexual identities This book also charts the rise of both progressive and conservative social movements including feminism LGBT activism and fundamentalist movements It is a history where the past continues to live in the present and where the present provides ever more complex and often controversial patterns of sexual life with sexual and gender issues at the heart of contemporary politics Now fully revised and

updated this edition examines key new developments including the impact of globalisation and the digital revolution gender nonconformity and the rise of transgender consciousness shifting family and relational patterns and new forms of intimacy changes in reproductive technology including the debates on IVF and surrogacy new discourses of equality and sexual rights for LGBT people the irresistible rise of same sex marriage the weakening of the heterosexual homosexual binary divide and the development of new lines of concern and divisions in the politics of sexuality Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this fourth edition will inspire and provoke a whole new generation of readers in history sociology social policy and critical sexuality studies

Sexual Politics Kate Millett, 2000 Praised and denounced when it was first published in 1970 Sexual Politics not only explored history but also became part of it Kate Millett's groundbreaking book fueled feminism's second wave giving voice to the anger of a generation while documenting the inequities neatly packaged in revered works of literature and art of a complacent and unrepentant society Sexual Politics laid the foundation for subsequent feminist scholarship by showing how cultural discourse reflects a systematized subjugation and exploitation of women Millett demonstrates in detail how patriarchy's attitudes and systems penetrate literature philosophy psychology and politics Her incendiary work rocked the foundations of the literary canon by castigating time honored classics from D H Lawrence's Lady Chatterley's Lover to Norman Mailer's The Naked and the Dead for their use of sex to degrade and undermine women A new introduction to this edition draws attention to some of the forms patriarchy has taken recently in consolidating its oppressive and dangerous control
