Warrior R.G. Grant,2007-09-17 Focusing on the front line soldiers who fought for their tribes their cities their overlords and their countries from the Ancient Greeks who repelled the invading Persians in the 5th century to the US Marines in action in Korea Vietnam and the Persian Gulf this visual history paints a compelling portrait of the front line soldier through 2 500 years of history The third in a series of illustrated military history books following the highly successful Battle and Weapon Warrior features vivid accounts of daily life training and tactics of the ordinary fighting man There are also features on the kit they carried and the weapons they used as well as the part they played in significant battles In addition to celebrated soldiers of Europe and North America there are sections on equally formidable warriors from other parts of the world such as the Mongol horsemen of the 13th century the Aztecs the Samurai of 17th century Japan New Zealand s Maori and the Zulus of South Africa Warrior is organized into six sections covering six distinct periods in the history of warfare Phalanxes and Legions deals with the warfare of Ancient Greece and Rome Conquest and Chivalry explores the age of warriors who fought for either honor or plunder Pikemen and Musketeers charts the advent of gunpowder in the 16th century Empires and Frontiers deals with expansion of empires and the clashes of colonization Trenches and Dogfights looks at the mechanized warfare of World War I and II when the development of tanks aeroplanes and submarines as weapons of war marks the beginning of a completely new era and Guerillas and Commandos shows that despite the proliferation of death dealing machines the ordinary soldier still retains a role sometimes highly specialized such as helicopter borne infantry or guerrilla forces like the Vietcong who managed to resist the most powerful army on earth

admiration for his colonel a few Brave Men stood true for the cause of liberty A serious book for those with a serious interest in the southern campaigns of the Revolutionary War Many thanks to the Gilberts for shedding new light on the role of the Second Spartan Regiment War in History The Story of Winchester in Virginia Frederic Morton,2009-05-01 Winchester was the capital of the Northern Neck of VA for almost 40 years headquarters for George Washington during his military apprenticeship the earliest county seat in the Appalachian region a center of trade in the pre railroad era and the gateway

Daniel Morgan Don Higginbotham,2013-07-01 Over the vast distances and rough terrain of the Revolutionary War the tactics that Daniel Morgan had learned in Indian fighting the thin skirmish line the stress upon individual marksmanship the hit and run mobility were an important element of his success as a commander He combined this success on the battlefield with a deep devotion to the soldiers serving under him In a conflict that abounded in vital personalities Morgan s was one of the most colorful Illiterate uncultivated and contentious he nevertheless combined the resourcefulness of a frontiersman with a native gift as a tactician and leader His rise from humble origins gives forceful testimony to the democratic spirit of the new America Sword of the Wild Rose Ruth Carmichael Ellinger,2010-04 When his young wife is brutally murdered in a senseless raid Derick Davidson son of a Scottish chieftain seeks revenge Suspected by the English authorities he flees Scotland arriving in Boston at the onset of the American Revolution He meets the colourful frontiersman Daniel Morgan who talks of war and freedom But another war rages inside Dericks heart a deadly conflict that challenges the very core of his political and spiritual beliefs He follows one burning desire to be free Morgan takes Derick to Virginia where he meets the winsome and beautiful Kearan Mackenzies He teaches her to sword fight and Kearan learns the secrets of his troubled past He learns of another freedom a liberty greater than any king or country has to offer At the Battle of Point Pleasant Wyandot Indians capture Derick and his uncle a Longhunter and former soldier of the Black Watch Escape seems impossible and death inevitable During this terrible impasse the Longhunter points Derick to another weapon a two edged sword that slashes to the very thoughts of his heart Filled with danger intrigue and suspense Sword of the Wild Rose explores the meaning of freedom friendship and prevailing love We follow one mans spiritual journey from the depths of heartbreak and revenge to the liberating experience of divine forgiveness and the joy of unforeseen love **The Foreign Burial of American War Dead**
