Budd, 2015-06-15 This broad-ranging companion brings together respected American and European critics and a number of up-and-coming scholars to provide an overview of Twain, his background, his writings, and his place in American literary history. One of the most broad-ranging volumes to appear on Mark Twain in recent years. Brings together respected Twain critics and a number of younger scholars in the field to provide an overview of this central figure in American literature. Places special emphasis on the ways in which Twain's works remain both relevant and important for a twenty-first-century audience. A concluding essay evaluates the changing landscape of Twain criticism.

The American Stage and the Great Depression Mark Fearnough, 1997-01-28 *The American Stage and the Great Depression: A Cultural History of the Grotesque* proposes a correlation between the divided mind of America during the depression and popular stage works of the era. Theatre works such as Jack Kirkland's comic-horror adaptation of *Tobacco Road*, Olsen and Johnson's scream-lined revue *Hellzapoppin*, and successful plays by Robert E. Sherwood, Clare Boothe Luce, and S. N. Behrman are interpreted as theatrical reflections of depression culture's sense of being trapped between a discredited past and a nightmarish future. The author analyzes the America of the 1930s as an era of the grotesque in which the irreconcilable were forced into tense and dynamic coexistence, and by examining these works of theatre as products of particular historical circumstances, argues for a strong connection between cultural history and theatre history.

Mothers, Mammies and Old Maids Axel Nissen, 2014-01-10 Continuing the exploration which began in *Actresses of a Certain Character: Forty Familiar Hollywood Faces from the Thirties to the Fifties* (McFarland, 2006), this companion volume analyzes the contributions of female supporting players in the films of Hollywood's Golden Age.
