Nicholas Bentley Stoningpot III Ann McGovern,1997 Nicholas Bentley Stoningpot III was bored while sailing the seas with his parents and their friends He wanted adventure and the grown ups were too busy for him One night during an awful storm the big boat is smashed to pieces Nicky is cast ashore on an island ready to have the greatest adventures of his life

Nicholas Bentley Stoningpot III Ann McGovern,1997-11-01 A bored little rich boy is shipwrecked on a faraway island where he is happier than he has ever been before **Parent's Guide to Raising a Gifted Child** James Alvino,1996-09-29 LEARN TO MEET THE NEEDS OF YOUR GIFTED CHILD Though academic abilities have always been important in determining whether your child is gifted talent in the visual or performing arts leadership qualities and intellectual curiosity are just as vital But unless we as parents help nurture those talents our gifted children can become bored socially aggressive or ironically underachievers in the classroom Here is a practical informative and authoritative primer for raising and educating our gifted children from pre school to adolescence Beginning with sensible strategies to determine whether and in which areas your child is gifted this book takes parents through selecting an appropriate day care center a school and a home reference library It helps us figure out where our role stops and the school s role begins as well as detailing ways to keep our children s creativity alive and how to cope with sibling rivalry and our own doubts and fears Also included are a recommended reading list a special section on the roles of the computer and television in your gifted child s life and much more **Robinson Crusoe after 300 Years** Andreas K. E. Mueller,Glynis Ridley,2021-04-16 There is no shortage of explanations for the longevity of Defoe s Robinson Crusoe which has been interpreted as both religious allegory and frontier myth with Crusoe seen as an example of the self sufficient adventurer and the archetypal colonizer and capitalist Defoe s original has been reimagined multiple times in legions of Robinsonade or castaway stories but the Crusoe myth is far from spent This wideranging collection brings together eleven scholars who suggest new and unfamiliar ways of thinking about this most familiar of works and who ask us to consider the enduring appeal of Crusoe more recognizable today than ever before The Worlds of Tomie dePaola Barbara Elleman,2021-03-09 Barbara Elleman s insightful biography on Tomie dePaola captures the essence of the beloved author illustrator through engaging stories childhood photos countless illustrations and thoughtful analysis of decades of celebrated books Tomie dePaola is one of the best known and most beloved creators of books for children His art and his stories which are filled with imagination humor grace and curiosity represent a love of life that is reflected in everything he does Barbara Elleman s exploration of Tomie dePaola s career takes a fascinating look at the many worlds dePaola has brought to life through his work from autobiographical memories to folktales religious stories nursery rhymes and more including of course the inventive world of his most famous character Strega Nona Originally published in 1999 and filled with evocative artwork captivating photographs and heartwarming anecdotes this comprehensive book has been updated to cover two new decades of dePaola s creativity Elleman s thoughtful narrative
