

I'm A One Woman Man

If you told me
I would feel so proud if
honey, I'd holler out loud
if I can Well, come to me baby,
let me, baby, just a-kind of hang around? I'll always love honey,
and I'll never let you down I'll never love another even if I can Well,
come to me baby, I'm a one-woman man I'd climb the highest mountain if
it reached a bigger sky To prove that I love you, I'd jump off and fly
I'd even swim the ocean from shore to shore To prove that I love you just
a little bit more I-won't you let me, baby, just a-kind of hang around?
I'll always love you honey, and I'll never let you down I'll never love
another even if I can Well, come to me baby, I'm a one-woman man If you
told me that you love me I would feel so proud if you'd let me hold
you honey, I'd holler out loud I'll never love another even if
I can Well, come to me baby, I'm a one-woman man Won't you
let me, baby, just a-kind of hang around I'll always
love honey, and I'll never let you down I'll
never love another even if I can Well,
come to me baby, I'm a
one-woman man Come to
me baby, I'm a

The Husband of One Wife James S. Markle, 2024-10-15 Over the course of thirty seven years Jim Markle planting and rescuing churches from closing he has had the responsibility of writing and rewriting several church constitutions and doctrinal statements In doing this he had to wrestle with what the Bible actually teaches about the qualifications of pastor and deacons of a church These qualifications listed in 1 Timothy and Titus deal with the character of the man desiring to be a pastor Traditionally one of these qualifications has been taken out of the realm of the character of the man and placed in the particular status of a man s relationships This is the qualification that the man desiring to be a pastor must be the husband of one wife This qualification is usually applied to the man s marital status and primarily to the issue of divorce and remarriage However it says nothing about divorce and remarriage This qualification like the rest of them deals with the man s present character not his past conduct Because of this faulty standard preventing some otherwise qualified men from being allowed to enter the pastorate Jim has dug into the phrase the husband of one wife through a study of the Greek grammar of this particular phrase comparing it to other passages of Scripture that deal with divorce and remarriage to clear up the misconceptions of this qualification of pastor Jim s goal is to ask and answer the question of what it means to be the husband of one wife for a man to be qualified to be a pastor of a local church This book gives the results of that study in a clear and concise manner

One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam s side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God s intention for marriage This was true of those both outside and inside God s covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God s command for marriage The Lord Jesus Christ came and stated God s original intent for marriage

- 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond
- 2 Forgiveness This is Christ s emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ s commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God s

original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10 9

Preach the Word Stephen Oliver Stout, 2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word

Marriage: A Noble Adventure Vincent Onyebuchi Nwankpa Ph.D., 2025-09-30 If you've wondered why marriage began and the purpose it serves then you'll enjoy this book Vincent Nwankpa the co founder of Eternal Word Communication Ministries examines monogamy and polygamy and considers which

practice is ideal Both monogamy and polygamy started in the Old Testament and carried over to the New Testament Genesis 2 24 1 Corinthians 7 1 40 The author argues that God s intent for marriage was for one man to remain true to one woman But humanity rebelled against God s original plan resulting in polygamy which the author contends is a form of flagrant disobedience to God The Lord allowed the practice to continue which is why it is not condemned in the Bible The author answers questions such as Under what conditions should monogamy and or polygamy be endorsed or condemned What did God mean when he instructed Adam and Eve to be fruitful and multiply and fill the earth and subdue it Genesis 1 28 Why is marriage sacred and holy Other topics include the continuing conflict between monogamy and polygamy how different cultures perceive a union between a man and woman how early missionaries to Africa and other parts of the world preached God s word and how Jesus and the apostles confronted controversies surrounding marriage

1 and 2 Timothy, Titus Abraham Kuruvilla MD,2021-04-12 1 and 2 Timothy Titus A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological trajectory of the Pastoral Epistles concerns the promotion of God s economy by the community of God s people The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application

A Biblical Case for Women Pastors, Elders, and Deacons Seth M. Knorr,2023-04-01 An argument for Women Pastors Elders and Deacons based solely on the Bible and backed by historical evidence After discovering a textual variant in early Greek manuscripts which were supported by early Greek scripture quotations from the early church fathers the author realized this variant reading provides the important context which reverses how many are currently understanding Paul s apparent prohibition of women teaching in the pastoral epistles The discovery of this variant completely changed the authors thinking and prompted a thorough study of the topic Setting cultural arguments aside and relying solely on the text of Scripture this book answers the critical question Do these passages prevent women from being pastors elders and or deacons After an in depth study the author concluded that there is zero biblical evidence based on the original text of Scripture to support prohibiting women from holding leadership positions of
