Women that pass in the night ,1906 *Julius Caesar ; Twelfth night ; Antony and Cleopatra ; Cymbeline* William Shakespeare,Henry Norman Hudson,Israel Gollancz,Charles Harold Herford,1909 **One of Cleopatra's Nights and Other Fantastic Romances** Théophile Gautier,2021-08-30 Modern English readers may likely find King Candaules the most exciting of the stories in terms of the strength of its narrative but much of Gautier s writing is so compelling because of his spectacular descriptions and elaborate style which befits the extravagance of the subject matter especially in One of Cleopatra s Nights The shorter stories in between are worth reading for reasons which are unique to each of them but Clarimonde deserves special mention it is of a genre that is well known to modern readers and has to be considered one of the greatest of its kind Goodreads *Saturday night* Saturday night,1824 **Julius Caesar.Twelfth night. Strayers from Sheol Herbert Russell Wakefield, 2022-08-16 Herbert Russell Wakefield's Strayers from Sheol stands as a seminal work in the canon of supernatural fiction reflecting the author's profound grasp of the genre Couched within the context of post war British literature it mirrors the collective unease and search for meaning that typified the era Wakefield's prose is atmospheric and taut reminiscent of the great gothic tales but with a distinctly modern edge that speaks to the anxieties of the 20th century Focusing on the interplay between the mundane and the otherworldly Wakefield crafts narratives that are as psychologically complex as they are phantasmagorical ensuring the stories remain enduringly captivating and intellectually stimulating DigiCat Publishing's meticulous edition adds to this legacy presenting Strayers from Sheol with the reverence due to its place in the lineage of classic literature Herbert Russell Wakefield an accomplished master of the macabre drew heavily upon his own experiences and the social currents of his time to shape his literary creations Having served in World War I his vision was undoubtedly colored by the horrors and aftermath of conflict imbuing his tales with a sense of haunting and loss that is both personal and universal This backdrop combined with Wakefield's erudition and keen interest in the supernatural results in stories that not only entertain but also offer a window into the human condition a reflection on the thin veil between the living and the dead that is both timeless and evocative Strayers from Sheol is recommended for aficionados of classic ghost stories and new

readers alike It has the power to transport one to a realm where the veil to the afterlife is gossamer thin and realities blur offering both thrilling escapades and profound commentary on the nature of existence This edition by DigiCat Publishing with its commitment to preserving the integrity of the original work is a fitting tribute to Wakefield s expertise and an ideal way to experience the sublime craftsmanship of one of the early 20th century s most distinguished writers of supernatural fiction
