McAulay, 2011-08-04 Aussie Yarns some serious some funny and some philosophical Most are about down to earth country folk Some like Rusty and A Farmer's Wife have a lesson in them Others are even a bit romantic for example Blind Love and Best Friends In a number of cases the story is inspired by a poem already written and in other cases one is written specially but in any case all are accompanied by a poem or two and an explanation as to how it all came about Primarily these yarns were written with an Australian readership in mind most of whom would understand and appreciate the slang words and phrases used particularly by unsophisticated bushies However I imagine some of the terms may leave non-Australians a bit perplexed Stick with it and by the time you've read Witness for the Defence you will have probably worked out what a sheila is along with all the other words and expressions that are uniquely Australian country in origin Enjoy the adventures of the 110 characters who play some role in these yarns **Hot Aussie Night** Lexxie Couper, 2021-11-23 What's cooking for

Christmas A hot serving of insta lust with a side order of fake fianc Life long anxiety isn't going to stop Elisa De Luca from enjoying her sister's Christmas engagement party She's got a process and as long as things don't get too chaotic she'll be okay And then she suddenly finds herself engaged to a hot hot hot Aussie five minutes after meeting him and chaos is the word of the day Super chef Angus Daniels doesn't do relationships but the second he meets Elisa De Luca he's drawn to her Big time When the shy American inexplicably saves him from a sharkish TV producer hellbent on making him the titular star

on a bachelor show Angus begins to question everything he thought he wanted A fake engagement requires a fake relationship but it doesn't take long for Elisa and Angus to realise there's nothing fake about what's happening between them But when reality feeds baggage and anxiety nibbles at certainty love at first sight might not be enough for a happy Christmas Or a Happy Ever After full stop A Note from Lexxie Insta love is the name of the game in The De Luca Sisters trilogy That powerful moment that shakes both people to the core and changes everything for them in a single look Buckle up Things are about to get fast and wild and fun
