

Pasajero de Fráncfort

Pasajero Para Francfort

John Curran

Pasajero Para Frankfurt:

Pasajero para Frankfurt Agatha Christie, 2021-07-01 Sir Stanford Nye un diplomático peculiar vuela con destino a Londres cuando por causas climáticas el avión es forzado a aterrizar en Frankfurt. Ahí una misteriosa chica que dice estar en peligro de muerte le pide prestada su capa y su pasaporte. Tiempo después el documento llega por correo a Londres y le hace pensar que el capítulo ha sido cerrado pero está muy equivocado.

Passenger to Frankfurt Agatha Christie, 2012-10-30 A classic from the queen of mystery Agatha Christie. *Passenger to Frankfurt* Agatha Christie, 1987 The casual encounter of a young woman and Sir Stafford Nye diplomat on a Trans European passenger flight to London was to lead them to strange and unexpected places and into a maze of conspiracy plotting and danger.

Como un ladrón en pleno día Slavoj Žižek, 2021-01-13 ¿cómo analiza cuál ha de ser el papel del filósofo en el nuevo desorden nihilista provocado por la desintegración del capitalismo? En su nuevo libro Žižek plantea una de las preguntas clave de nuestro tiempo: ¿cuál ha de ser el papel del filósofo a la hora de abordar los problemas contemporáneos? Y más concretamente: ¿qué tipo de filósofos necesitamos los que corrompen a la juventud y la hacen pensar como Sócrates o los normalizadores como Aristóteles que intentan conciliar la filosofía con el orden establecido? Según Žižek la filosofía debe combatir el creciente orden nihilista que se nos quiere vender como el dominio de las nuevas libertades: esta civilización sin mundo que afecta de manera evidente a los jóvenes. Ante las alternativas del populismo o el fundamentalismo religioso, Žižek propone la construcción de nuevas zonas emancipadoras empezando por las ciudades, entre las que pone como ejemplo a Barcelona: la ruptura del dominio patriarcal, la reivindicación del materialismo y la invención de una nueva sociedad que corrija los errores del capitalismo y el comunismo. Más combativo y lúcido que nunca, Žižek nos alerta de los cantos de sirena de la agonía del capitalismo que en su última evolución ideológica nos ofrece una falsa libertad a cambio de nuestra sumisión absoluta en esta era poshumana en la que solo podremos recuperar nuestra individualidad llevando a cabo una evolución social emancipadora e igualitaria.

Anatomía de Agatha Christie Carolina-Dafne Alonso-Cortés, 1981 **Historia de La Psicofarmacología** Francisco López-Muñoz, Cecilio Álamo González, 2007 **Agatha Christie** EDUARDO CAAMAÑO, 2020-11-17 Innovadora, curiosa, polifacética y extremadamente aventurera, Agatha Christie se lanzó sin complejos a conquistar con entusiasmo cada uno de los intereses con los que se cruzó amoldando la vida a su gusto en lugar de encajar en los estándares de su época. Se dice de ella que fue una de las primeras mujeres en volar en avión y posiblemente la primera británica que montó en una tabla de surf, conduciendo con increíble destreza en una época en que la mayoría de hombres no poseía un coche y emprendió viajes sin más compañía que su maleta de escribir a lugares tan lejanos que pocas mujeres se hubieran atrevido a ir. En esta amena biografía el lector emprende una profunda inmersión en la vida de una autora cuya trayectoria se escribió con la tinta de los acontecimientos mundiales del siglo XX. También conocerá deliciosas anécdotas sobre el origen de sus obras más conocidas y los entresijos de su extraña desaparición en 1926, un suceso sobre el que la autora y su familia jamás se

pronunciaron Conocida por sus seguidores más incondicionales como la Reina del Crimen Agatha Christie es un nombre que no requiere presentaciones la conocemos todos de una u otra manera Sin ir más lejos se trata de la autora más leída traducida y publicada de todos los tiempos solo superada por Shakespeare y la Biblia Las cifras de su éxito alcanzan niveles estratosféricos con más de cuatro mil millones de ejemplares vendidos desde que se llevan cuentas y con ediciones traducidas a más de cien idiomas Su exuberante catálogo literario incluye ochenta novelas numerosos relatos cortos seis novelas románticas cuatro obras de teatro radiofónico tres libros de poemas e historias para niños y veintitrés obras de teatro la más famosa La ratonera tiene el récord de permanencia en cartelera en Londres con más de veinticinco mil representaciones y siete millones de espectadores desde su estreno en 1952 Escribió su primera novela como respuesta a un reto lanzado por su hermana y sin tener la más mínima pretensión alcanzó la fama en poco menos de una década con una obra que rompió con todas las reglas de la novela policiaca El asesinato de Roger Ackroyd Más adelante su carrera tomó a vuelo como una voz importante en el género policiaco del que se convirtió en una de sus más grandes exponentes con clásicos como Diez negritos Asesinato en el Orient Express o La casa torcida Con su prosa atemporal y entretenida Agatha Christie sigue siendo casi medio siglo después de su muerte un ícono mundial para los amantes del género policiaco

Agatha Christie, la Reina del crimen: Sus novelas policíacas. Carolina-Dafne Alonso-Cortés, **Pasajero de Fráncfort** Agatha Christie, 2000 **Agatha Christie. Los cuadernos secretos** John Curran, 2011-07-06 Una fascinante exploración del contenido de los 73 cuadernos de notas de Agatha Christie recientemente descubiertos que incluyen ilustraciones extractos eliminados y dos novelas inéditas de Poirot Cuando Agatha Christie falleció en 1976 se había convertido en la escritora más popular del mundo Con unas ventas billonarias en todo el mundo y publicada en más de 100 países había conseguido lo imposible publicar más de un libro al año desde la década de 1920 y todos ellos éxitos de ventas Tras la muerte de la hija de Agatha Rosalind a finales de 2004 se reveló un extraordinario legado Entre sus objetos personales de la residencia familiar de Greenway se desenterraron los cuadernos privados de Agatha Christie 73 volúmenes escritos a mano que habían permanecido en gran parte ignorados probablemente debido a que la inconfundible caligrafía de Agatha era muy dificultosa de leer Pero cuando el archivero John Curran comenzó a descifrar los cuadernos se hizo evidente la magnitud de este tesoro escondido Este libro abre la tapa del mayor secreto de Agatha Christie como sus anotaciones listados y borradores se convirtieron en los exitosos libros obras de teatro y relatos que finalmente fueron Argumentos alternativos escenas eliminadas incluso sus planes para libros que no llegó a escribir la investigación de Curran revela una enorme riqueza de material inédito incluidas dos novelas cortas de Hercúles Poirot *Sin ganas en Ghana y otros relatos* Jorge López Páez, 2023-11-13 La ocasión de celebrar los cien años de nacimiento de Jorge López Páez ofrece a la Universidad Veracruzana la oportunidad de acercar a los lectores a un destacado miembro de la generación de la mitad del siglo XX mexicano autor pionero de la temática homosexual masculina en la literatura nacional y uno de los autores iniciales de la histórica colección Ficci n UV Para ello esta casa de estudios ha publicado SIN GANAS EN GHANA Y
