The Soul's Long Journey Edward Reaugh Smith,2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore

Taking the Adventure Gracia Fay Ellwood,2014-11-11 What is the relationship between faith especially Christian faith and a lifestyle that respects animals as our neighbors and kin Why should faith entail a commitment to vegetarianism Are animals meant to be heirs of the kingdom of God as well as human beings Taking the Adventure offers answers to these questions in the context of important biblical themes of Eden and Exodus of the prophetic imperative of Jesus as a prophet proclaiming liberty to the oppressed and the captives of the feast of the kingdom of the resurrection and life beyond death It explores imagery from familiar novels such as *A Christmas Carol* and *The Hobbit* that deal with cravings anxiety and true abundance It proposes that committing ourselves to live in God given peace with all living beings and

sharing with others the good news of that peace is an adventure worth the best we can give an arduous and painful yet joyous adventure climaxing in return to the heart of God

Journeys Within Josh Huth,2015-12-27 *Journeys Within* is a collection of photography and poetry In *Journeys Within* the author identifies a descent into the soul to the likes of pushing into the wilderness Claiming the most important journey a person can take is within themselves and that the most treasured endowments hide on the other side of the uncomfortable feelings pains and unexpected situations that life often forces onto us The book is split up into five chapters and though the soul and wilderness are the overarching themes many other topics are explored such as love and God darkness and faith and the dangers of our comfort

The Gospel of John as a Soul's Journey William Fairbanks,2009-06 The Gospel of John as a Soul's Journey is a commentary on the Gospel of the Beloved Disciple from a psychological standpoint It is a continuation of ideas of the Episcopal minister and psychiatrist John A Sanford who wrote *Mystical Christianity* This book sees John's Gospel not as history but as most scholars see it as a symbolic story It goes farther from the conventional view however in that it sees the sequence of events in the Gospel as a guide for everyone in their journey in life This commentary goes beyond the concept which John Sanford developed that the Jews in the Gospel represents the human ego It also sees Jesus whose name means Savior not as the historical figure but as the force in everyone's life which wants to save them to a higher form of existence William Fairbanks is a retired computer programmer who has taken up writing He was brought up in the Methodist tradition and was named after a grandfather who was a superintendent of Sunday Schools for many years His mother was active in her church teaching Sunday School for many years He himself wasn't active in religious activities
