Richard Sibbes, 1864 **Saved by Grace through Faith or Saved by Decree?** Geoffrey D. Robinson, 2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed **A Hero's Life in Christ** Edward Wade, 2003 This book grew out of a series of messages Pastor Wade preached from II Peter While he studied the passage to prepare the messages for the congregation his heart was touched in a special way He noticed that Peter had so much to say in so few words Pastor was introduced to a whole new way of viewing the practical working and spirit filled Christian life What he saw in this passage was that every Christian that lives the Spirit filled life is looked upon as a hero in God s eyes He noticed that what God attributed to heroism was very different than the human concept of what a hero looks like It s a good feeling to know what pleases God and to know that you can do it Pastor Wade felt a great need to share these practical principles of a hero s life with more than just his congregation This book takes the

precept and idea of virtue in your life and separates it into bite size pieces easily digestible Each concept of the virtuous life is explained and Pastor Wade even entertains the reader with some real life threatening experiences he had while he was a firefighter These experiences relate to the concepts of the hero s life as you will see and the blessing is this After you read this book you too will be equipped with the insider information you need to live a pleasing to God Hero s Life In Christ

Kierkegaard and the Life of Faith Jeffrey Hanson, 2017-01-16 A thorough considered and provocative treatment of what justifiably remains Kierkegaard s most famous book Marginalia Review of Books Soren Kierkegaard s masterful work Fear and Trembling interrogates the story of Abraham and Isaac finding there one of the most profound and critical dilemmas in all of religious philosophy While several commentaries and critical editions exist Jeffrey Hanson offers a distinctive approach to this crucial text Hanson gives equal weight to all three of Kierkegaard s problems dealing with Fear and Trembling as part of the entire corpus of Kierkegaard s thought and putting all parts into relation with each other Additionally he offers a distinctive analysis of the Abraham story and other biblical texts giving particular attention to questions of poetics language and philosophy especially as each relates to the aesthetic the ethical and the religious Presented in a thoughtful and fresh manner Hanson s claims are original and edifying This new reading of Kierkegaard will stimulate fruitful dialogue on well traveled philosophical ground

Life in the Kingdom, book 1 Steve

Husting, 2017-11-29 Have you ever asked yourself Is this all there is to being saved Isn t there something more to this Most of us are only being taught half a salvation Jesus views on salvation are quite at odds with the way many of us experience it in our day to day lives Life in the Kingdom is a devotional commentary on living the Christian life as Jesus anticipated it Covering Matthew chapters 1-14 in this volume we begin to see how the many elements of the Christian life are actually building materials for the Kingdom of God We Christians seldom use the phrase Kingdom of God choosing rather to use saved But seeing our salvation in the context of the Kingdom clarifies why we do what we do our position in God s plan of the ages and imparts meaning to us who surrender to it

Faith as Life in the Spirit Aaron Gabriel

Ross, 2025-06-26 This incisive work shows that faith does not need to be understood as what one believes does or feels when faith is understood as being in Christ by being in the Spirit The way in which Christians and Christian theology at least in Western traditions including the family of Pentecostals and renewal movements engages with the idea of faith has a problem faith is often defined as what people must do whether that is to believe in a list of doctrines to do good works or to love properly in order for God to respond with forgiveness and salvation However this work takes a new approach with a pneumatological trajectory in constructing a theology of faith understood as life in the Spirit overcoming a stalemated discussion on faith as belief versus works As such faith is being in Christ by being in the Spirit is the theological recognition that faith is first relationality to the Spirit by which a person is invited into life with Christ and the triune God Faith is not what one does beliefs works affections but rather what one is in relationality with the Spirit Beliefs works and affections are

best understood as those things that are the outward expressions of the relationality rather than that which brings one into relationality with God **The Oberlin Evangelist** ,1839 **Word Studies in the New Testament** Marvin Vincent,2013-06-19 Marvin Vincent was a 19 century Presbyterian minister and professor of New Testament at Union Theological Seminary in New York City He is best known for his classic Word Studies in the New Testament Vincent opened his Word Studies by remarking New Testament commentaries are so numerous and many of them so good that a new essay requires some explanation The present work is an attempt in a field which so far as I am aware is not covered by any one book though it has been carefully and ably worked by many scholars Taking a position midway between the exegetical commentary and the lexicon and grammar it aims to put the reader of the English Bible nearer to the stand point of the Greek scholar by opening to him the native force of the separate words of the New Testament in their lexical sense their etymology their history their inflection and the peculiarities of their usage by different evangelists and apostles All the Promises of the Bible Herbert Lockyer,2017-06-06 Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises definite explicit declarations God has made that you can count on In All the Promises of the Bible Dr Herbert Lockyer discusses the nature of God s promises their substance simplicity surety source security scope Lockyer s in depth look at the scope of God s promises arranges them in categories that cover the full array of human concerns from the spiritual to the material and the corporate to the personal As you come to understand God s promises and how they apply to every aspect of your life you ll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best X
