Passing On The Social Organization Of Dy:

On the Run Alice Goffman, 2014-04-22 A remarkable chronicle related with honesty and compassion this ethnography reveals the impact of probation and parole practices on one community Publisher Weekly The War on Drugs has done almost nothing to prevent drugs from being sold or used but it has created a little known surveillance state in America s most disadvantaged neighborhoods Alice Goffman spent six years living in one such neighborhood in Philadelphia and her observations reveal the effects of this pervasive policing Goffman introduces us to an unforgettable cast of young African American men who are caught up in this web of warrants and surveillance All find the net of presumed criminality built as it is on the very associations and friendships that make up a life nearly impossible to escape We watch as the pleasures of summer evening stoop sitting are shattered by the arrival of a carful of cops looking to serve a warrant we watch as teenagers teach their younger siblings and cousins how to run from the police and we see over and over the relentless toll that the presumption of criminality takes on families and futures Through her gripping accounts of daily life in the forgotten neighborhoods of America s cities Goffman makes it impossible to ignore the very real human costs of our failed response Extraordinary Malcolm Gladwell The New Yorker A remarkable feat of reporting Astonishing and riveting The New York Times Book Review Goffman s lively prose opens a window into a life where paranoia has become routine Baltimore City Paper Goffman gives us a subtle analysis and poignant portrait of our fellow citizens who struggle to preserve their sanity and dignity Cornel West author of Race Matters

The Puritan Way of Death David E. Stannard, 1977 A scholarly study which focuses on a single aspect of Puritan culture **Journal of Palliative Care**, 2000

The Network Society Dirk Messner, 2013-10-11 The author argues that the countries that at the end of the 20th century have economic social and ecological success will not be unleashed market economies but active and learning societies that attempt to solve their problems via an organizational and governance related pluralism

Ritual and Belief David Hicks, 2010-03-15 Ritual and Belief Readings in the Anthropology of Religion is a collection of 41 readings in religion magic and witchcraft The choice of readings is eclectic no single anthropological approach or theoretical perspective dominates the text Theoretical significance scholarly eminence of the author and inherent interest provide the principal criteria and each reading complements its companion chapters which are pedagogically coherent rather than ad hoc assemblages Included among the theoretical perspectives are structural functionalism structuralism Malinowskian functionalism cultural materialism and cultural evolutionism also included are the synchronic and diachronic approaches The book offers a mixture of classic readings and more recent contributions and the world religions are included along with examples from the religions of traditionally non literate cultures As diverse a range of religious traditions as possible has been embraced from various ethnic groups traditions and places

In God's Image Matthew Akim Tomlinson, 2009-03-10 Today most indigenous Fijians are Christians and the Methodist Church is the foundation of their social and political lives Yet as this thought provoking study of life on

rural Kadavu Island finds Fijians also believe that their ancestors possessed an inherent strength that is lacking in the present day Looking in particular at the interaction between the church and the traditional chiefly system Matt Tomlinson finds that this belief about the superiority of the past provokes great anxiety and that Fijians seek ways of recovering this strength through ritual and political action Christianity itself simultaneously generates a sense of loss and the means of recuperation To unravel the cultural dynamics of Christianity in Fiji Tomlinson explores how this loss is expressed through everyday language and practices

Medical Sociology: a Selective View David Mechanic, 1968

The Private Worlds of Dying Children Myra Bluebond-Langner, 2020-05-05 Winner of the Margaret Mead Award A classic moving study of terminally ill children that emphasizes their agency and shows how we can relate to dying children more honestly The death of a child writes Myra Bluebond Langner poignantly underlines the impact of social and cultural factors on the way that we die and the way that we permit others to die In a moving drama constructed from her observations of leukemic children aged three to nine in a hospital ward she shows how the children come to know they are dying how and why they attempt to conceal this knowledge from their parents and the medical staff and how these adults in turn try to conceal from the children their awareness of the child s impending death In contrast to many parents doctors nurses and social scientists who regard the children as passive recipients of adult actions Bluebond Langner emphasizes the children s role in initiating and maintaining the social order Her sensitive and stirring portrait shows the children to be willful purposeful individuals capable of creating their own worlds The result suggests better ways of relating to dying children and enriches our understanding of the ritual behavior surrounding death
