Passing The Pmp Exam How To Take It And Pass It:

Passing the PMP Exam PMP. - Rudd McGary Ph. D.,2005 Passing The Pmp Exam: How To Take It And Pass It (with Cd) McGary, *PMP Exam Prep: How to Pass the PMP Exam on Your First Attempt - Learn Faster, Retain More and Pass the PMP Exam* John C. Nolan,2020-12-25 Discover the Only Guide You ll Ever Need to Smash Your Project Management Professional Exams on Your First or Next Try Are you preparing to take your first PMP exam but are scared by how notoriously difficult it is to pass Have you spent money and sleepless nights preparing for the exam only to fall short when the results are out Do you want to uncover secret information hacks and tips to give you the best possible chance of passing the PMP Exam on your first or next attempt If your answer is yes to any of these questions then this guide was designed for you In this detailed prep guide John Nolan condenses years of exam preparation experience and countless hours of continuing research and has identified critical gaps in knowledge that leads to exam failure You ll discover how to close these gaps and cover your bases so you can pass your PMP Exams with excellent results This comprehensive PMP prep guide covers everything you need to get your PMP certification It includes Everything you need to know about what being a Project Management Professional really entails No BS information on what to expect on your PMP exams to help you stay ahead of the curve The three types of questions you should expect on your PMP exam and how to conquer each type Insider information on how PMP Exams are graded and how to use this knowledge to your advantage PMP Exam practice questions to help you prepare and sharpen your knowledge as a potential Proven tips techniques and strategies to improve your managerial skills and become a highly sought after project manager and much much more Designed to be easy to follow and apply PMP Exam Prep is packed with tons of useful insights actionable advice and practical questions and is a must have for everyone serious about smashing their PMP Exams and becoming a certified project management professional Ready to pass your PMP Exams with flying colors Scroll to the top of the page and click the Buy Now with 1 Click button to get started right away *The PMP Exam* Andy Crowe,2005 This self study guide for the Project Management Professional PMP certification exam from the Project Management Institute contains everything project managers need to pass the PMP Exam including 44 processes and 592 inputs tools and outputs Exam topics are covered and insider secrets complete explanations of all PMP subjects test tricks and tips hundreds of highly realistic sample questions and exercises designed to strengthen understanding of PMP concepts and prepare managers for exam success on the first attempt are provided **PMP Certification For Dummies** Peter Nathan,Gerald Everett Jones,2003-04-11 The know how people need to pass the Project Management Professional PMP exam the world s most recognized professional project management credential Quick Assessment questions at the beginning and Prep Tests at the end of each chapter enhance the reader s understanding of the material Shows how to spot trick questions designed to challenge critical thinking skills Explains how to interpret questions and offers tips for budgeting valuable test taking time CD ROM contains practice exams hundreds of sample questions timed

and untimed versions of the test and the ability to save test results to measure progress PMP and Project Management Professional are registered marks of the Project Management Institute Inc Head First PMP Jennifer Greene, Andrew Stellman, 2009-07-28 Learn the latest principles and certification objectives in The PMBOK Guide Fourth Edition in a unique and inspiring way with Head First PMP The second edition of this book helps you prepare for the PMP certification exam using a visually rich format designed for the way your brain works You ll find a full length sample exam included inside the book More than just proof of passing a test a PMP certification means that you have the knowledge to solve most common project problems But studying for a difficult four hour exam on project management isn t easy even for experienced project managers Drawing on the latest research in neurobiology cognitive science and learning theory Head First PMP offers you a multi sensory experience that helps the material stick not a text heavy approach that puts you to sleep This book will help you Learn PMP s underlying concepts to help you understand the PMBOK principles and pass the certification exam with flying colors Get 100% coverage of the latest principles and certification objectives in The PMBOK Guide Fourth Edition including two new processes Collect Requirements and Identify Stakeholders Make use of a thorough and effective preparation guide with hundreds of practice questions and exam strategies Explore the material through puzzles games problems and exercises that make learning easy and entertaining Head First PMP puts project management principles into context to help you understand remember and apply them not just on the exam but also on the job The Comprehensive Guide for PMP® Certification Kal Jayaswal, PMP and Archana Jayaswal, PMP, CSM, 2019-06-30 Why you need this PMP guide Coverage of the 100% of the exam content Lots of figures and tables for faster preparation ITTO made easy with diagrams and built in text Simple explanations for difficult concepts Synopsis and formulas section for reference before the PMP exam Easy to follow layout 400 sample questions with detailed explanations Full length practice exam Tips for practical project management How to for Microsoft Project MPP application This book is a must have for those preparing for PMP certification It is different than existing books because we believe that PMP preparation can be quick and efficient We have read the existing books and taken the PMP exam and we have found that most books contain unnecessary content Reduce your preparation time There are several books in the market that have pages of painful and irrelevant text that would just be a waste of your time This book has text that is concise and relevant for the exam Figures and tables There are 200 figures and tables in the book When text is needed to explain the figure the text is embedded into the figure rather than forcing you to read long paragraphs and pages of commentary to find relevant material Personalized conversational style When possible we use conversational style to make for easier reading Active learning We believe that learning is best when the reader is involved instead of doing a show and tell Wherever applicable e g for schedule cost quality risk procurement there are workbook style exercises Examples You will find lots of examples followed by its underlying concept or generalized step by step procedure This sequence makes it easier to understand concepts REVIEW FROM CONTACT 1 I have studied various

PMP guides and tutorials in the market But this book is different stands out and would be the best companion guide to the PMBOK Difficult concepts are presented in a style that is easy to follow The content is concise and supported by illustrative figures and tables This will save you from wasting your time on irrelevant or copious content In my opinion this is the ONLY book you will need to pass the PMP exam Other printed books and online sites have questions that are easier than the PMP exam and some wrong and answers and explanations The 400 questions are at the same level of rigor as you will find in the PMP exam I wish I had this guide when I prepared for the PMP exam Andrew Anderson PMP Los Angeles CA **Most**

Frequently Asked Concepts on the PMP Examination Anil Mishra, PMP, 2017-10-04 Want to pass the PMP examination quickly PMP exam aspirants are practising managers busy leading projects This leaves them with very little preparation time Here comes help It has been observed that 60% of the questions that appear in the PMP examination are from 40% of the test areas Most Frequently Asked Questions on the PMP Examination aims to begin your preparation from core concepts and then build your knowledge over it This book arms you with all the tools to pass the examination with ease The book also includes a separate FAQ section which answers preparation related questions on every aspirant's mind Project

Management Hacking Douglas Peyton Martin, 2019-08-20 This book provides the much needed no nonsense guidance crucial for project managers that is the type of guidance that is missing from every major body of knowledge and educational offering for working project managers This very practical book identifies the activities that influence project success and focuses the limited time and energy available towards just those activities The Project Management Institute PMI and most literature on project management discusses all aspects of project management under the assumption that project managers will narrow down focus because they cannot be expected to use every process outlined by PMI to manage every project This book uses the concept of hacking our standard conventions of project management and outlines a standard path identified by conventional wisdom an evil path that project managers frequently resort to under time quality pressures and a hacker path that provides a better way to look at the challenge This book equips project managers with streamlined approaches to refocus their efforts on factors that matter while spending less time doing it Project management is a demanding discipline with a growing body of knowledge with few instructions on how to do it all The author provides humorous anecdotes and examples while teaching readers how to save time improve quality and advance their career The primary sections of the book cover how to approach the most common certifications in project management continuing education leading project teams initiating planning executing monitoring and controlling projects general life skills and taking on additional responsibilities Hacking project management is about focusing the limited bandwidth a project manager can give a project towards the activities that drive success *PMP Certification All-In-One Desk Reference For Dummies* Cynthia Snyder
