Passing And The Rise Of The African American Novel:

Passing and the Rise of the African American Novel Maria Giulia Fabi, 2001 *Passing and the Rise of the African American Novel* restores to its rightful place a body of American literature that has long been overlooked dismissed or misjudged This insightful reconsideration of nineteenth century African American fiction uncovers the literary artistry and ideological complexity of a body of work that laid the foundation for the Harlem Renaissance and changed the course of American letters Focusing on the trope of passing black characters lightskinned enough to pass for white M Giulia Fabi shows how early African American authors such as William Wells Brown Frank J Webb Charles W Chesnutt Sutton E Griggs James Weldon Johnson Frances E W Harper and Edward A Johnson transformed traditional representations of blackness and moved beyond the tragic mulatto motif Celebrating a distinctive African American history culture and worldview these authors used passing to challenge the myths of racial purity and the color line Fabi examines how early black writers adapted existing literary forms including the sentimental romance the domestic novel and the utopian novel to express their convictions and concerns about slavery segregation and racism She also gives a historical overview of the canon making enterprises of African American critics from the 1850s to the 1990s and considers how their concerns about crafting a particular image for African American literature affected their perceptions of nineteenth century black fiction

AfroAsian Encounters Heike Raphael-Hernandez, Shannon Steen, 2006-11 How might we understand yellowface performances by African Americans in 1930s swing adaptations of Gilbert and Sullivan's *The Mikado* Paul Robeson's support of Asian and Asian American struggles or the absorption of hip hop by Asian American youth culture *AfroAsian Encounters* is the first anthology to look at the mutual influence of and relationships between members of the African and Asian diasporas in the Americas While these two groups have often been thought of as occupying incommensurate if not opposing cultural and political positions scholars from history literature media and the visual arts here trace their interconnections and interactions as well as how they have been set in opposition by white systems of racial domination *AfroAsian Encounters* probes beyond popular culture to trace the historical lineage of these coalitions from the post Civil War era through the present From the history of Japanese jazz composers to the current popularity of black Asian buddy films like *Rush Hour* *AfroAsian Encounters* is a groundbreaking intervention into studies of race and ethnicity and a crucial look at the shifting meaning of race in America in the twenty first century

Neo-Passing Mollie Godfrey, Vershawn Young, 2018-02-21 African Americans once passed as whites to escape the pains of racism Today's neo passing has pushed the old idea of passing in extraordinary new directions A white author uses an Asian pen name heterosexuals live out as gay and irony of ironies whites try to pass as black Mollie Godfrey and Vershawn Ashanti Young present essays that explore practices performances and texts of neo passing in our supposedly postracial moment The authors move from the postracial imagery of *Angry Black White Boy* and the issues of sexual orientation and race in ZZ Packer's short fiction to the politics of Dave Chappelle's skits as a black President George W Bush Together the

works reveal that the questions raised by neo passing questions about performing and contesting identity in relation to social norms remain as relevant today as in the past Contributors Derek Adams Christopher M Brown Martha J Cutter Marcia Alesan Dawkins Michele Elam Alisha Gaines Jennifer Glaser Allyson Hobbs Brandon J Manning Loran Marsan Lara Narcisi Eden Osucha Gayle Wald and Deborah Elizabeth Whaley The Cambridge Companion to the African American Slave Narrative Audrey Fisch,2007-05-31 The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States This Companion examines the slave narrative s relation to British and American abolitionism Anglo American literary traditions such as autobiography and sentimental literature and the larger African American literary tradition Special attention is paid to leading exponents of the genre such as Olaudah Equiano Frederick Douglass and Harriet Jacobs as well as many other less well known examples Further essays explore the rediscovery of the slave narrative and its subsequent critical reception as well as the uses to which the genre is put by modern authors such as Toni Morrison With its chronology and guide to further reading the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field **The Cambridge Companion to the African American Novel** Maryemma Graham,2004-04-15 The Cambridge Companion to the African American Novel presents new essays covering the one hundred and fifty year history of the African American novel Experts in the field from the US and Europe address some of the major issues in the genre passing the Protest novel the Blues novel and womanism among others The essays are full of fresh insights for students into the symbolic aesthetic and political function of canonical and non canonical fiction Chapters examine works by Ralph Ellison Leon Forrest Toni Morrison Ishmael Reed Alice Walker John Edgar Wideman and many others They reflect a range of critical methods intended to prompt new and experienced readers to consider the African American novel as a cultural and literary act of extraordinary significance This volume including a chronology and guide to further reading is an important resource for students and teachers alike **The American Novel After Ideology, 1961-2000** Laurie Rodrigues,2020-12-10 Claims of ideology s end are on the one hand performative denials of ideology s inability to end while on the other hand paradoxically they also reiterate an idea that ending is simply what all ideologies eventually do Situating her work around the intersecting publications of Daniel Bell s The End of Ideology 1960 and J D Salinger s Franny and Zooey 1961 Laurie Rodrigues argues that American novels express this paradox through nuanced applications of non realist strategies distorting realism in manners similar to ideology s distortions of reality history and belief Reflecting the astonishing cultural variety of this period The American Novel After Ideology 1961 2000 examines Franny and Zooey Carlene Hatcher Polite s The Flagellants 1967 Leslie Marmon Silko s Almanac of the Dead 1991 and Philip Roth s The Human Stain 2001 alongside the various discussions around ideology with which they intersect Each novel s plotless narratives dissolving subjectivities and cultural codes organize the texts peculiar relations to the post ideological age

Unveiling Structures in Colson Whitehead's Fiction Paula Martín-Salván, 2025-10-03 This book offers a comprehensive critical analysis of Colson Whitehead s fiction positioning him as a key figure in both African American literature and the global turn to genre It explores how Whitehead employs conventions from popular genres such as detective zombie and caper stories not merely

for entertainment but as tools for ideological critique and narrative innovation Central to the study is the concept of narratives of unveiling in which information is revealed retrospectively disrupting linear storytelling and reshaping ethical perspectives These structures allow Whitehead to expose the systemic roots of racism and ideological conflict embedded in American society The book situates his work within broader debates about canon formation Afropessimist and postsoul aesthetics and the politics of form Through close readings of Whitehead s novels it demonstrates how Whitehead challenges racial myths and signifies genre expectations offering narratives that performatively enact cultural critique

Reaping Something New Daniel Hack, 2019-11-12 How African American writers used Victorian literature to create a literature of their own Tackling fraught but fascinating issues of cultural borrowing and appropriation this groundbreaking book reveals that Victorian literature was put to use in African American literature and print culture in the nineteenth and early twentieth centuries in much more intricate sustained and imaginative ways than previously suspected From reprinting and reframing The Charge of the Light Brigade in an antislavery newspaper to reimagining David Copperfield and Jane Eyre as mixed race youths in the antebellum South writers and editors transposed and transformed works by the leading British writers of the day to depict the lives of African Americans and advance their causes Central figures in African American literary and intellectual history including Frederick Douglass Frances Ellen Watkins Harper Charles Chesnutt Pauline Hopkins and W E B Du Bois leveraged Victorian literature and this history of engagement itself to claim a distinctive voice and construct their own literary tradition In bringing these transatlantic transfigurations to light this book also provides strikingly new perspectives on both canonical and little read works by Charles Dickens George Eliot Tennyson and other Victorian authors The recovery of these works African American afterlives illuminates their formal practices and ideological commitments and forces a reassessment of their cultural impact and political potential Bridging the gap between African American and Victorian literary studies Reaping Something New changes our understanding of both fields and rewrites an important chapter of literary history

Clotel William Wells Brown, 2016-05-02 As nearly all of its reviewers pointed out Clotel was an audience minded performance an effort to capitalize on the post Uncle Tom s Cabin mania for abolitionist fiction in Great Britain where William Wells Brown lived between 1849 and 1854 The novel tells the story of Clotel and Althesa the fictional daughters of Thomas Jefferson and his mixed race slave Like the popular and entertaining public lectures that Brown gave in England and America Clotel is a series of startling attention grabbing narrative attractions Brown creates in this novel a delivery system for these attractions in an effort to draw as many readers as possible toward anti slavery and anti racist causes Rough studded with caricatures and intimate with the racism it ironizes Clotel is still capable of creating a potent mix of discomfort and delight This edition aims to make it possible to read Clotel in something like its original cultural context Geoffrey Sanborn s Introduction discusses Brown s extensive plagiarism of other authors in composing Clotel as well as his narrative strategies within the novel itself Appendices include material on slave auctions contemporary attractions and

amusements and the topic of plagiarism more broadly
