Jet, 1999-03-01 The weekly source of African American political and entertainment news *Jet*, 1999-02-01 The weekly source of African American political and entertainment news **Behind the Veil of Moses** Brain L. Martin, 2009-07

The Holy Bible Containing the Old and the New Testaments: The later prophets (1861), 1858 2 Corinthians MacArthur New Testament Commentary John MacArthur, 2003-11-01 Second Corinthians is the most personal of Paul's letters providing unique insight into his heart for God and his motivation in ministry. With his credibility under attack Paul reluctantly defended himself for the sake of the gospel. In doing so he offers a perspective that will encourage every believer especially when enduring the hardships of ministry. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **The Septuagint South of Alexandria**, 2022-08-22 This volume tackles topics relevant to the study of the Septuagint and related fields of research such as the historical context of the Greek translations and texts, their anthropology, theology, language and reception as well as the comparison of the Septuagint with other ancient translations and texts of its intellectual environment. The authors make contributions to the study of the texts themselves, their themes and theories in modern research on the ancient artefacts **2 Corinthians Revisited** James E. Smith, Ph.D.,

The Art of Living Chinese Proverbs and Wisdom Hong Yingming, 2020-06-16 This book offers a contemporary look at the popular 400 year old text *Vegetable Roots Discourse*. Ming Dynasty scholar and philosopher Hong Yingming wrote many books but only *Vegetable Roots Discourse* has survived into the 21st century, remaining a widely studied text in China, Japan and Korea. In it Yingming offers 360 observations and proverbs about life, human nature, heaven, earth and more. These witty and timeless sentiments derive from Yingming's own informal compilation of thoughts as well as the understandings of Buddhism, Daoism, Taoism and Confucianism. In *The Art of Living Chinese Proverbs and Wisdom*, Professor Wu Yansheng and Dr Ding Liangyan have provided original commentaries for each of the 360 snippets of wisdom. These help readers to expand their understanding of the meaning behind the original text whilst demonstrating its significance in a contemporary context.

Creation in Paul and Philo Jonathan D. Worthington, 2011 God's creative activity in the beginning is important to many aspects of Paul's theology. Jonathan Worthington explores Paul's protology by analyzing his interpretation of scripture concerning creation, mainly the beginning of Genesis. By examining Paul's exegetical manoeuvres within 1-2 Corinthians and Romans and by comparing these with the contemporary but more detailed treatments of the same texts by Philo of Alexandria in his formal commentary on Genesis 1-2 *De Opificio Mundi*, the author uncovers an approach to creation that is fundamental to both ancient interpreters. Paul's interpretation of creation like Philo's in his commentary contains three interwoven aspects: the beginning of the world, the beginning of humanity and God's intentions before the beginning. Recognizing this basic hermeneutical interplay between the Beginning and the Before facilitates a more appropriate comparison between Paul and Philo as well as a more adequate treatment of difficult and debated passages in both.

interpreters regarding creation **1 & 2 Corinthians MacArthur New Testament Commentary Set** John MacArthur, 2003-11-01 This package contains the complete two volume set of First Corinthians and Second Corinthians from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In First Corinthians and Second Corinthians respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice worship and doctrine Concerned with false apostles who were leading the church astray Paul defended his own authority as God's apostle and sought reconciliation within the church MacArthur explores these issues by giving a verse by verse analysis in context and providing points of application for passages illuminating the biblical text in practical and relevant ways Both volumes form yet another set of comprehensive and compelling commentaries in his New Testament series and are a must have for every pastor's library **You Are Redeemed** Nana Dolce, 2025-03-17 In **You Are Redeemed** Nana Dolce takes women on a 40 day journey through the book of Exodus helping them see how God in his Word draws near to make himself known **Practicing the Presence of People** Mike Mason, 2011-11-09 In the deepest part of our hearts and souls is the desire to love well Yet in our struggle to do so we learn that as Mike Mason puts it We are not born with love it is something we must learn Now in **Practicing the Presence of People** he helps us launch that learning process Mason points the way to fresh knowledge and fresh experience showing how we can discover new things about those we love understand them from the inside out tenderly identify with their weaknesses and celebrate that they too were lovingly made by the hand of God **Paul and the Hermeneutics of Faith** Francis Watson, 2015-11-19 In recent years scholars from both Christian and Jewish backgrounds have tried to rethink the relationship between earliest Christianity and its Jewish milieu and Paul has emerged as a central figure in this debate Francis Watson contributes to this scholarly discussion by seeing Paul and his Jewish contemporaries as above all readers of scripture However different the conclusions they draw they all endeavour to make sense of the same normative scriptural texts in the belief that as they interpret the scriptural texts the texts will themselves interpret and illuminate the world of contemporary experience In that sense Paul and his contemporaries are standing on common ground Far from relativizing their differences however it is this common ground that makes such differences possible In this new edition Watson provides a comprehensive new introduction entitled **A Response to My Critics** in which he directly engages with the critics of the previous edition There is a substantial new Preface and two new Appendices and the text has been fully revised throughout **A Voice to the faithful , The Joyful Feast** Timothy Matthew Slemmons, 2014-10-07 Liturgical Elements for Reformed Worship is a series of four liturgical resources three consisting of liturgical elements for Years A B and C and a fourth the first such resource to support the implementation of Year D A Quadrennial Supplement to the Revised Common Lectionary Cascade 2012 Each volume consists of a Call to Worship Opening Prayer Call to Confession Prayer of Confession and Words of Assurance with Years A C

including additional elements A Prayer in Preparation for Worship The Offering Prayer of Dedication and a Blessing suitable for Presbyterian Reformed and other Protestant worship Each of these practical volumes is intended for use by pastors liturgists and other planners and leaders of worship **The Revelation of Law in Scripture** Patrick Fairbairn,1869

The Life and Epistles of St. Paul William John Conybeare,John Saul Howson,1852 **Herald of Gospel Liberty** Elias Smith,1915 Twelve Years in America: being observations on the country, the people, institutions and religion; with notices of Slavery and the late War; and facts and incidents illustrative of ministerial life and labor in Illinois, with notes of travel through the United States and Canada James SHAW (of the Illinois Conference Methodist Episcopal Church, America.),1867 **King David's Psalms (in Common Use)** ,1815
