Passing Of The Day:

The Day Will Pass Away Ivan Chistyakov, 2017-08-08 A rare first person testimony of the hardships of a Soviet labor camp long suppressed that will become a cornerstone of understanding the Soviet Union Originally written in a couple of humble exercise books which were anonymously donated to the Memorial Human Rights Centre in Moscow this remarkable diary is one of the few first person accounts to survive the sprawling Soviet prison system At the back of these exercise books there is a blurred snapshot and a note Chistyakov Ivan Petrovich repressed in 1937-38 Killed at the front in Tula Province in 1941 This is all that remains of Ivan Chistyakov a senior guard at the Baikal Amur Corrective Labour Camp Who was this lost man How did he end up in the gulag Though a guard he is a type of prisoner too We learn that he is a cultured and urbane ex city dweller with a secret nostalgia for pre Revolutionary Russia In this diary Chistyakov does not just record his life in the camp he narrates it He is a sharp eyed witness and a sympathetic humane and broken man From stumblingly poetic musings on the bitter landscape of the taiga to matter of fact grumbles about the inefficiency of his stove from accounts of the brutal conditions of the camp to reflections on the cruelty of loneliness this diary is an astonishing record a visceral and immediate description of a place and time whose repercussions still affect the shape of modern Russia and modern Europe **Best**

BLESSING God's plan to Peru To-day John Vavasour Noel, 1912 *The Day Lincoln Lost* Charles Rosenberg, 2020-08-04 An inventive historical thriller that reimagines the tumultuous presidential election of 1860 capturing the people desperately trying to hold the nation together and those trying to crack it apart Abby Kelley Foster arrived in Springfield Illinois with the fate of the nation on her mind Her fame as an abolitionist speaker had spread west and she knew that her first speech in the city would make headlines One of the residents reading those headlines would be none other than the likely next president of the United States Abraham Lincoln lawyer and presidential candidate knew his chances of winning were good All he had to do was stay above the fray of the slavery debate and appear the voice of reason until the people cast their votes The last thing he needed was a fiery abolitionist appearing in town When her speech sparks violence leading to her arrest and a high profile trial he suspects that his political rivals have conspired against him President James Buchanan is one such rival As his

term ends and his political power crumbles he gathers his advisers at the White House to make one last move that might derail Lincoln's campaign, steal the election and throw America into chaos. A fascinating historical novel and fast-paced political thriller of a nation on the cusp of civil war, *The Day Lincoln Lost* offers an unexpected window into one of the most consequential elections in our country's history.

The Day Is Now Far Spent Robert Sarah,Nicolas Diat,2019-09-01 Robert Cardinal Sarah calls The Day Is Now Far Spent his most important book He analyzes the spiritual moral and political collapse of the Western world and concludes that the decadence of our time has all the faces of mortal peril A cultural identity crisis he writes is at the root of the problems facing Western societies The West no longer knows who it is because it no longer knows and does not want to know who made it who established it as it was and as it is Many countries today ignore their own history This self suffocation naturally leads to a decadence that opens the path to new barbaric civilizations While making clear the gravity of the present situation the cardinal demonstrates that it is possible to avoid the hell of a world without God a world without hope He calls for a renewal of devotion to Christ through prayer and the practice of virtue
