Passion For Freedom The Life Of Sharlot Hall:

A Passion for Freedom Margaret F. Maxwell, 1994-08 **Skirting Traditions: Arizona Women Writers and Journalists 1912-2012** Brenda Kimsey Warneka, Carol Hughes, Lois McFarland, June P. Payne, Sheila Roe, Pam Knight Stevenson, 2016-04-29 Women who skirt traditions whether on the frontier of a young state or in a male dominated profession have relied on resilience creativity and grit to survive and to flourish These short biographies of twenty eight female writers and journalists from Arizona span the one hundred years since Arizona became the forty eighth state in the Union They capture the emotions the monumental and often overlooked events and the pioneering spirit of women whose lives are now part of Arizona history The remarkable women profiled in this anthology made the trek to Arizona from the big cities of Chicago Los Angeles and Washington D C from the green hills of Wisconsin and from backwater towns in Oklahoma and Pennsylvania by covered wagon automobile and later airplane They came with their parents or their husbands or as single women with and without children They came seeking health in the sun blessed dryness of the desert a job a better lifestyle What these women had in common was their love of writing and journalism and their ability to use the written word to earn a living to argue a cause and to promote the virtues beauty history and people of the Southwest The narratives in *Skirting Traditions* move forward from the beginning of statehood to the modern day describing daring feats patriotic actions and amazing accomplishments They are women you won't soon forget **The Life of Maynard Dixon** Donald J. Hagerty, Maynard Dixon, 2010 Maynard Dixon embellished themes that encompassed the timeless truth of the majestic western landscape the humanity of its memorable people and the religious mysticism of the Native American In an attempt to uncover the spirit of the American West Dixon roamed its plains mesas and deserts drawing painting and expressing his creative personality in poems essays and letters Written in a very personal style this biography includes anecdotes from Dixon's children historical vignettes and interviews with those who knew the artist *More Than Petticoats: Remarkable Arizona Women* Wynne Brown, 2012-03-06 How did Arizona become the amazing state that it is today you may wonder *More than Petticoats* Remarkable Arizona Women recognizes the women who shaped The Grand Canyon State Female teachers writers entrepreneurs and artists from across the state are illuminated through short biographies and archival photographs and paintings **100 Western Women** Jan Cleere, 2025-03-12 History books record scant contributions women made in settling and developing the new territory of Arizona Yet women were an integral part of civilizing the rough rowdy often dangerous land For more than ten years Jan Cleere has written about the women who influenced the growth and development of Arizona in her column *Western Women* that appears monthly in the Arizona Daily Star newspaper The famous infamous and those not so well known are featured each with a compelling story of surviving and thriving under less than ideal circumstances Warriors basket weavers ranchers artists innkeepers schoolteachers politicians and entrepreneurs from a remarkable variety of backgrounds and cultures influenced the growth of Arizona Read about Larcena Pennington

who had to crawl down a mountain to escape her Indian captors Hopi artist Nampeyo continued to make exquisite pots even after she started losing her eyesight Carmen Vasquez built a theater and brought in shows from as far away as Spain Elizabeth Hudson Smith ran a successful hotel until the color of her skin turned a town against her And Sarah Gorby allowed injured animals to live in her home until they could return to their desert habitats The 100 Western women featured between these pages are just a handful of those who came before and after them as the territory emerged and flourished into an amazing and diverse state unlike any other in the nation

Women Writers of the American West, 1833-1927 Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves

The Frontiers of Women's Writing Brigitte Georgi-Findlay, 2022-05-10 Although the myth of the American frontier is largely the product of writings by men a substantial body of writings by women exists that casts the era of western expansion in a different light In this study of American women's writings about the West between 1830 and 1930 a European scholar provides a reconstruction and new vision of frontier narrative from a perspective that has frequently been overlooked or taken for granted in discussions of the frontier Brigitte Georgi Findlay presents a range of writings that reflects the diversity of the western experience Beginning with the narratives of Caroline Kirkland and other women of the early frontier she reviews the diaries of the overland trails letters and journals of the wives of army officers during the Indian wars professional writings focusing largely on travel by women such as Caroline Leighton from the regional publishing cultures that emerged in the Far West during the last quarter of the century and late nineteenth and early twentieth century accounts of missionaries and teachers on Indian reservations Most of the writers were white literate women who asserted their own kind of cultural authority over the lands and people they encountered Their accounts are not only set in relation to a masculine frontier myth but also investigated for clues about their own involvement with territorial expansion By exploring the various ways in which women writers actively contributed to and at times rejected the development of a national narrative of territorial expansion based on empire building and colonization the author shows how their accounts are implicated in expansionist processes at the same time that they formulate positions of innocence and detachment Georgi Findlay has drawn on American studies scholarship feminist criticism and studies of colonial discourse to examine the strategies of women's representation in writing about the West in ways that most theorists have not She critiques generally accepted stereotypes and assumptions both about women's writing and its difference of view in particular and about frontier discourse and the rhetoric of westward expansion in general as she offers a significant contribution to literary studies of the West that will challenge scholars across a wide range of disciplines

Of Rock and Rivers Ellen Wohl, 2009-06-08 This deeply personal collection of essays paints a progressive view of the

American West as seen by a geologist The author traces her twenty years of living and conducting research in the natural landscapes of the West as she investigates the conflict between environmental history and widely held romanticized views of the region *Independent Spirits* Patricia Trenton, Sandra D'Emilio, 1995 A rich compendium of Western art by women this book also contains essays which examine the many economic social and political forces that have shaped the art over years of pivotal change The women profiled played an important role in gaining the acceptance of women as men's peers in artistic communities Their independent spirit resonates in studios and galleries throughout the country today Photos **New Deal Art in Arizona** Betsy Fahlman, 2016-05-26 Arizona's art history is emblematic of the story of the modern West and few periods in that history were more significant than the era of the New Deal From Dorothea Lange and Ansel Adams to painters and muralists including Native American Gerald Nailor the artists working in Arizona under New Deal programs were a notable group whose art served a distinctly public purpose Their photography paintings and sculptures remain significant exemplars of federal art patronage and offer telling lessons positioned at the intersection of community history and culture Art is a powerful instrument of historical record and cultural construction and many of the issues captured by the Farm Security Administration photographers remain significant issues today migratory labor the economic volatility of the mining industry tourism and water usage Art tells important stories too including the work of Japanese American photographer Toyo Miyatake in Arizona's internment camps murals by Native American artist Gerald Nailor for the Navajo Nation Council Chamber in Window Rock and African American themes at Fort Huachuca Illustrated with 100 black and white photographs and covering a wide range of both media and themes this fascinating and accessible volume reclaims a richly textured story of Arizona history with potent lessons for today *The Michigan Alumnus*, 1982 In volumes 1-8 the final number consists of the Commencement annual *Nevada Historical Society Quarterly* Nevada Historical Society, 1985 **Writing Arizona, 1912-2012** Kim Engel-Pearson, 2017-09-28 From the year of Arizona's statehood to its centennial in 2012 narratives of the state and its natural landscape have revealed and reconfigured the state's image Through official state and federal publications newspapers novels poetry autobiographies and magazines Kim Engel Pearson examines narratives of Arizona that reflect both a century of Euro American dominance and a diverse and multilayered cultural landscape Examining the written record at twenty five year intervals *Writing Arizona 1912-2012* shows us how the state was created through the writings of both its inhabitants and its visitors from pioneer reminiscences of settling the desert to modern stories of homelessness and from early twentieth century Native American as told to autobiographies to those written in Natives own words in the 1970s and 1980s Weaving together these written accounts Engel Pearson demonstrates how government leaders and boosters promotion of tourism often at the expense of minority groups and the environment was swiftly complicated by concerns about ethics representation and conservation Word by word story by story Engel Pearson depicts an Arizona whose narratives reflect celebrations of diversity and calls for conservation yet at the same time a state whose

constitution declares only English words official She reveals Arizona to be constructed understood and inhabited through narratives a state of words as changeable as it is timeless *The New Encyclopedia of Unbelief* Tom Flynn, 2007-04-30

Osselaer, 2016-05-26

In January 1999 five women were elected to the highest offices in Arizona including governor secretary of state attorney general treasurer and superintendent of public instruction The Fab Five as they were dubbed by the media were sworn in by U S Supreme Court Justice Sandra Day O Connor herself a former member of the Arizona legislature Some observers assumed that the success of women in Arizona politics was a result of the modern women s movement but *Winning Their Place* convincingly demonstrates that these recent political victories have a long and fascinating history This landmark book chronicles for the first time the participation of Arizona women in the state s early politics Incorporating impressive original research *Winning Their Place* traces the roots of the political participation of women from the territorial period to after World War II Although women in Arizona first entered politics for traditional reasons to reform society and protect women and children they quickly realized that male politicians were uninterested in their demands Most suffrage activists were working professional women who understood that the work place discriminated against them In Arizona they won the vote because they demanded rights as working women and aligned with labor unions and third parties that sympathized with their cause After winning the vote the victorious suffragists ran for office because they believed men could not and would not represent their interests Through this

process these Arizona women became excellent politicians Unlike women in many other states women in Arizona quickly carved out a place for themselves in local and state politics even without the support of the reigning Democratic Party and challenged men for county office the state legislature state office Congress and even for governor This fascinating book reveals how they shattered traditional notions about a woman s place and paved the way for future female politicians including the Fab Five and countless others who have changed the course of Arizona history **Portraits in Cataloging and Classification** Carolynne Myall,Ruth C. Carter,1998 Co published simultaneously as Cataloging and Classification Quarterly v 25 nos 2 3 and 4 1998 With a President who has stated that the Internet represents the way to learn in the next century what is the future of librarians and the library sciences This volume an amalgam of biography autobiography and history answers that question by looking to the past and examining the lives and achievements of pioneers in cataloging and research Annotation copyrighted by Book News Inc Portland OR America, History and Life ,1987 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Long-range Public Investment** Robert D. Leighninger,2007 Long Range Public Investment The Forgotten Legacy of the New Deal is augmented by fifty eight photographs Monthly Checklist of Publications (excluding Periodicals) of the State of Arizona Arizona. Department of Library, Archives & Public Records,1980 **Annual Checklist of Publications of the State of Arizona Received by the Library, Archives, and Public Records Division During the Fiscal Year** Arizona.
