## **Passion For Truth The Intellectual Coherence Of Evangelicalism:**

*A Passion for Truth* Alister McGrath, 1999-08-12 Voted one of Christianity Today's 1997 Books of the Year. Decades ago evangelicalism was given up for dead in the academy. But since World War II evangelical intellectualism has made a surprising comeback. Esteem has been regained especially in such disciplines as history and philosophy. Now evangelical theologians are making their bid for academic respectability. *A Passion for Truth*, written by one of evangelicalism's outstanding younger theologians, seeks to show that the movement has in its heritage excellent resources to engage the scholarly debates of the day. McGrath first sets forth the constructive ground on which evangelicalism stands, then shows how this revived school of thought might respond to such important theological and cultural realities as postmodernism, religious pluralism, and postliberalism. His book is fresh and exciting evidence that evangelicalism is coming of age. **A**

**Passion for Truth** Alister E. McGrath, David John Atkinson, 1996 **Evangelicals in Mexico** Dinorah B. Méndez, Dinorah Méndez, 2008 Hymns as a potential tool of theological contextualisation have never been fully explored. This study looks at this function of hymnody in relation to Mexican culture. A sample of hymnody used by evangelicals of different traditions was selected to examine its theology and to compare which kind of hymns or songs were more reliable and appropriate to communicate the evangelical faith in the Mexican context. Interdisciplinary Perspectives on the Authority of Scripture Carlos R. Bovell, 2011-09-01 Conservative Protestant views of Scripture have not moved much beyond the fundamentalist/modernist controversies of the early twentieth century. Today's discussions must evolve and become transparently conversant with recent scholarly developments. *Interdisciplinary Perspectives on the Authority of Scripture* provides contemporary reflections on the most pressing challenges facing inerrancy today. Whatever your current position, this volume will deepen your understanding of the authority of Scripture. **TABLE OF CONTENTS and CONTRIBUTORS** Foreword by William Abraham ix Editor's Preface by Carlos R. **Revisioning, Renewing, Rediscovering the Triune Center** Derek J. Tidball, Brian S. Harris, Dr Jason S Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz's theology Trinity community eschatology and the key sources from which he drew for theology's construction Scripture tradition culture While engaging key features seen in Grenz's work some of the essays here interact with Grenz's own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology

**The Rowman & Littlefield Handbook of Contemporary Christianity in the United States** Mark A. Lamport, 2022-02-15 The Handbook of Contemporary Christianity in the United States is a one volume examination of Christianity in its role contributions and embattled engagements with the contemporary culture of the postmodern United States While Christianity has been a sustaining force and dominant storyline of the historical foundations of America obvious social political and scientific inroads have lessened its influence and altered the issues considered The handbook explores the strengths and weaknesses of the Christian faith and traditions in the United States and its rich and textured history with a discernable eye toward how the message strategies and initiatives of Christianity has adapted to contemporary American life

**Re-Envisioning Transformation** David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re-Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's

people toward the need to express and live out a distinctly Christian vision      *The Evangelical Dictionary of World Religions* H. Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today's religious landscape      Image and Glory of God Michael Lakey, 2010-03-11 This hermeneutical case study illustrates the complexities of using biblical materials to shed light upon present day concerns The specific situation addressed is the recent evangelical controversy regarding gender roles A significant strand of this debate concerns the relationship between gender and the doctrine of God This proposition is derived from 1 Corinthians 11 Whilst aspects of this argument are criticized Lakey also argues that questions of God and gender are related 1 Corinthians 11:2-16 articulates sexual difference using the metaphysical language of antiquity thereby situating the sexes vis vis each other as microcosms of God and Christ vis vis the cosmos For Paul the Church circumscribes that part of the cosmos able to express its creaturely relationship to God However modern interpreters arguably cannot share Paul's cosmological and anthropological assumptions Lakey points us towards forging a solution for how to interpret as Christian Scripture a text that invites its readers to assume a stance that is now problematic for many modern Christians      **God and Caesar** Stephen M. King, 2002-10      **The Cape Town Commitment: A Confession of Faith, A Call to Action** Darrell L. Bock, 2013-06-14 The Cape Town Commitment which arose from The Third Lausanne Congress on World Evangelization Cape Town 2010 stands in the historic line of The Lausanne Covenant 1974 and The Manila Manifesto 1989 It has been translated into twenty five languages and has commanded wide acceptance around the world The Commitment is set in two parts Part 1 is a Confession of Faith crafted in the language of covenantal love Part 2 is a Call to Action The local church mission agencies special interest groups and Christians in the professions are all urged to find their place in its outworking This annotated bibliography of The Cape Town Commitment arranged by topic has been compiled by specialists in a range of fields As such it is the first bibliography of its kind Arranged in sections for graduate level teaching Equally useful for research students

**Worldview** David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of

worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers

*Engaging Deconstructive Theology* Ronald T. Michener, 2016-04-29 Engaging Deconstructive Theology presents an evangelical approach for theological conversation with postmodern thinkers Themes are considered from Derrida Foucault Mark C Taylor Rorty and Cupitt developing dialogue from an open minded evangelical perspective Ron Michener draws upon insights from radical postmodern thought and seeks to advance an apologetic approach to the Christian faith that acknowledges a mosaic of human sources including experience literature and the imagination

**The Blackwell Companion to Protestantism** Alister E. McGrath, Darren C. Marks, 2008-04-15 This Companion brings together new contributions from internationally renowned scholars in order to examine the past present and future of Protestantism Co edited by leading Protestant theologians Alister E McGrath and Darren C Marks with contributions from internationally renowned scholars Opens with an investigation into the formation of Protestant identity across Europe North America Asia Australasia and Africa Includes coverage of leading Protestant thinkers such as Luther Calvin Schleiermacher and Barth Considers the interaction of Protestantism with different areas of modern life including the arts politics the law and science Debates the future of Protestantism in both Western and non Western settings

**Heavenly Participation** Hans Boersma, 2011-02-01 Surveying the barriers that contemporary thinking has erected between the natural and the supernatural between earth and heaven Hans Boersma issues a wake up call for Western Christianity Both Catholics and evangelicals he says have moved too far away from a sacramental mindset focusing more on the here and now than on the then and there Yet as Boersma points out the teaching of Jesus Paul and St Augustine indeed of most of Scripture and the church fathers is profoundly otherworldly much more concerned with heavenly participation than with earthly enjoyment In Heavenly Participation Boersma draws on the wisdom of great Christian minds ancient and modern Irenaeus Gregory of Nyssa C S Lewis Henri de Lubac John Milbank and many others He urges Catholics and evangelicals alike to retrieve a sacramental worldview to cultivate a greater awareness of eternal mysteries to partake eagerly of the divine life that transcends and transforms all earthly realities

**Jesus and the Restoration of Israel** Carey C. Newman, 1999-10-13 This book edited by Carey C Newman offers a multifaceted and critical assessment of N T Wright s work Jesus and the Victory of God Wright responds to the essayists and Marcus Borg offers his critical appraisal

**The Possibility of Salvation Among the Unevangelized** Daniel Strange, 2007-01-01 In the area of systematics known as the theology of religions those who affirm the particularity of Christ in terms of truth revelation and salvation have always had to deal with the problem of the unevangelized those who have never heard of Christ through no fault of their own For evangelical theologians this issue impinges on fundamental tenets of evangelical identity Recently the fate of the unevangelized has received detailed attention

from evangelicals and has been fiercely debated because of the wider doctrinal issues it raises The position known as inclusivism has been most fully developed by Clark H Pinnock an influential and controversial evangelical theologian known as being the leading spokesman of Arminianism and a new theistic paradigm entitled the trinitarian openness of God Through a detailed analysis and critique of his work this book examines a cluster of issues surrounding the unevangelized and its implications for Christology soteriology and evangelical identity **True Truth** Art Lindsley,2004-04-08 Art Lindsley ably demonstrates that faith in Christ is necessarily opposed to and incompatible with the abuses of oppression arrogance intolerance self righteousness closed mindedness and defensiveness Surprisingly he shows that it is relativism which often harbors dangerous inflexible absolutisms *The Method of Christian Theology* Rhyne Putman,2021-05-15 In *The Method of Christian Theology* Rhyne Putman guides readers through the essential first words of systematic theology Written for entry level theology students this book gives clear suggestions about how to use theological sources how to reason through difficult problems and how to apply theological reflection to paper writing and preaching By studying the foundations of theology readers will be better equipped to serve God s people in whatever ministry they are called to *The Bible in Pastoral Practice* Paul H. Ballard,Stephen R. Holmes,2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism there s no question that Aim e is a killer and a more than professional one Now she s set her eyes on a backwater burg where while posing as an innocent albeit drop dead gorgeous newcomer to town she means to sniff out old grudges and engineer new opportunities deftly playing different people and different interests against each other the better as always to make a killing But then something snaps the master manipulator falls prey to a pure and wayward passion Aim e has become the avenging angel of her own nihilism exacting the destruction of a whole society of destroyers An unholy original Jean Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun In *Fatale* he mixes equal measures of farce mayhem and madness to prepare a rare literary cocktail that packs a devastating punch
