Passion Lessons From The Life Of Christ:

Reflections on the Passion of Our Lord Jesus Christ. Compiled and Translated from the French. By a Religious of Loretto Convent, Navan ,1872 Everything You Want to Know about Jesus Peter Douglas Downey,Ben James Shaw,2009-05-26

Jesus is the most influential person who ever lived But for many of us he has ceased to be a real person We ve sanitised him with pious jargon framed him in stained glass and reduced him to a religious puppet who floats through biblical landscapes dispensing Christian cliches and nice advice It s time for a fresh look at the man this book describes as a square peg in a society of round holes Whether you re new to Jesus or just want to rediscover him with fresh eyes this is the book for you No dry theological treatise it s written in an engaging sometimes even humorous style In short readable chapters you ll get a tour of important background info and fascinating history that will bring to life the era in which Jesus lived Then you ll read about his birth his adult ministry and teaching and the crucial last week of his life on earth You ll catch a glimpse of the impact and excitement as news of Jesus spread around the world And finally you ll be inspired to think about what Jesus means for us today **The Life of Christ** Lyman Abbott,1895 **Learning Christ** Gregory Vall,2013 Learning Christ represents a thorough reevaluation of Ignatius as author and theologian demonstrating that his seven authentic letters present a sophisticated and cohesive vision of the economy of redemption Gregory Vall argues that Ignatius s thought represents a vital synthesis of Pauline Johannine and Matthean perspectives while anticipating important elements of later patristic theology Topics treated in this volume include Ignatius s soteriological anthropology his Christology and nascent Trinitarianism his nuanced understanding of the relationship between Judaism and Christianity and his ecclesiology and eschatology Peloubet's Select Notes on the International Bible Lessons for Christian Living Alice Peloubet Norton,1899

hands of this writer the Lord's few words accompanied by the author's commentary challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England, and educated at the prominent Catholic college Stonyhurst, which has been the source of many English Catholic politicians, intellectuals, and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939.

The Passion of the Christ has become one of the most controversial films ever made and it is already a blockbuster of cinematography. Its defenders passionately regard it as one of the most moving and influential pieces of religious art ever created. But its detractors argue with comparable vehemence that the violence and gore it contains, its alleged anti-Semitism, a particular take on the Christian message, and the lack of historical and Biblical accuracy make it nothing more than a kind of political propaganda. Father Thomas Rosica hailed it as one of the great masterpieces of religious art, but the secular humanist Paul Kurtz thinks of it as a political weapon in the hands of the religious right. Film critics are divided in their judgment, giving the film anywhere from no stars to five stars. Regardless of what one thinks of the film, however, its impact, both personal and social, is beyond question.
