*Alice's Adventures Under Ground* Lewis Carroll, 2023-12-31 ALICE was beginning to get very tired of sitting by her sister on the bank and of having nothing to do once or twice she had peeped into the book her sister was reading but it had no pictures or conversations in it and where is the use of a book thought Alice without pictures or conversations So she was considering in her own mind as well as she could for the hot day made her feel very sleepy and stupid whether the pleasure of making a daisy chain was worth the trouble of getting up and picking the daisies when a white rabbit with pink eyes ran close by her THERE was nothing very remarkable in that nor did Alice think it so very much out of the way to hear the rabbit say to itself dear dear I shall be too late when she thought it over afterwards it occurred to her that she ought to have wondered at this but at the time it all

seemed quite natural but when the rabbit actually took a watch out of its waistcoat pocket looked at it and then hurried on Alice started to her feet for it flashed across her mind that she had never before seen a rabbit with either a waistcoat pocket or a watch to take out of it and full of curiosity she hurried across the field after it and was just in time to see it pop down a large rabbit hole under the hedge In a moment down went Alice after it never once considering how in the world she was to get out again The rabbit hole went straight on like a tunnel for some way and then dipped suddenly down so suddenly that Alice had not a moment to think about stopping herself before she found herself falling down what seemed a deep well Either the well was very deep or she fell very slowly for she had plenty of time as she went down to look about her and to wonder what would happen next First she tried to look down and make out what she was coming to but it was too dark to see anything then she looked at the sides of the well and noticed that they were filled with cupboards and book shelves here and there were maps and pictures hung on pegs She took a jar down off one of the shelves as she passed it was labelled Orange Marmalade but to her great disappointment it was empty she did not like to drop the jar for fear of killing somebody underneath so managed to put it into one of the cupboards as she fell past it Well thought Alice to herself after such a fall as this I shall think nothing of tumbling down stairs How brave they ll all think me at home Why I wouldn t say anything about it even if I fell off the top of the house which was most likely true
