Passion For The Divine:

The Passion of God Warren McWilliams,1985-06 **Passion and Paradise** J. Warren Smith,2004 Does God suffer and can we be close to God when we suffer Gregory of Nyssa on the the three most influential theologians of the early Church offers a vision of suffering as part of our progress to final union with God **NPNF2-05. Gregory of Nyssa: Dogmatic Treatises, Etc. ,** **Feminism and Religion** Michele A. Paludi,J. Harold Ellens,2016-03-21 Renowned subject experts Michele A Paludi and J Harold Ellens lead readers through a detailed exploration of the feminist methods issues and theoretical frameworks that have made women central not marginal to religions around the world At a conference in 2013 Gloria Steinem noted that religion is the biggest problem facing feminism today In this insightful volume a team of researchers psychologists and religious leaders led by editors Michele A Paludi and J Harold Ellens supply their expertise and informed opinions to examine the problems spur understanding and pose solutions to the conflicts between religion and women s rights thereby advocating a global interest in justice and love for women Examples of subjects addressed include the pro life pro choice debate feminism in new age thought and the complex intersections of religion and feminism combined with gender race and ethnicity The contributed work in this unique single volume book enables a better understanding of how various religions view women both traditionally and in the modern context and how feminist thinking has changed the roles of women in some world religions Readers will come away with clear ideas about how religious cultures can honor feminist values such as family friendly workplace policies reproductive justice and pay equity and will be prepared to engage in conversation and constructive debate regarding how faith and feminism are interrelated today **The Resurrection of Passion** Michelle D. Rhett,2017-02-15 YOU ARE NOT HAPPY AND YOU KNOW IT Has the everyday hustle and bustle of life caused you ponder whether there is something more out there waiting for you to explore in life Why do we stay on jobs that have no fulfillment continue in abusive and toxic relationships and waste money and time trying to impress other people Why have so many wonderfully intelligent and creative beings chosen to live life according to what is seen by the natural eye settling instead for a meager replica of true life fulfillment Its time to activate your internal barometer of Everlasting joy Its buried deep down inside of you It has the power to transform your life as never before It will not stop calling your name until you respond My friends you do not have a human problem you have a GOD PROBLEM *Eastern Christian Approaches to Philosophy* James Siemens,Joshua Matthan Brown,2022-10-05 With few exceptions the field of Eastern Christian studies has primarily been concerned with historical critical analysis hermeneutics and sociology For the most part it has not attempted to bring Eastern Christian philosophy into serious engagement with contemporary thought This volume seeks to redress the matter by bringing the Eastern Christian tradition into a meaningful dialogue with contemporary philosophy It boasts a diverse group of scholars specialists in ancient philosophy analytic philosophy and continental philosophy who engage with a wide range of pressing issues Among other things it addresses such topics as contemporary atheism the metaphysics of

action religious epistemology the philosophy of language bioethics the philosophy of race and human rights In so doing it aims to introduce contemporary readers to unique perspectives and novel arguments often overlooked by mainstream anglophone philosophy

Evolutionary Love Relationships Andrew Harvey, Chris Saade, 2017-01-17 In this profoundly uplifting book authors and sacred activists Andrew Harvey and Chris Saade call us to the next paradigm in human relations love connections that are solidly grounded in individual authenticity and passionately focused on service and solidarity Rather than limiting their gaze to each other partners are invited to take their focus outward channeling their energies toward those causes that both unite them and transform the world we live in With love as the fuel for inspired action the relationship becomes a homage to sacred purpose finding its deeper meaning in its efforts to positively influence the planet There are many books that invite us to focus on love relationship its perils and delights its shadow and light as the place where meaningful change happens and there are others including some potent ones written by these two authors individually that invite us to unite our individual spiritual paths sacred purpose callings and the like with benevolent action but this is the first book that focuses on the next step the bringing together of sacred activism and love relationship *Evolutionary Love Relationships* contains a powerful vision that offers humanity a path to coupledness not as a privatized escape or preoccupation but a path to evolve into dedicated activists whose combined purpose is to utilize their resources to help and sustain the planet and which does not forsake but includes the pleasure of personal fulfillment between the bonded pair They can enjoy the fullness of divine human love in the depths of their own personal relationship supporting each other's authenticity but also enjoy it in the ways that those healing depths make them powerful and strong and lucid and vibrant enough to go out into the world and pour their gifts out for the transformation of the planet What is really at stake is this If we continue to have a vision of relationship as purely personal purely private and something that we cultivate only for our own pleasure we will keep feeding the tragic narcissism that is now ravaging the planet on every level The real thrust and purpose and divine importance of relationship is to give us the fuel to take on the world to give us the passion to embrace the causes of justice to give us the energy to keep on pouring ourselves out for the transformation of the planet With a foreword by *An Uncommon Bond* author Jeff Brown this inspiring book shows us the way to turn our love relationship into a prayer for world transformation And not just a passive prayer but a prayer in action impassioning the world with a bonfire of sacred and benevolent activism that cannot be stopped This prayer may well save us

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of

the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God with the activist s passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future **Living Beauty** Alejandro García-Rivera, Thomas Scirghi, 2007-10-15 The Christian mystery celebrated in the Roman Catholic liturgy is a sensible mystery and calls out for artistic expression Living Beauty explores the Christian mystery and points to the need for a liturgical aesthetic as a means to encounter the divine mystery A liturgical aesthetic gives an account of Christian worship in terms of a new set of categories that includes divine beauty a theology of sensibility and the new notion of a unitive revelatory experience These categories help to reveal the aesthetic dimensions of the Church s watershed document on the liturgy Sacrosanctum Concilium The Church today stands in need of a new conversation on the aesthetic dimension of the liturgy and the role of the arts Contrary to common opinion the arts provide more than an environment or mere extrinsic ornamentation for the liturgy they are intrinsic to the very nature of liturgy They provide the means of being sanctified in the encounter with divine beauty that is the mystery of Christian worship Artistic expression enables the worshiping community to receive the divine mystery in beauty Don't Kill This Child Andrew Robert, 2017-07-12 Dont Kill This Child focuses on the importance of us delivering that eternal purpose for which God brought us here on earth It stresses that in an attempt to birth that purpose there must be many tough challenges to overcome but in the midst of those struggles and challenges we must not let that child in us die The child here speaks of the gift transformative ideas or talent that God deposited in every individual that only that individual can exploit develop or nurture for the benefit of others The book tells us that God has finished His work here on earth and has commissioned us humanity to represent Him here to see that His purpose and plan for the universe is actualized So dont kill that God deposited child in you Gregory of Nazianzus on the Trinity and the Knowledge of God Christopher A. Beeley, 2008-06-27 Gregory of Nazianzus a 4th century bishop of Constantinople receives relatively little attention from modern Western scholars yet he is one of the most influential theologians in the history of Christian doctrine As an advocate for the conceptual understanding of the Trinity Gregory set precedents for the way his fellow and future Christians would perceive and worship God Christopher A Beeley presents the first comprehensive study in modern Western scholarship of Gregory s doctrine of the Trinity in the full range of his theological and practical vision of the Christian life **A Feminist Companion to the New Testament Apocrypha** Amy-Jill Levine, Maria Mayo

Robbins,2006-01-01 The eleventh volume in this series examines New Testament Apocryphal texts including the Acts of Paul and Thecla the Acts of John the Gospel of Thomas the Gospel of Peter the Martyrdom of Perpetua the Acts of Xanthippe and Polyxena the Acts of Andrew the Acts of Thomas and the Apocalypse of Peter as well as Joseph and Asenath the Irish apocrypha and the Greek novels In this diverse collection the contributors utilize a variety of approaches to explore topics such as the construction of Christian identity the Christian martyr heterodoxy and orthodoxy conjugal ethics and apostolic homewreckers trials and temptations the rhetoric of the body asceticism and eroticism **A Memoir of Mother Francis Raphael, O.S.D. (Augusta Theodosia Drane)..** Augusta Theodosia Drane,1923 Nicene and Post-Nicene Fathers Philip Schaff,2007-06-01 Pilgrimage of Love Joy Ann McDougall,2005-10-13 This book engages one of the liveliest theological debates at the turn of the twenty first century the significance of the doctrine of the Trinity to the Christian concept of God and to its life of faith **Zion's Herald** ,1905 **Hawthorne's Redemption** Gary P. Cranford,2012-10 This book serves to feed human nature with both a religious and literary mood It may bring the reader a little closer to an understanding of life s complexities or it may challenge the reader s own philosophical self as he or she discovers the unraveling of Hawthorne s The editor of the book which has been composed from his memory of an unknown student s work claims to have unearthed a rare discovery that may unveil a mystery that has puzzled the best of minds in the literary field for many years In the words of its author his purpose is clear I have thought to publish my interpretations of Hawthorne s novel so that those critics in the field of literature who will may have additional cause for which to expound their intelligence either in trying to better understand this mystery or to salvage the old cherished ambiguities by which the public brain is presently intoxicated If I am correct in only a few of my impressions hopefully the main ones we shall have to reappraise Hawthorne as a literary prophet who hoped for and predicted a future time when mankind would look more favorable upon the creation man Both the author and editor send the reader on a journey into the mind and heart of an American icon which have too long been misunderstood and underappreciated He asks the reader to drink deep from the depths of his or her own intuitive awakenings and encourages each to rediscover the man who created The Scarlet Letter In so doing one may see the vexations and conflicts in his own life as a dark necessity to be endured as in the character of his beloved Hester who speaks to the heart of every human and in behalf of our own human nature **Nicene and Post-Nicene Fathers Second Series, Theodoret, Jerome, Gennadius, Rufinus** Philip Schaff,2007-06-01 **Nicene and Post-nicene Fathers: Second Series** Philip Schaff,2007-06-01 Addresses, Discussions, Minutes, Statements of Benevolent Societies, Constitution, Etc. of the Twelfth Triennial Session ,1904
