Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus death and resurrection as it was then recorded in the new gospel By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus Syreeni provides a bold and provocative case for a new understanding of John

Mark: The Gospel of Passion Michael Card, 2012-01-23 In this second volume of the Biblical Imagination series Michael Card leads us on an imaginative journey through the Gospel of Mark Card teaches us to enter each scene with the eyes of faith knowing that Mark intended us to be filled with passion at the sight of Jesus

The Use of the Jewish Scriptures in the Johannine Passion Narrative David M. Allen, 2024-05-13 How do Israel's Scriptures inform the account of Jesus's cruciform death in the Gospel of John What does it mean for John's portrayal of Jesus's death to be according to the Scriptures The Use of the Jewish Scriptures in the Johannine Passion Narrative That the Scripture May Be Perfected argues that they are the focal element of the Johannine portrayal and without them John's Passion Narrative simply makes no sense Whether through the evangelist's appeal to the fulfilment of Scripture with such fulfilment accompanying the very moment of Jesus's death or whether through allusions to the narratives of Creation or Passover Israel's Scriptures provide the Passion Narrative's veritable heartbeat This book also considers the impact of John's scriptural usage on the very concept of Scripture itself contending that Scripture is brought to perfection by Jesus's actions and to a new standing or status in this regard David M Allen examines how the use of Scripture in the Passion account impacts the Fourth Gospel's own self understanding arguing that its capacity to pronounce on Scripture's fulfilment attests to the Gospel's own self avowed scriptural credentials

The Cross that Spoke John Dominic Crossan, 2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel's pain and the resurrection as the vindication of Israel's faith
